# TOTO Drake WASHLET+ Toilet System User Manual

Model: MW7763084CEG#01

## INTRODUCTION

---

This manual provides detailed instructions for the proper installation, operation, maintenance, and troubleshooting of your TOTO Drake WASHLET+ Two-Piece Elongated 1.28 GPF TORNADO FLUSH Toilet with C5 Bidet Seat. Please read this manual thoroughly before installation and use to ensure safe and efficient operation.

## IMPORTANT SAFETY INFORMATION

---

Always follow local plumbing and electrical codes. Ensure all connections are secure to prevent leaks. Do not use abrasive cleaners on any part of the unit. Disconnect power before performing any maintenance.

- Read all instructions before use.
- Keep children away from the unit during operation.
- Do not attempt to repair the unit yourself; contact qualified personnel.
- Ensure proper grounding for electrical components.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning installation.

- TOTO Drake Toilet Bowl
- TOTO Drake Toilet Tank
- TOTO WASHLET C5 Bidet Seat
- Hardware for installation
- Toilet bolt caps
- Wireless Remote Control

- Magnetic wall bracket for remote

**Note:**

Additional items needed for installation (wax ring, toilet mounting bolts, and toilet water supply lines) must be purchased separately.

## SETUP AND INSTALLATION

---

This section outlines the general steps for installing your TOTO Drake WASHLET+ toilet system. Professional installation is recommended.

1. **Preparation:** Ensure the water supply is turned off and the old toilet (if any) is removed. Clean the flange area.
2. **Install Wax Ring and Bolts:** Place a new wax ring around the drain opening and position the toilet mounting bolts.
3. **Set Toilet Bowl:** Carefully lower the toilet bowl onto the wax ring and bolts, ensuring it is level. Secure with washers and nuts.
4. **Install Toilet Tank:** Attach the toilet tank to the bowl using the provided hardware. Connect the water supply line to the tank fill valve.
5. **Install WASHLET C5 Bidet Seat:** The WASHLET+ design conceals the power cord and water supply hose for a seamless look. Follow the specific instructions provided with the WASHLET C5 for attachment to the toilet bowl and connection to the water supply and electrical outlet.
6. **Connect Water Supply:** Turn on the main water supply and check for leaks.
7. **Power Connection:** Plug in the WASHLET C5 bidet seat.

# TORNADO FLUSH®

360-degrees of cleaning power  
that reaches every spot

**Figure 1:** Toilet Dimensions. This image illustrates the key dimensions of the TOTO Drake WASHLET+ toilet, including height, width, length, rough-in, and seat height, crucial for proper installation planning.

# CEFIONTECT®

Ceramic glaze minimizes waste from sticking to porous ceramic surfaces

**Figure 2:** WASHLET+ Concealed Connection. This diagram highlights the difference between conventional bidet seat installations and the TOTO WASHLET+ system, which features a concealed supply connection for a cleaner, more integrated appearance.

## OPERATING INSTRUCTIONS

---

### Toilet Operation (TORNADO FLUSH®)

The TORNADO FLUSH® system utilizes a rimless, hole-free design with dual-nozzles to create a powerful centrifugal washing action, efficiently cleaning the bowl surface. Simply press the flush lever to activate.

# WATER SPOT SIZE

A large water spot that reduces the places where waste can cling to the bowl

**Figure 3:** TORNADO FLUSH® in Action. This image demonstrates the powerful 360-degree cleaning power of the TORNADO FLUSH® system, showing water swirling to reach every spot of the toilet bowl.

## **WASHLET C5 Bidet Seat Operation**

The WASHLET C5 offers a range of cleansing and comfort features controlled via the wireless remote.

TOILET TECHNOLOGIES

**Figure 4:** WASHLET C5 Remote Control. This image displays the wireless remote control for the WASHLET C5, detailing the various buttons and their corresponding functions for bidet operation.

## Cleansing Functions:

- **Rear Spray:** For effective rear cleansing.
- **Soft Rear Spray:** A gentle option for rear rinsing.
- **Front Spray:** A soft stream designed for delicate areas.
- **Oscillating Spray:** The wand moves back and forth for wider coverage.
- **Pulsating Spray:** Varies the water pressure for a massage-like effect.

Adjust water temperature and pressure using the remote (five settings each).

**Figure 5:** Adjustable Water Spray & Pressure. This diagram illustrates the various spray options (Rear, Soft Rear, Front, Oscillating, Pulsating) and the adjustable wand feature of the WASHLET C5, allowing users to find their preferred cleansing experience.

### **Comfort Features:**

- **Heated SoftClose Seat:** Provides consistent warmth with five temperature settings. The SoftClose feature ensures the seat closes gently.
- **Air Deodorizer:** Neutralizes bathroom odors using powerful air filters.
- **Warm Air Dryer:** Adjustable warm air dryer with five temperature settings for easy cleanup.

**Figure 6:** WASHLET C5 Comfort Features. This image highlights the heated seat, warm air dryer, and air deodorizer functions of the WASHLET C5, designed to enhance user comfort and hygiene.

## MAINTENANCE AND CLEANING

---

### Toilet Bowl Cleaning:

The TOTO Drake features CEFIONTECT® glaze and PREMIST® technology to minimize waste adhesion and reduce cleaning frequency.

- **CEFIONTECT®:** An ultra-smooth ceramic glaze that prevents waste from sticking to the porous surface.
- **PREMIST®:** Sprays the bowl with water before each use, creating a slick surface to prevent waste buildup.

For regular cleaning, use a soft cloth and a mild, non-abrasive toilet cleaner. Avoid harsh chemicals or abrasive pads, as they can damage the CEFIONTECT® glaze.

# WATER SPOT SIZE

A large water spot that reduces the places where waste can cling to the bowl

**Figure 7:** CEFIONTECT® Technology. This diagram illustrates how the exceptionally smooth CEFIONTECT® ceramic glaze minimizes waste from sticking to the toilet bowl surface, making cleaning easier.

## **WASHLET C5 Bidet Seat Cleaning:**

- **Wand Self-Cleaning:** The wand self-cleans automatically with EWATER+® before and after every use. EWATER+® is electrolyzed water that helps sanitize the wand.
- **Exterior Cleaning:** Wipe the exterior of the WASHLET with a soft, damp cloth and mild soap. Do not use harsh detergents or abrasive cleaners.
- **Filter Cleaning:** Refer to the WASHLET C5 specific manual for instructions on cleaning or replacing the water filter, if applicable.

TOILET TECHNOLOGIES

**Figure 8:** Self-Cleaning Wand with EWATER+ and PREMIST. This image shows the WASHLET C5's self-cleaning wand, which uses EWATER+ for sanitation, and the PREMIST function that mists the bowl before use.

## TROUBLESHOOTING

This section addresses common issues you might encounter. For problems not listed here, contact TOTO customer support.

Problem	Possible Cause	Solution
Toilet not flushing properly.	Low water level in tank; obstruction in trapway.	Check water supply valve; ensure fill valve is working; clear any blockages.
WASHLET functions not working.	No power; remote control battery low; water supply valve closed.	Check power outlet and connection; replace remote batteries; open water supply valve.
Water leaking from base.	Loose bolts; faulty wax ring; cracked porcelain.	Tighten bolts (do not overtighten); replace wax ring; contact professional for porcelain damage.

## PRODUCT SPECIFICATIONS

---

**Model:** MW7763084CEG#01

**Color:** Cotton White

**Product Dimensions (D x W x H):** 28" x 16" x 30"

**Material:** Ceramic, Plastic

**Item Weight:** 89 Pounds
