# Kolo Harrison Premium Reading Glasses User Manual

Classic Round Style, Made in Italy

## 1. INTRODUCTION

Thank you for choosing Kolo Harrison Premium Reading Glasses. These glasses are designed to provide clear vision for reading and close-up tasks, combining classic aesthetics with durable Italian craftsmanship. This manual provides essential information on the features, usage, care, and maintenance of your new reading glasses.

## 2. PRODUCT FEATURES

- **Classic Design:** Features a timeless round frame, thin and lightweight, suitable for various occasions.
- **Premium Italian Craftsmanship:** Manufactured in Northern Italy using high-quality Italian materials, ensuring durability and a refined finish. Hand-finished by skilled artisans.
- **Durable and Flexible Frame:** The Harrison frames are designed to be incredibly durable, flexible, and lightweight, allowing them to bend under pressure and comfortably contour to your face.
- **Enhanced Comfort:** Equipped with a comfortable keyhole nose bridge and Italian 3-barrel metal hinges for a secure and pleasant fit.
- **UV Protection:** Lenses provide 100% UV protection.
- **Ideal Fit:** Best suited for individuals with small to medium face sizes.
- **Travel Case Included:** Each pair comes with a premium case for safe storage and travel.

### 3. USAGE INSTRUCTIONS

---

Kolo Harrison reading glasses are designed for close-up vision tasks such as reading, working on a computer, or engaging in hobbies that require detailed focus. They are not intended for distance vision or as a substitute for prescription eyewear.

#### 3.1 Wearing Your Glasses

1. Gently unfold the temples (arms) of the glasses.
2. Place the glasses on your face, ensuring the nose bridge rests comfortably on your nose and the temples extend over your ears.
3. Adjust the position slightly until the lenses are centered over your eyes and you achieve clear focus for your task.

#### 3.2 Proper Handling

- Always use both hands to put on and take off your glasses to prevent bending the frames or loosening the hinges.
- Avoid placing glasses face down on hard surfaces to prevent scratching the lenses.

### 4. CARE AND MAINTENANCE

---

Proper care will extend the life and maintain the clarity of your Kolo Harrison reading glasses.

### 4.1 Cleaning the Lenses

- Use a microfiber cleaning cloth specifically designed for eyewear.
- For stubborn smudges, rinse the lenses under lukewarm water. Apply a small drop of mild dish soap to each lens, gently rub with your fingertips, then rinse thoroughly.
- Dry with a clean, soft microfiber cloth. Avoid using paper towels, tissues, or clothing, as these can scratch the lenses.
- Do not use harsh chemicals, window cleaner, or abrasive materials on your lenses or frames.

### 4.2 Storing Your Glasses

- When not in use, always store your Kolo Harrison reading glasses in the provided premium case to protect them from scratches, dust, and damage.
- Avoid leaving glasses in direct sunlight or extreme heat (e.g., on a car dashboard), as this can warp the frames or damage lens coatings.

## 5. TROUBLESHOOTING

If you encounter any issues with your Kolo Harrison reading glasses, consider the following common solutions:

- **Blurry Vision:** Ensure lenses are clean. If vision remains blurry, verify you are using the correct magnification strength for your needs.
- **Glasses Keep Slipping:** The frames may need a slight adjustment. Gently warm the temple tips with warm water (not boiling) for a few seconds, then carefully bend them to fit more snugly behind your ears. If unsure, consult an optician.
- **Loose Screws:** Small screws on the hinges can sometimes loosen. Use a small eyewear screwdriver to gently tighten them. Do not overtighten.
- **Discomfort:** If the glasses feel too tight or cause pressure points, a professional adjustment by an optician may be necessary.

## 6. SPECIFICATIONS

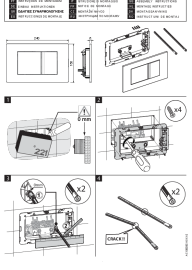

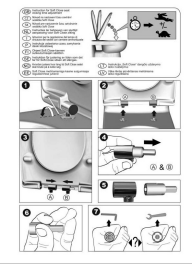

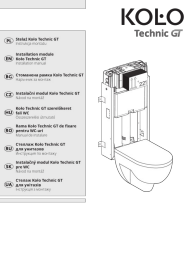

Feature	Detail
Model Name	Harrison
Frame Style	Classic Round
Material Origin	Made in Italy
UV Protection	100% UV Protection
Hinges	Italian 3-barrel metal hinges
Included Accessory	Premium Travel Case
