boAt Rockerz 450

boAt Rockerz 450 On-Ear Headphones User Manual

Model: Rockerz 450 | Brand: boAt

INTRODUCTION

This manual provides essential instructions for the safe and efficient use of your boAt Rockerz 450 On-Ear Headphones.
Please read this manual thoroughly before using the product and retain it for future reference.
The boAt Rockerz 450 headphones are designed to deliver immersive audio with 40mm dynamic drivers, offering up to 15 hours of playback time. They feature comfortable padded ear cushions, easy-access controls, and Bluetooth v4.2 connectivity for a seamless wireless experience. An AUX cable is also included for wired listening.

PACKAGE CONTENTS

Ensure all the following items are present in your package:

- boAt Rockerz 450 On-Ear Headphones
- USB Charging Cable
- AUX Cable
- User Manual
- Warranty Card

PRODUCT OVERVIEW

The boAt Rockerz 450 headphones are designed for comfort and ease of use. Key components include:

- **Adjustable Headband:** For a customized and secure fit.
- **Padded Ear Cushions:** Designed for extended listening comfort.
- **Integrated Controls:** Buttons located on the earcup for managing audio and calls.
- **Built-in Microphone:** For hands-free communication.
- **Charging Port:** For recharging the internal battery.
- **AUX Port:** For wired audio connection.

Image: The headphones demonstrating their adjustable earcups and headband for ergonomic fit.

SETUP

1. Charging the Headphones

1. Connect the small end of the USB charging cable to the charging port on the headphones.
2. Connect the larger end of the USB charging cable to a USB power adapter (not included) or a computer's USB port.
3. The LED indicator on the headphones will illuminate to show charging status. It will typically change color or turn off once fully charged.
4. Charge the headphones fully before first use.

Image: The boAt Rockerz 450 headphones, illustrating their long battery life for extended use.

2. Bluetooth Pairing

1. Ensure the headphones are fully charged.
2. Press and hold the Power button on the headphones until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "boAt Rockerz 450" from the list of found devices.
5. Once paired, the LED indicator will typically flash blue slowly or remain solid blue.
6. If prompted for a password, enter "0000".

Image: The headphones showcasing their versatile connectivity options, including Bluetooth v4.2 for wireless audio and an AUX port for wired connections.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Press and hold the Power button for approximately 3 seconds until the LED indicator flashes blue.
- **Power Off:** Press and hold the Power button for approximately 5 seconds until the LED indicator flashes red and then turns off.

Music Playback

- **Play/Pause:** Press the Multi-function button (often the Power button or a dedicated play/pause button) once.
- **Volume Up:** Press the Volume Up (+) button.
- **Volume Down:** Press the Volume Down (-) button.
- **Next Track:** Press and hold the Volume Up (+) button for 2 seconds.
- **Previous Track:** Press and hold the Volume Down (-) button for 2 seconds.

Call Management

- **Answer/End Call:** Press the Multi-function button once.
- **Reject Call:** Press and hold the Multi-function button for 2 seconds.

Voice Assistant

- **Activate Voice Assistant:** Double-press the Multi-function button to activate your device's voice assistant (e.g., Siri, Google Assistant).

AUX Mode

- Connect one end of the 3.5mm AUX cable to the AUX port on the headphones.

- Connect the other end of the AUX cable to your audio source's 3.5mm audio jack.
- The headphones will automatically switch to AUX mode. Note that controls on the headphones may be limited in AUX mode, and playback will be controlled by the connected device.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headphones. Do not use abrasive cleaners or solvents.
- **Storage:** Store the headphones in a cool, dry place away from extreme temperatures and direct sunlight.
- **Battery Care:** To prolong battery life, avoid fully discharging the headphones frequently. Charge them regularly, even if not in use for extended periods.
- **Water Resistance:** These headphones are not waterproof. Avoid exposure to water or excessive moisture.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Headphones do not power on.	Low battery.	Charge the headphones fully.
Cannot pair with device.	Headphones not in pairing mode; Bluetooth off on device; device too far.	Ensure headphones are in pairing mode (flashing red/blue). Turn on Bluetooth on your device. Move device closer to headphones (within 10 meters).
No sound.	Volume too low; headphones not connected; incorrect audio source.	Increase volume on headphones and device. Re-pair headphones. Check if AUX cable is properly connected if in wired mode.
Poor sound quality.	Weak Bluetooth signal; low battery.	Move closer to the connected device. Charge the headphones.
