Poeroa B098JCV2GH

Poeroa Digital Alarm Clock User Manual

Model: B098JCV2GH

PRODUCT OVERVIEW

The Poeroa Digital Alarm Clock features a 7-inch LED mirrored display, dual USB charging ports, and adjustable brightness with an auto-dimming function. Its modern design allows for versatile placement as a desk or wall clock, making it suitable for various rooms including bedrooms, living rooms, and offices.

PACKAGE CONTENTS

Please ensure all items listed below are included in your package:

- 1 x Digital Alarm Clock
- 1 x Power Adapter
- 1 x USB Charging Cable
- 1 x Product Manual
- 1 x CR2016 Battery (for power-off memory)

1 X Digital Alarm Clock

1 X Packing box

1 X Power Adapter

1 X CR2016 Battery

1 X User Manual

1 X USB Power Cable

Image: A visual representation of the Poeroa Digital Alarm Clock package contents, including the clock itself, its packaging box, power adapter, CR2016 battery, user manual, and USB charging cable.

SETUP

- 1. Unpacking:** Carefully remove all components from the packaging.
- 2. Protective Film Removal:** Before first use, gently peel off the protective film from the mirrored display for optimal clarity.

Please remember to remove the protective film from the screen before use for better display.

Image: A close-up showing a hand peeling off the protective film from the mirrored surface of the digital alarm clock, with a label indicating "TEAR OFF PROTECTIVE FILM FROM HERE".

3. **Power Connection:** Connect the USB charging cable to the clock and then to the provided power adapter. Plug the adapter into a standard wall outlet. The clock requires continuous power to display the time.
4. **Battery Installation (Power-Off Memory):** The included CR2016 battery is for power-off memory only. It ensures that your alarm settings and time are retained in case of a power disconnection, but it does not power the display.
5. **Placement:**
 - **Desk/Tabletop Use:** Attach the detachable base to the clock for stable placement on a desk, bedside table, or dressing table.
 - **Wall Mount:** If desired, remove the base. The clock features a hanging hole on the back for wall mounting in bedrooms, offices, living rooms, or kitchens.

Poeroa LED Mirror Digital Alarm Clock

11 Color Modes

Mirror Surface

2 USB Charging Port

6 Levels Brightness

Auto Dimming

12/24H Mode

Snooze Mode

Icons indicate features like 11 color modes, mirror surface, 2 USB charging ports, 6 levels brightness, auto dimming, 12/24H mode, snooze mode, and night mode.

OPERATING INSTRUCTIONS

Time and Alarm Setting

The control buttons for setting time and alarm are located on the side of the clock. Refer to the included product manual for detailed step-by-step instructions on setting the time (12/24H mode) and alarm.

Brightness Adjustment

The LED display offers three levels of brightness (low, medium, high) which can be manually adjusted. The clock is also equipped with a photosensitive sensor that automatically adjusts brightness based on ambient light, ensuring optimal visibility without being overly bright, especially at night.

3 Levels Brightness

Automatic/Manual Adjustment

L1

L2

L3

Snooze Function

The snooze button is conveniently located on the top of the clock. Pressing it will activate the snooze mode, allowing for an

additional 5 to 60 minutes of sleep time (adjustable). This feature is designed for easy access without needing to fully open your eyes.

Snooze Mode

5-60 minueg of snooze time for you to set freely

Press the big snooze button but don't need to open your eyes

Image: A person's hand reaching to press the large snooze button on top of the digital alarm clock, which is placed on a bedside table. The display shows "7:30".

Night Mode

The night mode automatically sets the LED display to its lowest brightness during nighttime hours, preventing it from disturbing

your sleep while still allowing you to check the time.

Dual USB Charging Ports

The clock is equipped with two USB ports (DC-5V/1A) on its side, allowing you to charge your mobile phone, tablet, or other USB-powered devices simultaneously.

Dual USB Charger Ports

Can charge 2 devices at the same time.

Mirror Functionality

Beyond time display, the unique acrylic mirror technology allows the clock's surface to function as a dressing mirror, adding a fashionable and practical element to your space.

7 Inch LED Mirror Display

Can be used as makeup mirror in daily life.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the mirrored surface and the body of the clock. Avoid abrasive cleaners or solvents that may damage the finish.
- **Power:** Ensure the clock is always connected to a stable power source for continuous operation.
- **Battery Replacement:** The CR2016 battery for power-off memory should be replaced periodically (e.g., every 1-2 years) to ensure data retention during power outages.
- **Avoid Extreme Conditions:** Do not expose the clock to extreme temperatures, direct sunlight for prolonged periods, or high humidity.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Display is blank or not showing time.	Not connected to power, or power outage.	Ensure the power adapter is securely plugged into the clock and a working wall outlet. Check the power supply.
Time/Alarm settings are lost after power disconnection.	CR2016 battery is dead or not installed.	Replace the CR2016 battery. Ensure it is correctly installed.
Display is too bright or too dim.	Brightness settings need adjustment.	Manually adjust the brightness using the side buttons. Ensure the protective film is removed.
USB charging ports are not working.	Device incompatibility or power issue.	Ensure the clock is powered on. Try a different USB cable or device to confirm functionality.

SPECIFICATIONS

- **Brand:** Poeroa
- **Model:** B098JCV2GH
- **Color:** Rose Gold
- **Display Type:** Digital LED
- **Special Features:** Adjustable Brightness, Auto Dimmable, Dual USB Charging Ports, Night Mode, Snooze Function, Mirror Surface
- **Product Dimensions:** 6.2" (W) x 3.1" (H)
- **Power Source:** Corded Electric (DC-5V/1A USB power supply)
- **Battery (for memory):** 1 x CR2016 (included)
- **Material:** Plastic (Acrylonitrile Butadiene Styrene frame)
- **Mounting Type:** Wall Mount, Tabletop
- **Item Weight:** Approximately 6.7 ounces
- **Operation Mode:** Electrical
