Instruction Manual

Lexibook JC598FZi5 Disney Frozen 2-Educational and Bilingual Laptop

Model: JC598FZi5 | Brand: LEXiBOOK

1. Product Overview

The Lexibook JC598FZi5 Disney Frozen 2-Educational and Bilingual Laptop is designed to provide an engaging learning experience for children. This interactive toy features 124 activities across various subjects, including Italian and English language learning, mathematics, typing, general knowledge, logic, music, and clock reading. Its design is inspired by real laptops, complete with a realistic mouse and keyboard, making it intuitive for young users.

The laptop aims to test and improve knowledge through fun activities with different levels, and includes games to enhance logic, memory, and speed. Musical activities introduce basic music concepts, while the LCD screen displays animations to keep children entertained.

2. Safety Information

This product is recommended for ages 3 years and up. Please ensure adult supervision during use, especially for younger children. Keep the device away from water and extreme temperatures. Regularly inspect the product for any damage to the casing, screen, or accessories. If damage is found, discontinue use and contact customer support.
For battery safety, always use the recommended battery type and ensure correct polarity. Do not mix old and new batteries, or different types of batteries. Remove batteries if the product is not used for an extended period.

3. Setup

3.1 Battery Installation

1. Locate the battery compartment on the underside of the laptop.
2. Using a screwdriver, open the battery compartment cover.

3. Insert the required batteries (e.g., 3 x AA batteries, not included) ensuring correct polarity (+/-).
4. Replace the battery compartment cover and secure it with the screw.

4. Operating Instructions

4.1 Powering On/Off

To turn on the laptop, press the **ON/OFF** button located on the keyboard. To turn it off, press the same button again.

4.2 Navigating Activities

The laptop offers 124 activities categorized for easy selection. Use the keyboard or the connected mouse to navigate through the menus and select your desired activity.

- **Educational Activities:** Explore subjects like Italian and English language, mathematics (4 operations), dactylography (typing), general knowledge, logic, music, and clock reading.
- **Knowledge Testing:** Engage in fun activities with varying difficulty levels designed to test and improve learned knowledge.
- **Games:** Play games that challenge logic, memory, and speed.
- **Music & Melodies:** Discover musical activities for an introduction to music, including learning notes, composing, and playing melodies.

5. Maintenance

- Clean the laptop surface with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Avoid exposing the laptop to direct sunlight or heat sources.

- Store the laptop in a cool, dry place when not in use.
- If the screen becomes dirty, gently wipe it with a microfiber cloth.

6. Troubleshooting

Problem	Possible Cause	Solution
Laptop does not turn on.	Batteries are low or incorrectly installed.	Check battery polarity, replace with fresh batteries.
Screen is blank or flickering.	Low battery power; internal connection issue.	Replace batteries. If problem persists, contact customer support.
Mouse is not responding.	Mouse not properly connected.	Ensure the mouse connector is fully inserted into the port.
Sound is distorted or absent.	Volume too low; internal speaker issue.	Adjust volume using the dedicated buttons. If still an issue, contact support.
