Maintenance

To ensure the longevity and appearance of your HOMCOM Kids Desk, follow these maintenance guidelines:

- Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, which can damage the MDF and pine finish.
- Spills:** Clean up spills immediately to prevent staining or damage to the wood and MDF.
- Protection:** Use placemats or coasters to protect the desktop from heat, moisture, and scratches.
- Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability.
- Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the materials.

Troubleshooting

If you encounter any issues with your desk, refer to the following common troubleshooting tips:

- **Wobbly Desk:** Ensure all leg attachment screws are fully tightened. Check that the desk is placed on a level surface. If the floor is uneven, use furniture pads under the legs to stabilize.
- **Drawers Not Sliding Smoothly:** Check that the drawer slides are correctly installed and aligned. Ensure no debris is obstructing the slides. Lubricate with a silicone-based spray if necessary.
- **Missing Parts:** Double-check the packaging and assembly area. If parts are genuinely missing, contact HOMCOM customer support with your model number and a description of the missing part.
