GOODaaa PN-W22

GOODaaa Power Bank Wireless Charger User Manual

Model: PN-W22 | Brand: GOODaaa

INTRODUCTION

This manual provides essential information for the safe and efficient operation of your GOODaaa Power Bank Wireless Charger. Please read it thoroughly before use and retain it for future reference.

Image: The GOODaaa Power Bank Wireless Charger, featuring its solar panel and dual LED flashlights. The device is designed for portability and outdoor use.

WHAT'S IN THE BOX

- GOODaaa Solar Power Bank
- USB C to USB C Charging Cable
- Carabiner
- User Manual (this document)

KEY FEATURES

- **Built-in 4 Charging Cables:** Includes Type-C, iOS, Micro USB output cables, and a USB-A input cable for convenient charging without external cables.
- **Advanced Wireless Charging:** Supports wireless charging for compatible devices.
- **Six-Device Simultaneous Charging:** Features 4 built-in cables and 4 additional ports (iOS input, USB A

output, USB C input/output) to charge up to 6 devices concurrently.

- **36000mAh Super Large Capacity:** High-capacity Li-polymer battery for multiple device charges. Can be recharged via adapter or solar power.
- **Durable Outdoor Design:** Waterproof, shockproof, and dustproof construction for resilience in various environments.
- **Dual Super Bright LED Flashlights:** Integrated flashlights for illumination in low-light conditions or emergencies.

Product Detailed Drawing

Image: A detailed diagram illustrating the various components of the power bank, including built-in cables, input/output ports, wireless charging area, LED lights, and solar panel.

SETUP

Before first use, it is recommended to fully charge your GOODaaa Power Bank using a wall adapter to ensure optimal performance.

1. **Initial Charging:** Connect the power bank to a wall adapter using the built-in USB-A input cable or a USB-C cable via the USB-C input port. The LED battery indicators will illuminate to show charging progress.
2. **Full Charge Indication:** All LED indicators will remain solid when the power bank is fully charged.

Image: The power bank connected to a wall outlet for charging, and a separate illustration demonstrating solar panel charging under sunlight.

OPERATING INSTRUCTIONS

Charging Your Devices

- **Using Built-in Cables:** Select the appropriate built-in cable (Type-C, iOS, or Micro USB) and connect it directly to your device.
- **Using USB Ports:** For devices requiring other cable types, use your own USB-A or USB-C cable and connect it to the corresponding output port on the power bank.
- **Wireless Charging:** Place your wireless-enabled device directly onto the wireless charging area on the power bank. Ensure proper alignment for efficient charging.

Image: The power bank actively charging multiple smartphones and a tablet using its integrated cables and external USB ports, demonstrating its multi-device charging capability.

Wireless Charger

for All wireless-enabled Devices

Image: A smartphone placed on the power bank's wireless charging pad, indicating active wireless charging with a charging icon.

Recharging the Power Bank

- **Wall Charging:** For fastest charging, connect the power bank to a wall adapter using its built-in USB-A input cable or a USB-C cable.
- **Solar Charging:** Place the power bank in direct sunlight. The solar panel will convert sunlight into energy to recharge the internal battery. Note that solar charging is slower and primarily intended for emergency power replenishment, not as a primary charging method.

Using the Dual LED Flashlights

- **To Turn On/Off:** Press and hold the power button for approximately 3 seconds to activate or deactivate the flashlights.
- **Lighting Modes:** Short press the power button repeatedly to cycle through different lighting modes (e.g.,

steady on, SOS, strobe).

DUAL SUPER BRIGHT LED Flashlight

-  The flashlight can last over **100 hours** with a full charge.
-  A Must-Have for outdoor enthusiasts and home emergency.

Image: The power bank's dual LED flashlights emitting a strong beam, demonstrating their utility in dark environments.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the power bank. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the power bank in a cool, dry place away from direct sunlight and extreme temperatures.
- **Durability:** While designed to be waterproof, shockproof, and dustproof, avoid intentional submersion, dropping from excessive heights, or exposing to fine dust for prolonged periods to maintain its integrity.

Image: A composite image showing the power bank being dropped (shockproof), splashed with water (waterproof), and covered in sand (dustproof), highlighting its robust design.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Power bank not charging devices.	Low battery on power bank; incorrect cable connection; device incompatibility.	Recharge power bank fully. Ensure cables are securely connected. Verify device compatibility with power bank's output specifications.
Power bank not recharging.	Faulty charging cable/adaptor; insufficient sunlight (for solar); damaged port.	Try a different charging cable and wall adapter. Ensure direct, strong sunlight for solar charging. If ports are damaged, contact support.
Wireless charging not working.	Device not aligned correctly; device not wireless-enabled; foreign objects on charging pad.	Adjust device position on the wireless charging area. Ensure your device supports wireless charging. Remove any metal objects or thick cases.
Flashlights not turning on.	Low battery; incorrect button press.	Recharge power bank. Press and hold the power button for 3 seconds.

SPECIFICATIONS

Feature	Detail
Product Dimensions	6.6 x 3.5 x 1.1 inches
Item Weight	15.2 ounces
Item Model Number	PN-W22
Battery Type	Lithium Polymer (2 included)
Battery Capacity	36000 Milliamp Hours
Connector Type	USB Type C, IOS (Lightning), Micro USB, USB A
Special Features	Fast Charging, Portable, Wireless Charging, Dual Flashlights, Solar Charging
Manufacturer	GOODaaa

WARRANTY AND SUPPORT

Every GOODaaa product is certified safe and comes with a lifetime warranty. For any questions or assistance, please feel free to contact our professional pre-sales and after-sales service team. We are committed to providing a satisfactory solution within 24 hours.

For support, please visit the official GOODaaa store or contact customer service through your purchase platform.
