Evolur Loft Antilia 4-in-1 Convertible Full-Size Baby Crib Instruction Manual

Model: 930

1. SAFETY INFORMATION

Please read all instructions carefully before assembly and use of the Evolur Loft Antilia 4-in-1 Convertible Full-Size Baby Crib. Keep this manual for future reference.

Important Safety Warnings:

- Always ensure all bolts and fasteners are securely tightened. Periodically check for loose hardware.
- Do not use this crib if any parts are missing, damaged, or broken. Contact Evolur customer service for replacement parts.
- The mattress support must be adjusted to the lowest position once your child can pull themselves to a standing position.
- Do not place the crib near windows where cords from blinds or drapes could strangle a child.
- Do not use a mattress thicker than 6 inches (15 cm) with this crib.
- This product is GreenGuard Gold certified, meaning it has been rigorously tested for thousands of chemicals and VOCs to ensure a healthier sleep environment.
- This product is JPMA (Juvenile Products Manufacturers Association) certified and built to meet or exceed safety standards set by the CPSC (Consumer Product Safety Commission) and ASTM (American Society for Testing and Materials).
- **Proposition 65 Warning:** This product can expose you to chemicals including formaldehyde, which is known to the State of California to cause cancer or birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

2. PRODUCT OVERVIEW

The Evolur Loft Antilia 4-in-1 Convertible Full-Size Baby Crib is designed to adapt to your child's growth, transitioning from a crib to a daybed, toddler bed, and full-size bed. Crafted from solid poplar wood and fine veneers, it features a modern Scandinavian design with a Vanilla Bean finish.

Key Features:

- **4-in-1 Convertibility:** Easily converts from a crib to a daybed, toddler bed, and full-size bed (conversion kits sold separately).
- **Adjustable Mattress Height:** Features 3 adjustable mattress height positions to accommodate your child's developmental stages.
- **Durable Construction:** Made from solid poplar wood and fine veneers for lasting stability.
- **Safety Certified:** GreenGuard Gold and JPMA certified, meeting high safety standards.

Product Dimensions and Weight:

- **Dimensions:** 55.5" L x 30.75" W x 46" H
- **Item Weight:** Approximately 101.8 lbs
- **Maximum Weight Recommendation:** 85 lbs
- **Maximum Height Recommendation:** 46 inches

3. SETUP AND ASSEMBLY

Assembly of the Evolur Loft Antilia crib is required. Please follow the detailed instructions provided in the separate assembly guide included with your product. Ensure all components are present before beginning assembly.

General Assembly Tips:

- Unpack all parts and hardware. Verify against the parts list in your assembly guide.
- Assemble the crib on a soft, clean surface to prevent scratching.
- Use appropriate tools as specified in the assembly guide. A power drill with appropriate bits can expedite assembly, but exercise caution to avoid overtightening.
- When tightening fasteners, ensure they are snug but do not overtighten, which can damage the wood.
- Pay close attention to the orientation of parts as shown in the diagrams.
- After assembly, ensure the mattress support is level and all connections are secure.

4. OPERATING INSTRUCTIONS

Adjusting Mattress Height:

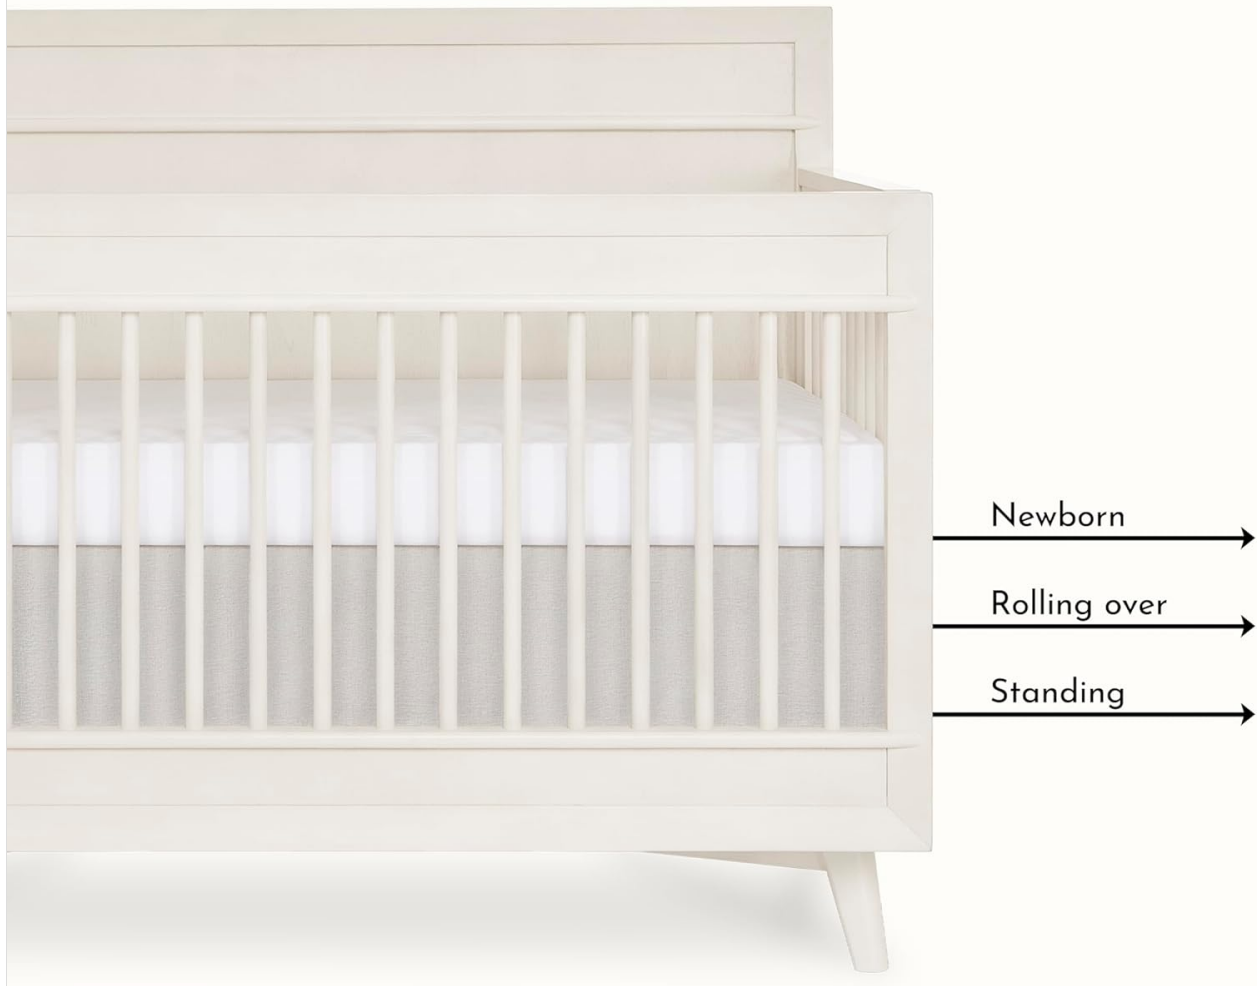

The Evolur Loft Antilia crib offers three adjustable mattress height positions to ensure safety and convenience as your child grows.

1. **Highest Position:** For newborns and infants who cannot push up on their hands and knees. This position allows easier access to your baby.
2. **Middle Position:** For infants who can push up on their hands and knees, but cannot yet pull themselves to a standing position.
3. **Lowest Position:** For toddlers who can pull themselves to a standing position. This is the safest position to prevent your child from climbing out of the crib.

To adjust the mattress height, carefully remove the mattress and mattress support. Realign the mattress support to the desired height setting and secure it with the provided hardware, ensuring all fasteners are tight.

Enjoy every milestone

3 adjustable mattress height positions

Converting the Crib:

The Antilia crib can be converted into a daybed, toddler bed, and full-size bed. Conversion kits for the toddler bed (universal toddler guardrail) and full-size bed (universal full-size bed rails) are sold separately. Refer to the specific conversion kit instructions for detailed steps.

5. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your Evolur Loft Antilia crib.

Cleaning Instructions:

- Wipe surfaces with a dry cloth to remove dust and light dirt.
- For more thorough cleaning, use a soft, damp cloth with mild soap and water. Immediately wipe dry with a clean, soft cloth.
- Avoid using abrasive cleaners, harsh chemicals, or furniture polish that may damage the finish.

General Care:

- Periodically check all screws, bolts, and fasteners to ensure they are tight. Do not overtighten.
- Avoid exposing the crib to extreme temperature changes or direct sunlight, which can cause wood to warp or fade.

- Keep the crib away from heat sources and air conditioning vents.

6. TROUBLESHOOTING

If you encounter any issues with your Evolur Loft Antilia crib, please refer to the following common solutions:

Common Issues and Solutions:

- **Damaged or Chipped Parts Upon Arrival:** If any parts are damaged or have paint imperfections upon unboxing, do not proceed with assembly. Contact Evolur customer support immediately for assistance and replacement parts.
- **Difficulty During Assembly:** Ensure you are following the assembly guide step-by-step. Verify that all parts are correctly oriented. If a specific fastener or part is difficult to install, re-check the alignment of the components. Do not force parts together.
- **Crib Appears Uneven or Wobbly:** Check that all bolts and screws are securely tightened. Ensure the mattress support is correctly seated and level on all four corners. Disassemble and reassemble if necessary, paying close attention to alignment.
- **Missing Hardware:** If any hardware is missing, do not substitute with other parts. Contact Evolur customer support for replacement hardware.
