DJECO Lovely Pets Sticker Mosaic Craft Kit Instruction Manual

Introduction

The DJECO Lovely Pets Sticker Mosaic Craft Kit provides an engaging activity for children aged 5 and above to create vibrant, sparkling pet portraits. This kit encourages creativity and helps develop essential skills through a simple, number-matching sticker process.

Children can choose from various pet designs, applying glittery foam stickers to pre-illustrated cards to bring their animal friends to life. This activity is designed to enhance fine motor skills, hand-eye coordination, color recognition, and problem-solving abilities.

Operating Instructions: Creating Your Mosaic

Follow these steps to create your sparkling pet mosaics:

1. **Select a Card:** Choose one of the four illustrated pet cards you wish to decorate.
2. **Identify Numbered Sections:** Observe the chosen card. You will notice various sections marked with numbers. These numbers correspond to specific colors of glitter stickers.
3. **Match Stickers:** Refer to the instruction booklet or the sticker sheets to identify which color of glitter foam corresponds to each number.
4. **Peel and Place:** Carefully peel a glitter sticker piece from its sheet. Align it with the corresponding numbered section on your illustrated card and gently press it into place. Ensure the sticker is flat and securely adhered.
5. **Continue the Process:** Repeat step 4, matching each numbered section with the correct glitter sticker, until your pet mosaic is fully covered and complete.
6. **Display Your Art:** Once finished, your sparkling pet mosaic is ready to be displayed.

Maintenance

- **Storage:** Store any unused glitter sticker sheets and illustrated cards in their original packaging or a dry, cool place to prevent damage, bending, or loss of adhesive quality.
- **Finished Mosaics:** To preserve the vibrancy and adhesion of your completed mosaics, keep them away from direct sunlight, excessive heat, and moisture.

Troubleshooting

- **Stickers Not Adhering:** Ensure the surface of the illustrated card is clean and dry before applying stickers. Press firmly on each sticker after placement to ensure good contact.
- **Missing Components:** If you believe any essential components are missing from your kit, please check all packaging thoroughly. If items are still missing, contact DJECO customer service or the retailer where the product was purchased.
