Hot Wheels 8722-2

Hot Wheels Pista Wave Racers Match Track Set Instruction Manual

Brand: Hot Wheels | Model: 8722-2

1. INTRODUCTION

The Hot Wheels Pista Wave Racers Match Track Set by Fun Divirta-se offers an interactive racing experience. This set allows users to control the speed of their Hot Wheels cars by waving their hands over integrated sensors. The track features multiple connectable pieces, including three aerial loops, curves, and turns, creating an expansive racing environment. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure a safe and enjoyable experience.

2. SAFETY INFORMATION

This product is intended for children aged 36 months to 10 years. Adult supervision is recommended during assembly and play. Please ensure all small parts are kept away from younger children to prevent choking hazards. Do not modify the product in any way, as this may compromise its safety and functionality.

3. WHAT'S INCLUDED

The Hot Wheels Pista Wave Racers Match Track Set includes the following components:

- Track pieces for assembly
- 2 sensor-powered Hot Wheels cars
- Instruction manual
- Sticker sheet

For a visual guide to the contents, please refer to the unboxing video below:

4. SETUP AND ASSEMBLY

Assembly of the Hot Wheels Pista Wave Racers Match Track Set is required. Follow the steps below and refer to the included instruction manual for detailed diagrams.

1. **Unpack Components:** Carefully remove all track pieces, cars, and accessories from the packaging. Verify all items listed in Section 3 are present.
2. **Connect Track Pieces:** Begin by connecting the main track sections. Ensure the connectors snap securely into place. The track is designed to form a large layout with curves and three aerial loops.
3. **Assemble Aerial Loops:** Attach the aerial loop supports and connect the loop track pieces. Ensure they are stable and securely fastened to the main track.
4. **Insert Batteries into Cars:** Each car requires 2 AA batteries (not included). Locate the battery compartment on the underside of each car, open it, insert the batteries with correct polarity, and close the compartment securely.
5. **Position Cars:** Place the sensor-powered cars onto the track at the designated starting points.

Image 4.2: Close-up of one of the sensor-powered cars.

Image 4.3: Close-up of the second sensor-powered car.

5. OPERATING INSTRUCTIONS

The Hot Wheels Pista Wave Racers Match Track Set features unique sensor-activated cars. Follow these steps to operate the track set:

1. **Power On:** Ensure batteries are correctly installed in both cars.
2. **Activate Cars:** Position your hand over the sensor on top of each car. Rapidly wave your hand from side to side. The cars are designed to activate after approximately 15 movements within 5 seconds.
3. **Control Speed:** The speed of the cars is directly proportional to the rapidity of your hand movements. Wave faster to make the cars go faster.
4. **Race:** Compete with friends or family to see who can achieve the fastest speeds and navigate the track most effectively.

6. MAINTENANCE

Proper maintenance will extend the life of your Hot Wheels Pista Wave Racers Match Track Set:

- **Cleaning:** Wipe track pieces and cars with a dry or slightly damp cloth. Do not immerse electronic components (cars) in water.
- **Storage:** When not in use, store the track set in a cool, dry place away from direct sunlight. Disassemble the track for compact storage if desired.
- **Battery Care:** Remove batteries from the cars if the product will not be used for an extended period to prevent leakage.

7. TROUBLESHOOTING

If you encounter issues with your track set, refer to the following common problems and solutions:

- **Cars not moving or moving slowly:**
 - Check if batteries are correctly installed and not depleted. Replace with fresh AA batteries if necessary.
 - Ensure hand movements over the sensor are rapid and consistent (at least 15 movements in 5 seconds).
 - Verify that the car's sensor is clean and unobstructed.
- **Track pieces disconnecting:**
 - Ensure all track connectors are firmly snapped into place during assembly.
 - Place the track on a flat, stable surface. If the surface is too smooth, the track may shift during play; consider using a non-slip mat underneath.
- **Cars falling off the track:**
 - Reduce the speed of hand movements if cars are consistently derailing on curves or loops.
 - Inspect track connections for any gaps or misalignments.

8. SPECIFICATIONS

Feature	Detail
Model Number	8722-2
Brand	Hot Wheels
Manufacturer	Fun Divirta-se
Material Type	Plastic
Number of Players	1-2
Number of Pieces	3 (main components, but many track segments)
Assembly Required	Yes
Scale	1:64
Battery Operated	Yes
Batteries Included	No
Battery Requirement	4 AA batteries (2 per car)
Product Dimensions	110 cm x 61 cm x 26 cm (L x W x H)
Item Weight	1.42 kilograms
Recommended Age	36 months - 10 years
EAN	7898039607559

9. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the contact details provided on the product packaging or visit the official Hot Wheels website. Keep your proof of purchase for any warranty claims.
