6. MAINTENANCE

Proper care will help maintain the lifelike appearance and longevity of your Chongker plush toy:

- **Grooming:** Regularly use the provided comb to brush the fur. This prevents matting and keeps the fur soft and fluffy. Brush gently in the direction of the fur growth.
- **Cleaning:** For minor spots, gently wipe with a damp cloth and mild soap. Do not machine wash or submerge the entire plush toy in water, as this may damage its internal structure and fur. Allow to air dry completely.
- **Storage:** When not in use, store the plush toy in a clean, dry place away from direct sunlight to prevent fading and dust accumulation.
