Evolur 850-SANDO

Evolur Modern Changing Tray Instruction Manual

Model: 850-SANDO

INTRODUCTION

Thank you for choosing the Evolur Modern Changing Tray. This product is designed to provide a secure and convenient space for diaper changing when placed on a compatible dresser. Crafted from durable, baby-safe materials, this changing tray meets high standards for safety and performance. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation.

Important Safety Information

- Always use the changing tray on a stable, flat surface, such as a dresser.
- Never leave a child unattended on the changing tray.
- Ensure the changing pad (sold separately) fits securely within the tray.
- Keep all assembly hardware out of reach of children.
- Regularly check all fasteners to ensure they are tight and secure.
- This product is not a toy. Do not allow children to play with the changing tray.

SETUP AND ASSEMBLY

The Evolur Modern Changing Tray is designed for full assembly. Please follow these general steps. Specific hardware and detailed instructions will be included in the product packaging.

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the included parts list.
2. **Assemble Frame:** Connect the four sides of the changing tray using the provided hardware. Ensure all connections are tight and secure.
3. **Install Dividers (if applicable):** If your model includes internal dividers for storage compartments, install them according to the specific instructions.
4. **Placement:** Position the assembled changing tray securely on top of a compatible dresser, such as the Evolur Antilia Double Dresser (sold separately). Ensure the tray is centered and stable.
5. **Insert Changing Pad:** Place your changing pad (sold separately) inside the tray. The tray is designed to hold the pad securely in place.

Changing tray topper

The perfect functional addition to your double dresser during baby's diaper-changing years

Sufficient storage

Divided compartments seamlessly converts double dresser into a changing station

Changing pad

Pairs perfectly with the evolur contour changing pad

OPERATING INSTRUCTIONS

Once assembled and placed on a stable surface, the Evolur Modern Changing Tray provides a dedicated area for changing your baby.

- **Prepare the Area:** Before placing your baby on the changing pad, ensure all necessary items (diapers, wipes, creams, fresh clothes) are within easy reach but out of your baby's grasp.
- **Secure Placement:** Always ensure the changing tray is firmly seated on the dresser and does not wobble.
- **Supervision:** Maintain constant supervision of your baby while they are on the changing tray. Never turn your back or leave them unattended, even for a moment.
- **Utilize Storage:** The tray's spacious storage compartments can be used to organize changing essentials, keeping them tidy and accessible.

MAINTENANCE

Proper care will extend the life and appearance of your Evolur Modern Changing Tray.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or strong chemicals, as they may damage the non-toxic finish.
- **Inspections:** Periodically inspect the changing tray for any signs of wear, loose fasteners, or damage. Tighten any loose screws immediately.
- **Storage:** If storing the tray for an extended period, ensure it is clean and dry. Store in a cool, dry place away from direct sunlight or extreme temperatures.

TROUBLESHOOTING

If you encounter any issues with your changing tray, please refer to the following common solutions:

- **Wobbling/Instability:** Ensure the changing tray is placed on a completely flat and stable dresser surface. Check all assembly screws and tighten them if loose.
- **Changing Pad Fit:** Verify that your changing pad dimensions are compatible with the tray's internal dimensions. The tray is designed to securely hold a standard changing pad.
- **Missing Parts:** If any parts were missing upon unboxing, please contact Evolur customer support immediately with your product model number and purchase information.
