SETUP

Bluetooth Pairing

1. Ensure your Beoplay H95 headphones are charged.
2. Press and hold the power button for 5 seconds until the indicator light flashes blue, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), go to Bluetooth settings and select "Beoplay H95" from the list of available devices.
4. Once connected, the indicator light will turn solid blue.

Bang & Olufsen App Setup

For enhanced control and customization, download the Bang & Olufsen app (compatible with Android, iPhone, and iPad). The app allows for quick setup and personalized sound adjustments through Beosonic Tuning.

OPERATING THE BEOPLAY H95

Controls

The Beoplay H95 features intuitive user controls for managing your audio experience:

- **Volume Control:** Use the rotating dial on the right ear cup to adjust the volume.
- **Active Noise Cancellation (ANC) / Transparency Mode:** Use the rotating dial on the left ear cup to switch between Adaptive Active Noise Cancellation and Transparency Mode. Transparency Mode allows you to hear your surroundings without removing the headphones.
- **Playback Controls:** Touch controls on the earcups allow you to play/pause music, skip tracks, and answer/end calls.

Sound Customization

Utilize the Beosonic Tuning feature within the Bang & Olufsen app to customize your audio preferences. This allows you to fine-tune the sound profile to match your personal listening style.

Key Features

- **Adaptive Active Noise Cancellation:** Experience peaceful silence with exceptional noise cancellation that adapts to your environment.
- **Powerful Sound:** Two 40mm titanium drivers with neodymium magnets deliver precise sound and enhanced low-frequency response.
- **Long-Lasting Battery:** Enjoy up to 38 hours of playtime with Active Noise Cancellation enabled.
- **Clear Conversations:** Multiple built-in microphones ensure crystal-clear voice calls.
- **Luxurious Design:** Crafted with high-end materials including titanium, lambskin leather, and memory foam for comfort and durability.
- **Foldable Design:** An elegant, foldable design makes the headphones portable and easy to store in the protective hardcase.
- **Bluetooth 5.1:** Seamless wireless connectivity for a stable audio experience.

MAINTENANCE

To ensure the longevity and optimal performance of your Beoplay H95 headphones, follow these maintenance guidelines:

- Regularly clean the headphones, especially the ear cushions and headband, with the provided microfibre cleaning cloth.
- Store the headphones in their aluminium carrying case when not in use to protect them from dust, scratches, and impacts.
- Avoid exposing the headphones to extreme temperatures, humidity, or direct sunlight.
- Do not use harsh chemicals or abrasive materials for cleaning.

TROUBLESHOOTING

If you encounter any issues with your Beoplay H95 headphones, try the following basic troubleshooting steps:

- **No Sound:** Ensure the headphones are powered on, charged, and correctly paired with your device. Check the volume levels on both the headphones and your device.
- **Pairing Issues:** Turn off and on the Bluetooth on your device. Reset the headphones to factory settings if necessary (refer to the full user manual for specific instructions).
- **Poor Sound Quality:** Ensure the headphones are within Bluetooth range of your device. Check for any obstructions between the headphones and the device. Try playing audio from a different source.
- **Noise Cancellation Not Working:** Ensure ANC is activated. Adjust the ANC level using the dial on the left earcup or through the Bang & Olufsen app.
- **Battery Not Charging:** Ensure the USB-C cable is securely connected to both the headphones and a power source. Try a different charging cable or power adapter.

For more detailed troubleshooting or persistent issues, please refer to the comprehensive user manual available on the Bang & Olufsen support website or contact customer support.
