Cypher.V A-04

Cypher.V Replacement Cable Cord for Astro Gaming Headsets Instruction Manual

Model: A-04

Introduction

This manual provides instructions for the Cypher.V Replacement Auxiliary Cable, designed for use with Astro A10, A30, A40, A40TR, and A50 gaming headsets. This cable features a built-in volume control wheel and is 2 meters (6.5 feet) in length, offering a clear and stable sound transmission for an enhanced gaming experience.
The cable is compatible with various devices including Xbox-One, PS4, PC, tablets, laptops, and smartphones.

Package Contents

- 1x Cypher.V Replacement Auxiliary Cable (Model A-04)

Setup Instructions

The Cypher.V replacement cable features two different sized 3.5mm connectors for proper connection.

1. **Identify Connectors:** Locate the 5-pole 3.5mm connector and the 4-pole 3.5mm connector on the cable. The 5-pole connector typically has an extra band compared to the 4-pole connector.
2. **Connect to Headset:** Insert the 5-pole 3.5mm connector into the audio input port on your Astro gaming headset (A10, A30, A40, A40TR, or A50). Ensure it is fully seated.
3. **Connect to Device:** Insert the 4-pole 3.5mm connector into the audio output port of your desired device (e.g., Xbox-One controller, PS4 controller, PC, tablet, laptop, smartphone).
4. **Verify Connection:** Once both ends are connected, the cable is ready for use.

Operating Instructions

Volume Control

The cable features an in-line volume control wheel. To adjust the audio volume:

- Locate the small roller wheel on the cable's in-line control module.
- Roll the wheel upwards to increase the volume.
- Roll the wheel downwards to decrease the volume.

Figure 4: In-line volume control wheel for easy audio adjustment.

Maintenance and Care

To ensure the longevity and optimal performance of your Cypher.V replacement cable, follow these care guidelines:

- **Avoid Sharp Bends:** Do not bend the cable sharply or tightly, especially near the connectors, as this can damage the internal wiring.
- **Proper Storage:** When not in use, coil the cable loosely. Avoid tangling or knotting the cable.
- **Clean Connectors:** Periodically inspect the 3.5mm connectors for dust or debris. If necessary, gently clean them with a dry, soft cloth.
- **Handle with Care:** Always pull the cable by the connector housing, not by the cable itself, when disconnecting from devices or headsets.

Figure 5: The cable's design promotes tangle-free use and durability.

Troubleshooting

If you encounter issues with your Cypher.V replacement cable, refer to the following common problems and solutions:

- **No Audio or Intermittent Sound:**
  - Ensure both 3.5mm connectors are fully inserted into the headset and the device.
  - Verify that the 5-pole connector is in the headset and the 4-pole connector is in the device. Incorrect connection can lead to audio issues.
  - Check the volume control wheel on the cable and the device's volume settings to ensure they are not set to minimum or muted.
  - Test the cable with another compatible device or headset to determine if the issue is with the cable or the connected equipment.
- **Microphone Not Working:**

- Ensure the 4-pole connector is correctly inserted into a device that supports microphone input (e.g., a controller or PC with a combined audio/mic jack).
- Check your device's audio settings to ensure the correct input device (microphone) is selected and not muted.

- **Poor Sound Quality (Static, Distortion):**
  - Ensure connectors are clean and free of debris.
  - Avoid placing the cable near sources of electromagnetic interference.
  - Test with another cable if possible to rule out issues with the headset or device.

Specifications

Brand	Cypher.V
Model	A-04
Cable Type	AUX
Connector Type	3.5mm Auxiliary (Male-to-Male)
Connector Poles	One 4-pole, One 5-pole
Cable Length	2 Meters (6.5 Feet)
Special Feature	In-line Volume Control, Tangle-Free Design
Compatible Devices	Astro A10/A30/A40/A40TR/A50 Headsets, PC, Xbox, PS4, Tablets, Laptops, Smartphones
Material	No-Oxygen Copper Core, Plastic Outer Material
Color	Black
UPC	766674014735
