JJC JN-62X40 (Small)

JJC Deluxe Small Lens Case Bag Instruction Manual

Model: JN-62X40 (Small)

INTRODUCTION

This instruction manual provides essential information for the proper use and care of your JJC Deluxe Small Lens Case Bag. Designed to protect your valuable camera lenses, this case offers durability and convenience for photographers on the go.

PRODUCT FEATURES

- **Material:** Constructed from 5mm thick high-quality neoprene for robust protection against moisture, sand, dust, and dirt.
- **Protection:** Designed to tightly wrap the lens, preventing scratches and impacts.
- **Secure Closure:** Features a precise hook and loop closure to prevent the lens from falling out.
- **Portability:** Includes a carabiner for convenient attachment to backpacks or belts, or for storage within a camera bag.
- **Compatibility:** Fits lenses with dimensions below 2.44" x 1.57" (62x40mm), such as Canon EF-M 22mm f2 STM, Sony E PZ 16-50mm f3.5-5.6 OSS, and Fujifilm XF 27mm F2.8. *Note: Not compatible with Nikon Nikkor Z DX 16-50mm F3.5-6.3 VR.*

SETUP AND USAGE

Inserting Your Lens

To insert your lens, open the hook and loop closure. Carefully place your lens inside the case, ensuring it fits snugly. Close the flap securely using the hook and loop fastener.

Carrying Options

The lens case is designed for versatile carrying. You can:

- **Attach to a Belt:** Use the included carabiner to clip the case onto your belt for easy access.
- **Attach to a Backpack:** Secure the case to a backpack strap or loop using the carabiner.
- **Store in a Camera Bag:** The compact design allows for efficient storage within a larger camera bag, providing an extra layer of protection.

Comes with a carabiner for easy carrying

MAINTENANCE

To ensure the longevity and effectiveness of your JJC lens case, follow these maintenance guidelines:

- **Cleaning:** Wipe the exterior with a damp cloth and mild soap if necessary. Avoid harsh chemicals.
- **Drying:** Allow the case to air dry completely before storing a lens inside, especially if it has been exposed to moisture.
- **Storage:** Store the case in a cool, dry place when not in use.

Soft, elastic, and durable neoprene lens case provides your lens with safe protection

TROUBLESHOOTING

If you encounter issues with your lens case, consider the following:

- **Lens Fit:** Ensure your lens dimensions are within the specified limits (below 2.44"x1.57" or 62x40mm). If your lens is larger, it may not fit securely or could damage the case.
- **Closure Issues:** If the hook and loop closure is not securing properly, check for any debris or wear. Clean as per maintenance instructions.

SPECIFICATIONS

Model	JN-62X40 (Small)
Material	5mm Neoprene
