# iHome XT-49 True Wireless Earbuds User Manual

Model: HMAUBE209WT

## 1. Introduction

Thank you for purchasing the iHome XT-49 True Wireless Earbuds. This manual provides essential information for setting up, operating, and maintaining your earbuds to ensure optimal performance and longevity. Please read this manual thoroughly before use.

## 2. Package Contents

- iHome XT-49 True Wireless Earbuds
- Rechargeable Charging Case
- USB Charging Cable
- 8 Ear Cushions (2 Small, 2 Large, 4 Medium)

## 3. Product Overview

The iHome XT-49 earbuds offer a lightweight and comfortable design with touch controls and a portable charging case. The charging case features LED indicators to monitor battery status.

Image: iHome XT-49 True Wireless Earbuds in their open charging case. Both earbuds are visible within their respective charging slots, and the charging case's lid is open. The case is white, and the earbuds are also white with the iHome logo on their outer surface. Four small LED indicator dots are visible on the front edge of the charging case.

## 4. Setup

### 4.1 Charging the Case and Earbuds

1. Connect the provided USB charging cable to the charging port on the case and to a USB power source.
2. The LED indicators on the case will illuminate to show the charging status.
3. Place the earbuds into the charging case. Ensure they are properly seated; the earbuds will begin charging automatically.
4. A full charge provides up to 25 hours of combined playtime (earbuds + case).

### 4.2 Pairing with a Bluetooth Device

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.

4. Select "iHome XT-49" from the list of detected devices.
5. Once connected, you will hear an audio confirmation, and the earbuds will be ready for use.

### 4.3 Fitting the Earbuds

Select the ear cushions that provide the most comfortable and secure fit. The package includes 8 ear cushions in 3 different sizes (Small, Medium, Large) to ensure a proper seal for optimal sound quality and comfort.

## 5. Operating Instructions

### 5.1 Power On/Off

- **Power On:** Open the charging case, or long-press the touch control area on both earbuds.
- **Power Off:** Place the earbuds back into the charging case and close the lid, or long-press the touch control area on both earbuds until they power off.

### 5.2 Music Playback Controls (Touch Control)

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.

### 5.3 Call Management (Touch Control)

- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Long press on either earbud during an incoming call.

### 5.4 Volume Control

Volume control is typically managed directly from your connected device. Some touch controls may offer volume adjustment; refer to your device's settings or the earbuds' specific touch control guide for details.

### 5.5 Voice Assistant Activation

Triple tap on either earbud to activate your device's voice assistant (e.g., Siri, Google Assistant).

## 6. Maintenance

### 6.1 Cleaning

Regularly clean your earbuds and charging case to maintain optimal performance and hygiene. Use a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.

### 6.2 Water Resistance

The iHome XT-49 earbuds are water resistant, making them suitable for use during exercise or in light rain. They are not designed for submersion in water. Ensure the earbuds are dry before placing them back into the charging case to prevent damage.

### 6.3 Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage. Store the case and earbuds in a cool, dry place away from extreme temperatures.

## 7. Troubleshooting

If you encounter issues with your iHome XT-49 earbuds, please refer to the following common solutions:

- **Earbuds not pairing:** Ensure both earbuds are charged and out of the case. Turn off and on your device's Bluetooth, then try pairing again.
- **No sound from one earbud:** Place both earbuds back into the charging case, close the lid, wait a few seconds, then take them out again to re-sync.
- **Charging issues:** Check that the USB cable is securely connected to both the case and the power source. Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
- **Poor sound quality:** Ensure the earbuds are properly seated in your ears with the correct size ear cushions. Check for any obstructions in the earbud nozzles.

If problems persist, try resetting the earbuds (refer to the manufacturer's website for specific reset instructions if not detailed here) or contact customer support.

## 8. Specifications

| Feature | Specification |
|---|---|
| Brand | iHome |
| Model Name | iHome XT-49 |
| Item Model Number | HMAUBE209WT |
| Connectivity Technology | Wireless (Bluetooth) |

| Frequency Range | 20 Hz - 20,000 Hz |
| Control Method | Touch |
| Material | Plastic, Silicone |
| Item Weight | 7.8 ounces (0.22 kg) |
| Product Dimensions | 2.44 x 7.6 x 9.29 inches |
| UPC | 805112067596 |

## 9. Safety Information

- Do not expose the earbuds or charging case to extreme temperatures or direct sunlight for extended periods.
- Avoid dropping or applying excessive force to the product.
- Keep out of reach of children.
- Do not attempt to disassemble or modify the product. This will void the warranty.
- Use only the provided charging cable or a certified equivalent.

## 10. Warranty and Support

For warranty information and customer support, please refer to the documentation included with your purchase or visit the official iHome website. You may also contact iHome customer service directly for assistance with product issues or inquiries.

### Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
