IMPORTANT SAFETY INFORMATION

WARNING: To prevent tip-over, securely anchor the Hall Tree with Storage Bench to a wall using the provided hardware. Always supervise children around the product and be cautious of sharp edges when cleaning.

- Ensure all fasteners are tightened securely during assembly.
- Do not exceed the maximum weight capacity of the bench (250 pounds).
- Avoid placing hot items directly on the surface without protection.
- Keep small parts away from children during assembly.

SETUP AND ASSEMBLY

Assembly of the Key West Hall Tree with Shoe Storage Bench is required. It is recommended to have two people for

assembly. Please follow the detailed instructions provided in the separate assembly guide included with your product packaging. Ensure all components are present before starting.

Before You Begin:

- Unpack all components and verify against the parts list in your assembly guide.
- Clear a spacious area for assembly.
- Gather necessary tools (typically a Phillips head screwdriver and a hammer, not included).
- Inspect all parts for damage. Contact customer support if any parts are missing or damaged.

CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your hall tree.

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the engineered wood.
- **Stability:** Periodically check all fasteners and tighten if necessary to maintain structural integrity.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
