PHI VILLA B098WMYHF3

PHI VILLA 7 PCS Patio Dining Set User Manual

Model: B098WMYHF3

Introduction

Thank you for choosing the PHI VILLA 7 PCS Patio Dining Set. This manual provides essential information for the proper assembly, operation, maintenance, and care of your new outdoor furniture set. Please read this manual thoroughly before assembly and retain it for future reference.

Safety Information

WARNING:

- This product has a maximum weight capacity of 300 lbs per chair. Do not exceed this limit.
- Always assemble according to the instructions provided to ensure stability and safety.
- For outdoor use, keep the product clean and dry when not in use to prevent damage from weather conditions.
- Keep away from children when assembling or disassembling to prevent injury.
- Ensure all bolts and nuts are securely tightened before use and periodically check for looseness.

Product Features

The PHI VILLA 7 PCS Patio Dining Set is designed for comfort and durability, featuring:

- **High Quality Construction:** The table and chair frames are made of high-quality metal material, e-coated with anti-rust paint for weather resistance and long-term outdoor use. Each chair holds up to 300 pounds.
- **Padded Back & Seat Design:** Breathable textilene fabric padded with fast-dry foam on wide seats and high backs ensures comfort and quick drying after outdoor activities.
- **360-Degree Swivel Chairs:** Chairs support 360-degree rotation and gentle rocking, facilitating easy conversation and relaxation.
- **Large Patio Dining Table:** A spacious 60"L x 38"W x 28"H black metal table, suitable for family dinners or parties, includes a 1.57" umbrella hole for added convenience.

- **Ergonomic Design:** High back design helps relieve neck pressure, conforms to the thoracic curve, and provides support for the lumbar vertebrae.

Setup and Assembly

Assembly of the PHI VILLA Patio Dining Set requires two adults and approximately 60-90 minutes. Please ensure all parts are present before beginning assembly. Refer to the included hardware pack and assembly diagrams for detailed steps.

1. Unpack all components and lay them out on a soft, clean surface to prevent scratches.
2. Identify all hardware and components against the parts list provided in the packaging.

3. Begin by assembling the table frame, ensuring all connections are finger-tight before fully tightening.
4. Attach the table top to the assembled frame.
5. Proceed to assemble each chair, following the specific instructions for attaching the seat, back, and base.
6. Once all components are assembled, carefully tighten all bolts and nuts using the provided tools. Do not overtighten.
7. Place the set on a flat, stable surface and ensure it is level before use.

Operating Instructions

Your PHI VILLA Patio Dining Set is designed for straightforward use:

- **Chair Swivel Function:** The chairs feature a 360-degree swivel mechanism. Simply rotate the seat to face any direction.
- **Chair Rocking Function:** The chairs also allow for gentle rocking. Lean back slightly to engage the rocking motion.
- **Umbrella Hole:** The dining table includes a central hole for a patio umbrella. Insert your umbrella pole and secure it as per your umbrella's instructions. The hole size is 1.57 inches.
- **Weight Capacity:** Each chair is designed to support up to 300 lbs. Do not exceed this weight limit to ensure safety and product longevity.

Maintenance

Proper maintenance will extend the life and appearance of your PHI VILLA Patio Dining Set:

- **Cleaning:** Wipe with a dry cloth. For deeper cleaning, use a mild soap and water solution. Rinse thoroughly and dry completely to prevent water spots and corrosion.
- **Fabric Care:** The textilene fabric is designed to be quick-drying. For spills, blot immediately with a clean cloth.
- **Frame Care:** The e-coated metal frame is rust-resistant. However, inspect regularly for any signs of wear or damage to the coating. Touch up any chips or scratches with appropriate outdoor metal paint to prevent rust.
- **Winter Storage:** During off-season or harsh weather, it is recommended to cover the furniture or store it indoors in a dry place to protect it from extreme temperatures and moisture.
- **Hardware Check:** Periodically check all bolts and nuts to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.

Troubleshooting

If you encounter any issues with your PHI VILLA Patio Dining Set, please refer to the following common solutions:

Problem	Possible Cause	Solution
Wobbly Table/Chairs	Loose bolts or uneven surface.	Check and tighten all assembly bolts. Move the furniture to a level surface.
Chair Swivel/Rocking is Stiff	Accumulation of dirt or lack of lubrication.	Clean the swivel mechanism. Apply a silicone-based lubricant to moving parts if necessary.

Problem	Possible Cause	Solution
Rust Spots on Frame	Damage to the e-coating or prolonged exposure to moisture.	Clean the affected area, sand lightly, and apply rust-inhibiting primer and outdoor metal paint. Ensure furniture is dry when not in use.
