# mDesign 3 Liter Graphite Gray Metal Pedal Bin Instruction Manual

Model: 18811MDBSTEU

## INTRODUCTION

This manual provides essential information for the proper setup, operation, and maintenance of your mDesign 3 Liter Graphite Gray Metal Pedal Bin. Please read these instructions carefully to ensure optimal performance and longevity of your product.

## SETUP

---

- 1. Unboxing:** Carefully remove all components from the packaging. Ensure all parts are present: the outer metal bin, the inner plastic liner bucket, and the lid assembly.
- 2. Insert Liner Bucket:** Place the black plastic liner bucket inside the metal outer bin. Ensure it sits securely at the bottom.
- 3. Positioning:** Place the pedal bin in your desired location. Its compact size makes it suitable for various spaces such as bathrooms, kitchens, offices, or under counters.

3L/.8 Gallon Waste Can

## OPERATING INSTRUCTIONS

---

- **Hands-Free Operation:** To open the lid, gently press down on the foot pedal located at the base of the bin. The lid will lift automatically.
- **Lid Closure:** Release the foot pedal to allow the lid to close. The lid is designed to close smoothly and quietly.
- **Removing Liner:** For emptying, the inner plastic liner bucket can be easily lifted out using its integrated handle.

**HANDS FREE**

**PORTABLE**

**EASY STEP**

## MAINTENANCE

- **Exterior Cleaning:** Wipe the exterior of the metal bin with a damp cloth. Avoid abrasive cleaners that may damage the rust-resistant finish.
- **Interior Cleaning:** The durable plastic liner bucket can be rinsed out with mild soap and water as needed. Ensure it is dry before placing it back into the metal bin.

## TROUBLESHOOTING

- **Lid Not Opening/Closing Smoothly:** Check for any obstructions around the pedal mechanism or the lid hinges. Ensure the inner liner is correctly seated.
- **General Issues:** If you encounter any other issues not covered here, please refer to the support information below.
