### 4. SETUP AND ASSEMBLY

Adult assembly is required. Follow the included step-by-step instructions carefully. Ensure all connections are secure before use.

#### 4.1 Assembling the Table

1. Identify all table components and hardware using the parts list.
2. Attach the side panels to the main table frame using the provided screws and cam bolts. Ensure all connections are tight for stability.
3. Insert the rolling storage drawer into the designated slot at the bottom of the table. The drawer features lockable wheels for stability.

#### 4.2 Setting Up the Train Track and Accessories

1. Place the reversible tabletop onto the assembled table frame. Choose between the colorful landscape side or the plain surface.
2. Arrange the wooden train tracks on the tabletop. Connect the track pieces firmly.

3. Position the various accessories such as houses, figures, signs, vehicles, and bridges to create your desired play environment.

## 5. OPERATING INSTRUCTIONS

Once assembled, children can engage in imaginative play by moving the trains and vehicles along the tracks and roads. The various buildings and figures allow for storytelling and role-playing.

- Encourage children to create different track layouts and scenarios.
- Use the rolling storage drawer to easily access or store all toy pieces.
- The reversible tabletop can be flipped for a different play surface or removed to be placed on the floor for more expansive play.

## 6. MAINTENANCE

Regular maintenance will ensure the longevity and safety of your Costzon Train Table.

- **Cleaning:** Wipe clean with a damp cloth only. The surfaces of the table and drawer are smooth and waterproof, making daily cleaning easy.
- **Inspection:** Periodically check the product and fastenings regularly to ensure no parts are damaged, loose, lost, or broken.
- **Storage:** Store the toy in a dry place away from direct sunlight or extreme temperatures. Utilize the rolling storage drawer to keep all pieces organized.

## 7. TROUBLESHOOTING

If you encounter any issues with your Costzon Train Table, please refer to the following common solutions:

- **Tracks Collapsing:** Ensure all track pieces are firmly connected and that supporting blocks (if used for elevated sections) are placed directly underneath the joints for maximum stability. Children should be encouraged to play gently to avoid dislodging pieces.
- **Missing Parts:** If any parts are missing upon unboxing, please contact Costzon customer support immediately for assistance.
- **Drawer Not Rolling Smoothly:** Check the lockable wheels on the storage drawer to ensure they are unlocked. Clean any debris from the wheel mechanisms.
