SETUP AND ADJUSTMENT

Follow these steps to properly set up and adjust your Dominix Deluxe Strap-On Harness for a secure and comfortable fit.

1. **Unpack the Harness:** Carefully remove the harness from its packaging. Inspect all components for any signs of damage.
2. **Adjust Waist Straps:** The harness features buckle fastenings at the waist. Adjust these straps to achieve a snug yet comfortable fit around your waist. The waist adjusts between 34 and 46 inches.

4. **Attach Dildo:** The harness includes an adjustable O-ring. Insert the base of your chosen dildo through the O-ring. The O-ring is adjustable from 1.5 to 2.4 inches to accommodate various dildo sizes, including suction cup dildos, anal dildos, and vibrator dildos. Ensure the dildo is firmly secured.

OPERATING INSTRUCTIONS

The Lovehoney Dominix Deluxe Strap-On Harness is designed for ease of use once properly fitted. Ensure the harness is securely fastened and the chosen dildo is firmly attached to the O-ring before engaging in activity. The adjustable nature of the harness allows for a personalized fit, enhancing comfort and stability during use.

Always prioritize comfort and communication with your partner during use. If any discomfort arises, readjust the harness or discontinue use.

MAINTENANCE AND CARE

Proper care will extend the life of your Lovehoney Dominix Deluxe Strap-On Harness. This product is made of leather and requires specific cleaning methods.

- **Cleaning:** The manufacturer specifies "Hand Wash Only" for this leather harness.
- **Leather Care:**

- Wipe the leather surfaces with a damp cloth and a mild soap solution. Avoid harsh chemicals or abrasive cleaners.
- Do not submerge the harness in water.
- After cleaning, wipe thoroughly with a clean, dry cloth.
- Allow the harness to air dry completely before storing. Do not expose to direct sunlight or high heat.
- Periodically condition the leather with a leather conditioner to keep it supple and prevent cracking.
- **Storage:** Store the harness in a clean, dry place away from extreme temperatures and direct sunlight.

TROUBLESHOOTING

If you encounter issues with your Lovehoney Dominix Deluxe Strap-On Harness, consider the following common solutions:

- **Harness feels too loose or too tight:** Re-adjust the buckle fastenings on both the waist and thigh straps. Ensure the harness is snug but not restrictive. Refer to the "Setup and Adjustment" section for guidance on waist (34-46 inches) and thigh (23-31 inches) ranges.
- **Dildo is not secure in the O-ring:** Check that the O-ring is properly adjusted to the base of your dildo. The O-ring is adjustable from 1.5 to 2.4 inches. Ensure the dildo's base is compatible with this range and is inserted firmly.
- **Discomfort during use:** Immediately cease use and re-evaluate the fit. Ensure no straps are pinching or rubbing uncomfortably. The harness should allow for comfortable movement.
