Setup and Assembly

Assembly of your Lviden patio furniture set is straightforward. Follow these guidelines for a smooth process:

1. **Unpack All Components:** Carefully remove all parts from the boxes and lay them out on a clean, soft surface to prevent scratches. Verify all parts are present against the package contents list.
2. **Initial Fastening:** When assembling, do not tighten each screw completely at the beginning. It is advised to leave each screw slightly loose until all screws are in place for a particular section. This allows for easier alignment of parts.
3. **Final Tightening:** Once all screws are in place and parts are aligned, gradually tighten all screws securely.
4. **Cushion Expansion:** The cushions are vacuum-packed for shipping. Allow several days for them to fully expand to their intended size and plushness.
5. **Adjustable Feet:** The sofa feet are designed to be adjustable. Use these to level the furniture on uneven surfaces.

Important Note: There are three boxes in total, and you may receive them on different days. Please wait for all boxes to arrive before starting assembly.

Operating Instructions

Your Lviden patio furniture set offers versatile arrangements and comfortable outdoor seating.

Modular Design

The 7-piece set features a modular design, allowing you to arrange the individual sofa sections to suit your space and preferences. Use the included furniture clips to connect the sections and prevent them from moving apart, ensuring a stable and cohesive seating arrangement.

Glass Top Coffee Table

The coffee table features a sleek glass tabletop, ideal for placing drinks, snacks, or decorative items. The glass is equipped with silicone suction cups to keep it securely in place and prevent slipping.

Care and Maintenance

Proper care will help maintain the appearance and longevity of your outdoor furniture set.

- **Cleaning Wicker:** The PE wicker can be wiped clean with a dry cloth. For more stubborn dirt, use a mild soap solution and a soft brush, then rinse thoroughly and dry.
- **Cushion Care:** The cushion covers are made from breathable 250G polyester fabric, which is anti-UV and water-repellent. They are designed for easy cleaning. Wipe spills immediately. For deeper cleaning, the covers can be removed and hand-washed or machine-washed on a gentle cycle with cold water. Air dry only.
- **Glass Tabletop:** Clean the glass tabletop with a standard glass cleaner and a soft cloth.
- **Weather Protection:** Cover or store the furniture in inclement weather, especially during heavy rain, snow, or

strong winds, to protect it from damage and extend its lifespan. A waterproof furniture cover is included for this purpose.

TROUBLESHOOTING

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Furniture sections slide apart	Sections are not connected or clips are loose.	Use the provided furniture clips to secure adjacent sections together. Ensure clips are firmly attached.
Cushions appear flat or compressed	Cushions are vacuum-packed for shipping.	Allow several days for cushions to fully expand after unpacking. Gently fluff them to aid in expansion.
Furniture is wobbly or uneven	Uneven ground or feet not properly adjusted.	Adjust the leveling feet on each furniture piece to stabilize it on uneven surfaces. Ensure all assembly screws are tightened.
Water stains on cushions after light rain	Cushions are water-repellent, not fully waterproof.	While water-repellent, cushions should be covered or stored during heavy rain. Wipe off any standing water promptly.
