Hbada W203UMA/US

Hbada Gaming Chair W203UMA/US User Manual

Ergonomic Racing Chair with Headrest and Lumbar Support

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Hbada Ergonomic Racing Gaming Chair, Model W203UMA/US. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your chair. Keep this manual for future reference.

2. PRODUCT COMPONENTS

Before beginning assembly, ensure all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Chair Backrest (with integrated headrest support)
- Seat Cushion (with integrated armrest mounts)
- Arm Pads (2x)
- Casters (5x)
- Heavy Duty Nylon Base
- Gas Lift Cylinder (SGS Certified 4-Level)
- Cylinder Cover
- Mechanism Plate
- Headrest Pillow (detachable and adjustable)

- Lumbar Support Pillow (detachable and adjustable)
- Assembly Hardware (screws, washers, Allen key)

Figure 2.1: Key adjustable components including the detachable headrest, lumbar support, and 7cm adjustable armrest.

3. SETUP AND ASSEMBLY

Assembly is required for this chair. Please follow these steps carefully. It is recommended to assemble the chair on a soft, clean surface to prevent damage.

1. **Attach Casters to Base:** Insert each of the five casters into the holes at the end of each leg of the heavy-duty nylon base. Push firmly until they click into place.
2. **Install Gas Lift:** Place the gas lift cylinder into the central hole of the assembled base. Cover the gas lift with the cylinder cover.
3. **Attach Mechanism Plate to Seat:** Secure the mechanism plate to the underside of the seat cushion using the provided screws. Ensure the front of the mechanism plate faces the front of the seat.
4. **Connect Seat to Backrest:** Align the seat cushion with the backrest and secure them using the designated

screws.

5. **Attach Armrests:** Secure the armrests to the seat cushion using the provided screws. Ensure they are oriented correctly.
6. **Mount Seat Assembly onto Gas Lift:** Carefully place the assembled seat and backrest onto the gas lift cylinder, ensuring it is centered.
7. **Attach Headrest and Lumbar Pillows:** Position the detachable headrest and lumbar support pillows as desired. The headrest typically attaches to the top of the backrest, and the lumbar pillow rests against the lower back.

Note: Do not overtighten screws during assembly. Periodically check and tighten all screws to ensure stability.

4. OPERATING INSTRUCTIONS

Your Hbada Gaming Chair offers multiple adjustment features to customize your seating experience for optimal comfort and ergonomic support.

4.1. Height Adjustment

To adjust the seat height (range: 3.9 inches), pull the lever located on the right side of the seat upwards. While pulling the lever, stand up to raise the seat or remain seated to lower it. Release the lever at your desired height.

4.2. Reclining Function

The chair backrest can be locked at any angle between 90° and 155°. To recline, pull the lever on the left side of the seat upwards and lean back. Release the lever to lock the backrest in position. After locking the angle, the chair allows for a 20° shake amplitude for dynamic seating.

Figure 4.1: Illustration of the 155° reclining capability and the reclining controller lever.

4.3. Armrest Adjustment

The armrests are height adjustable (range: 3.1 inches). Press the button located on the side of each armrest and move the armrest up or down to your preferred height. Release the button to lock it.

4.4. Headrest and Lumbar Support

The headrest and lumbar support pillows are detachable and adjustable. Position them to provide optimal support for your neck and lower back, reducing fatigue during extended use.

Figure 4.2: Diagram illustrating the ergonomic design of the chair, conforming to the natural curve of the human spine for enhanced support.

Figure 4.3: Overview of the chair's ergonomic systems, highlighting adjustable sitting height, 155° reclining, adjustable armrests, cool racing casters, 360° free swivel, and durable base.

5. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Hbada Gaming Chair.

- **Cleaning:** Wipe clean the faux leather material with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the material.
- **Hardware Check:** Periodically (e.g., every 3-6 months) check all screws and bolts to ensure they are tight. Retighten if necessary to maintain stability and safety.
- **Caster Care:** Keep the casters free from hair, dust, and debris to ensure smooth movement. Clean them regularly with a damp cloth.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the faux leather to fade or crack. Position the chair away from direct sunlight when possible.
- **Weight Limit:** Do not exceed the maximum weight recommendation of 200 kilograms (440 lbs) to prevent damage to the chair and ensure user safety.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your gaming chair.

Problem	Possible Cause	Solution
Chair does not adjust height	Gas lift cylinder malfunction or lever not engaged.	Ensure the height adjustment lever is fully pulled. If the issue persists, the gas lift may need replacement. Contact customer support.
Chair wobbles or feels unstable	Loose screws or uneven assembly.	Check and tighten all assembly screws, especially those connecting the seat to the mechanism plate and the backrest. Ensure the base is flat on the floor.
Casters do not roll smoothly	Debris caught in casters or damaged casters.	Turn the chair over and remove any hair, dust, or debris from the caster wheels. If casters are damaged, they may need replacement.
Backrest does not recline or lock	Reclining mechanism jammed or lever not fully engaged.	Ensure the reclining lever is fully pulled or pushed. Check for any obstructions around the reclining mechanism.

If you encounter issues not listed here or if the suggested solutions do not resolve the problem, please contact Hbada customer support for further assistance.

7. PRODUCT SPECIFICATIONS

Feature	Detail
