MAINTENANCE AND CARE

- **Cleaning:** Wipe the surfaces with a dry cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth to prevent moisture damage.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or strong chemical solutions, as these can damage the wood and child-safe coating.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Storage:** Store the set in a dry environment away from direct sunlight or extreme temperature changes to prevent warping or cracking of the wood. The compact design allows for easy storage when not in use.
