2. SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- Always assemble the table according to the instructions provided.
- Do not exceed the maximum weight recommendation of 176 pounds (80 kg).
- Be cautious when using an umbrella to prevent tipping. Ensure the umbrella is properly secured in a stable base (not included).
- Keep the table on a stable, level surface and away from high-traffic areas to avoid accidental bumps.
- Regularly inspect all bolts and connections to ensure they remain tight.

3. PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. The package should contain:

- Assembly Guide
- Table legs (4 pieces)
- Toughened glass table top (1 piece)
- Two iron rings (for leg support)
- Screws and necessary hardware

4. SETUP AND ASSEMBLY

Assembly of the FDW Patio Dining Table is designed to be straightforward. It is recommended that **one person** perform the assembly. A **screwdriver** is the primary tool required.

1. Unpack all components and lay them out on a soft, clean surface to prevent scratches.
2. Attach the table legs to the iron rings using the provided screws. Ensure all connections are secure but do not fully tighten yet.
3. Carefully place the toughened glass table top onto the assembled leg structure. Align the holes in the glass with the leg frame.
4. Secure the glass top to the frame using the remaining screws. Once all screws are in place, gradually tighten all screws evenly until the table is stable.
5. Verify the table is stable and all parts are securely fastened before use.

5. OPERATING INSTRUCTIONS

This table is designed for dining and general outdoor use. It features a central umbrella hole for added convenience.

5.1. Umbrella Hole Usage

The table includes a 2.36-inch diameter umbrella hole. To use, remove the protective cap from the center of the table. Insert your patio umbrella pole through the hole. Ensure the umbrella is properly secured in a heavy-duty umbrella base (sold separately) to prevent tipping, especially in windy conditions.

6. MAINTENANCE AND CARE

Proper maintenance will extend the life and appearance of your patio dining table.

- **Cleaning:** The tempered glass surface is easy to clean. Simply wipe with a damp cloth to remove stains, grease, or coffee spills. Avoid abrasive cleaners that could scratch the glass or damage the frame's finish.
- **Frame Care:** The powder-coated alloy steel frame is resistant to rust. However, regular cleaning and inspection for any chips or scratches in the coating can help prevent corrosion. Touch up any damaged areas promptly.
- **Storage:** During harsh weather conditions or off-season, it is recommended to cover the table or store it indoors to protect it from extreme elements.

DURABLE AND STRONG SUPPORT

7. TROUBLESHOOTING

If you encounter any issues with your FDW Patio Dining Table, please refer to the following common solutions:

- **Table Wobbles:** Ensure all screws are fully and evenly tightened. Check that the table is placed on a flat, level surface. Adjust leg levelers if present.
- **Difficulty Assembling:** Review the assembly guide carefully. Ensure all parts are oriented correctly. Do not overtighten screws until all components are loosely fitted, then tighten gradually.
- **Rust Spots:** While the frame is powder-coated for rust resistance, prolonged exposure to moisture or damage to the coating can lead to rust. Clean any rust spots with a mild abrasive and apply a rust-inhibiting paint or sealant.
