Braun XT3000

Braun Series XT3000 Electric Razor and Beard Trimmer Instruction Manual

Model: XT3000

1. Product Overview

The Braun Series XT3000 is a versatile grooming tool designed for shaving, trimming, and edging. It features a durable 4D-Blade technology for an efficient and comfortable experience. This device is 100% waterproof, allowing for both wet and dry use.

Image 1.1: Braun Series XT3000 Electric Razor and Beard Trimmer with its packaging, highlighting its multi-functionality.

Key Features:

- **4D-Blade Technology:** Features one blade with four cutting elements (two side trimmers and two central shaving zones) for 450 movements per second, ensuring a close shave while being gentle on the skin.
- **Durable Blade:** The stainless steel 4D-Blade is designed to remain sharp for up to 6 months under normal usage conditions (based on two face shaves per week).
- **Skin Protection:** Includes a SkinGuard comb to protect sensitive skin areas during grooming.
- **Precision and Control:** Two-way comb allows for trimming in both upward and downward directions. The rubberized, anti-slip handle provides secure grip for precise styling.
- **100% Waterproof:** Suitable for use in wet or dry conditions.

2. Package Contents

Upon unboxing your Braun Series XT3000, ensure all the following components are present:

- 1 x Electric Shaver (XT3000)
- 3 x Beard Combs (various lengths)
- 1 x Smart Plug Charger

3. Setup and Charging

3.1 Initial Charge

1. Connect the smart plug charger to the device.
2. Plug the charger into a power outlet.
3. Allow the device to charge fully. A full charge typically takes 10 hours and provides up to 50 minutes of cordless trimming time.

3.2 Attaching Combs

To attach a beard comb, align the comb with the trimmer head and gently push until it clicks into place. To remove, pull the comb away from the trimmer head.

4. Operating Instructions

The Braun Series XT3000 offers multiple functions for various grooming needs.

4.1 Trimming and Shaping

Use the included beard combs to achieve desired hair lengths. The device is designed for precision, allowing you to trim and shape your beard with ease.

5. Maintenance

Regular cleaning and proper care will ensure the longevity and optimal performance of your Braun Series XT3000.

5.1 Cleaning

The device is 100% waterproof, allowing for easy cleaning under running water. Always clean and dry the device thoroughly after each use to prevent bacterial growth and maintain hygiene.
