2. SETUP AND ASSEMBLY

Assembly of the Carynhurst Cocktail Table is required. The process is designed to be straightforward, and all necessary hardware is included. For optimal ease and safety during assembly, it is recommended that two people participate. A screwdriver (not included) will be required to complete the setup.

Assembly Tips:

- Unpack all components carefully and verify against the parts list provided in the packaging.
- Assemble on a soft, clean surface to prevent scratches or damage to the furniture.
- Do not overtighten screws during assembly to avoid damaging the wood.

3. OPERATING AND USAGE

The Carynhurst Cocktail Table is designed for versatile use in various indoor settings, such as living rooms or entryways. Its primary functional feature is the dual-lid tabletop, which lifts to reveal a large storage compartment. This space is ideal for stowing away blankets, pillows, remote controls, magazines, or other household items, helping to keep your living area tidy and organized.

Accessing Storage:

1. Gently lift either of the two tabletop lids. The lids are designed to stay open once lifted, preventing accidental closure.
2. Place or retrieve items from the spacious interior.
3. To close, gently push the lid down until it rests securely on the table frame.

4. MAINTENANCE

To maintain the beauty and longevity of your Signature Design by Ashley Carynhurst Cocktail Table, follow these simple care instructions:

- **Cleaning:** Dust or wipe the table with a dry or damp cloth as needed. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately blot any spills with a clean, dry cloth.
- **Placement:** Avoid placing the table in direct sunlight or near heat sources, as this can cause fading or warping.
- **Protection:** Use coasters under beverages and placemats under hot items to protect the tabletop surface.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your cocktail table. If you experience a problem not listed here, please refer to the "Warranty and Support" section for contact information.

Common Issues:

- **Loose Connections:** If the table feels wobbly, check all assembly screws and tighten them securely. Do not overtighten.
- **Lid Sticking/Not Closing Properly:** Ensure no items are obstructing the lid's path or the magnetic closure mechanism. Check hinges for any debris or damage.
- **Surface Discoloration/Wear:** Refer to the maintenance section for proper cleaning and care. Minor wear is expected over time with regular use and contributes to the distressed aesthetic.
