6.2 Cleaning

Regularly clean the exterior of the printer with a soft, lint-free cloth. For print quality issues, refer to the HP Smart App or online support for printhead cleaning procedures.

7. TROUBLESHOOTING

If you encounter issues with your printer, try the following basic troubleshooting steps:

- **Connectivity Issues:** Ensure your printer is connected to the correct Wi-Fi network. Restart your router and printer.
- **Print Quality:** Check ink levels and replace cartridges if necessary. Run a printhead cleaning cycle from the HP Smart App or printer settings.
- **Paper Jams:** Follow the instructions in the HP Smart App or the printer's display to clear any paper jams.
- **General Problems:** Restart the printer. Ensure all cables are securely connected.

For more detailed troubleshooting, visit the official HP support website or consult the HP Smart App.
