- Warranty & Support

1. INTRODUCTION

The Zinus Lorelai 31 cm Metal Platform Bed Frame is designed for durability and minimalist style, seamlessly integrating into any room. Its robust steel structure and metal slats provide firm support for various mattress types, including latex, spring, or memory foam. This bed frame also offers significant under-bed storage space, making it a practical and economical choice for your bedroom.

2. SETUP AND ASSEMBLY

The Zinus Lorelai bed frame is designed for easy and quick assembly. All necessary parts, tools, and instructions are efficiently packaged and shipped directly to you. Assembly typically takes less than an hour with the assistance of another person.

2.1 Unpacking and Part Identification

Carefully unpack all components from the box. Verify that all parts listed in the instruction manual are present. Each part is coded for easy identification during assembly.

Figure 2: Overview of sustainable packaging and the "Easy as 1, 2, 3" assembly process, highlighting quick setup and numbered parts.

Figure 3: Illustration showing all bed frame components neatly packed in a single box, ready for assembly.

2.2 Assembly Steps

1. Begin by connecting the main frame sections. Ensure all connections are aligned before tightening any bolts.
2. Insert the metal support slats into their designated slots. These slats are designed to provide robust support for your mattress.

Figure 4: A hand demonstrating the insertion of a metal slat into the bed frame's side rail, illustrating the simple slot-in mechanism.

3. Secure all bolts using the provided tool. Ensure all connections are tight to guarantee stability and prevent wobbling.

Figure 5: A close-up of a hand using a wrench to tighten a bolt on the bed frame, emphasizing the importance of secure connections for stability.

4. Once assembled, the frame should be sturdy and ready for your mattress.

3. OPERATION AND FEATURES

The Zinus Lorelai bed frame is designed for straightforward use and offers practical features to enhance your living space.

3.1 Mattress Support

The integrated metal slat system is engineered to provide optimal support for your mattress, extending its lifespan and ensuring a comfortable sleep surface. It is suitable for latex, memory foam, and spring mattresses.

Figure 7: A close-up view of the durable metal slats, designed to provide strong and consistent support for your mattress.

3.2 Under-Bed Storage

With a 31 cm platform height, the bed frame provides 28 cm of clearance underneath, offering ample space for storage. This is ideal for keeping boxes, seasonal items, or other belongings neatly out of sight, maximizing your room's utility.

Figure 8: The Zinus Lorelai bed frame with storage boxes placed in the under-bed space, demonstrating its practical storage capability.

Figure 9: A detailed view of the under-bed storage area, showing how storage boxes fit perfectly within the available clearance.

4. MAINTENANCE

To ensure the longevity and optimal performance of your Zinus Lorelai bed frame, follow these simple maintenance guidelines:

- **Regular Cleaning:** Wipe down the metal frame with a soft, damp cloth to remove dust and dirt. Avoid abrasive cleaners or harsh chemicals, as they may damage the finish.
- **Check Connections:** Periodically inspect all bolts and connections to ensure they remain tight. Re-tighten any loose fasteners to maintain the frame's stability and prevent squeaking.
- **Avoid Excessive Weight:** Adhere to the recommended weight limits for the bed frame. For the 80 x 190 cm size, the maximum weight capacity is 159 kg (350 lbs). All other sizes can support up to 318 kg (700 lbs).
- **Protect from Moisture:** While the metal is durable, prolonged exposure to excessive moisture can lead to rust. Ensure the bed frame is used in a dry environment.

5. TROUBLESHOOTING

If you encounter any issues with your Zinus Lorelai bed frame, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Squeaking or Noise	Loose bolts or connections.	Inspect all bolts and re-tighten them securely. Ensure all frame components are properly seated.
Frame Wobbles	Uneven assembly or loose connections.	Verify that all parts are correctly assembled according to the instructions. Check and tighten all bolts. Ensure the bed is on a level surface.
Mattress Sags Between Slats	Mattress not compatible with slat spacing or insufficient mattress thickness.	Ensure your mattress is at least 20 cm thick. If sagging persists, consider adding a bunkie board or plywood sheet between the mattress and slats for additional support.
Missing Parts	Packaging error.	Contact Zinus customer support immediately with your purchase details to request replacement parts.

6. SPECIFICATIONS

Detailed specifications for the Zinus Lorelai 31 cm Metal Platform Bed Frame (80 x 190 cm model):

- **Brand:** Zinus
- **Model Number:** EU-SMPB-12I
- **Color:** Black
