Amazon Echo Show 5 (3rd Gen)

Amazon Echo Show 5 (3rd Gen) Smart Display User Manual

Model: Echo Show 5 (3rd Gen)

1. Introduction

The Amazon Echo Show 5 (3rd Gen) is a compact smart display designed to enhance your daily life with Alexa+. It features a 5.5-inch screen, improved audio with 2x bass, and a built-in camera for home monitoring and video calls. This manual provides essential information for setting up, operating, and maintaining your device.

2. Important Safety Information

- Read all instructions carefully before use.
- Use only the provided power adapter.
- Do not expose the device to water or extreme temperatures.
- Keep the device away from heat sources and direct sunlight.
- Do not attempt to disassemble or repair the device yourself.
- Ensure proper ventilation around the device.

3. Setup Guide

3.1. What's in the Box

- Echo Show 5 (3rd Gen) device
- Glacier White power adapter (22W) with cable (4.9ft)
- Quick Start Guide

3.2. Initial Setup Steps

1. **Connect Power:** Plug the provided power adapter into the Echo Show 5 and then into a wall outlet. The device will power on automatically.
2. **Follow On-Screen Instructions:** The Echo Show 5 will guide you through the setup process on its 5.5-inch touch screen.
3. **Connect to Wi-Fi:** Select your Wi-Fi network and enter the password. The device supports dual-band 802.11a/b/g/n/ac Wi-Fi networks.
4. **Log in to Amazon Account:** Sign in with your Amazon account credentials.
5. **Personalize Settings:** Configure your time zone, address, and other preferences.
6. **Download Alexa App:** For full functionality and advanced settings, download the Alexa app on your Fire OS, Android, or iOS device.

The Amazon WiFi simple setup technology allows for easy connection of smart devices to your Wi-Fi network.

4. Operating Your Echo Show 5

4.1. Interacting with Alexa+

Your Echo Show 5 comes with Alexa+, offering a more intuitive and connected AI assistant. Alexa+ is available in both English and Hindi. Simply say the wake word "Alexa" followed by your command or question. You can chat casually, ask for information, or control smart home devices.

4.2. Display Features

The 5.5-inch display shows daily reminders, calendar events, weather forecasts, and more. You can navigate the interface using touch gestures.

4.3. Audio and Entertainment

Enjoy vibrant sound with deeper 2x bass and clearer vocals from the full-range 1.7-inch built-in speaker. Stream millions of songs from services like Amazon Music, Apple Music, Spotify, and JioSaavn. Watch TV shows and movies from Amazon Prime Video, or catch up on news. On-screen lyrics are available for select songs from Amazon Music.

4.6. Video Calling

Stay connected with friends and family by making video calls to those who have the Alexa app or another Echo device with a screen.

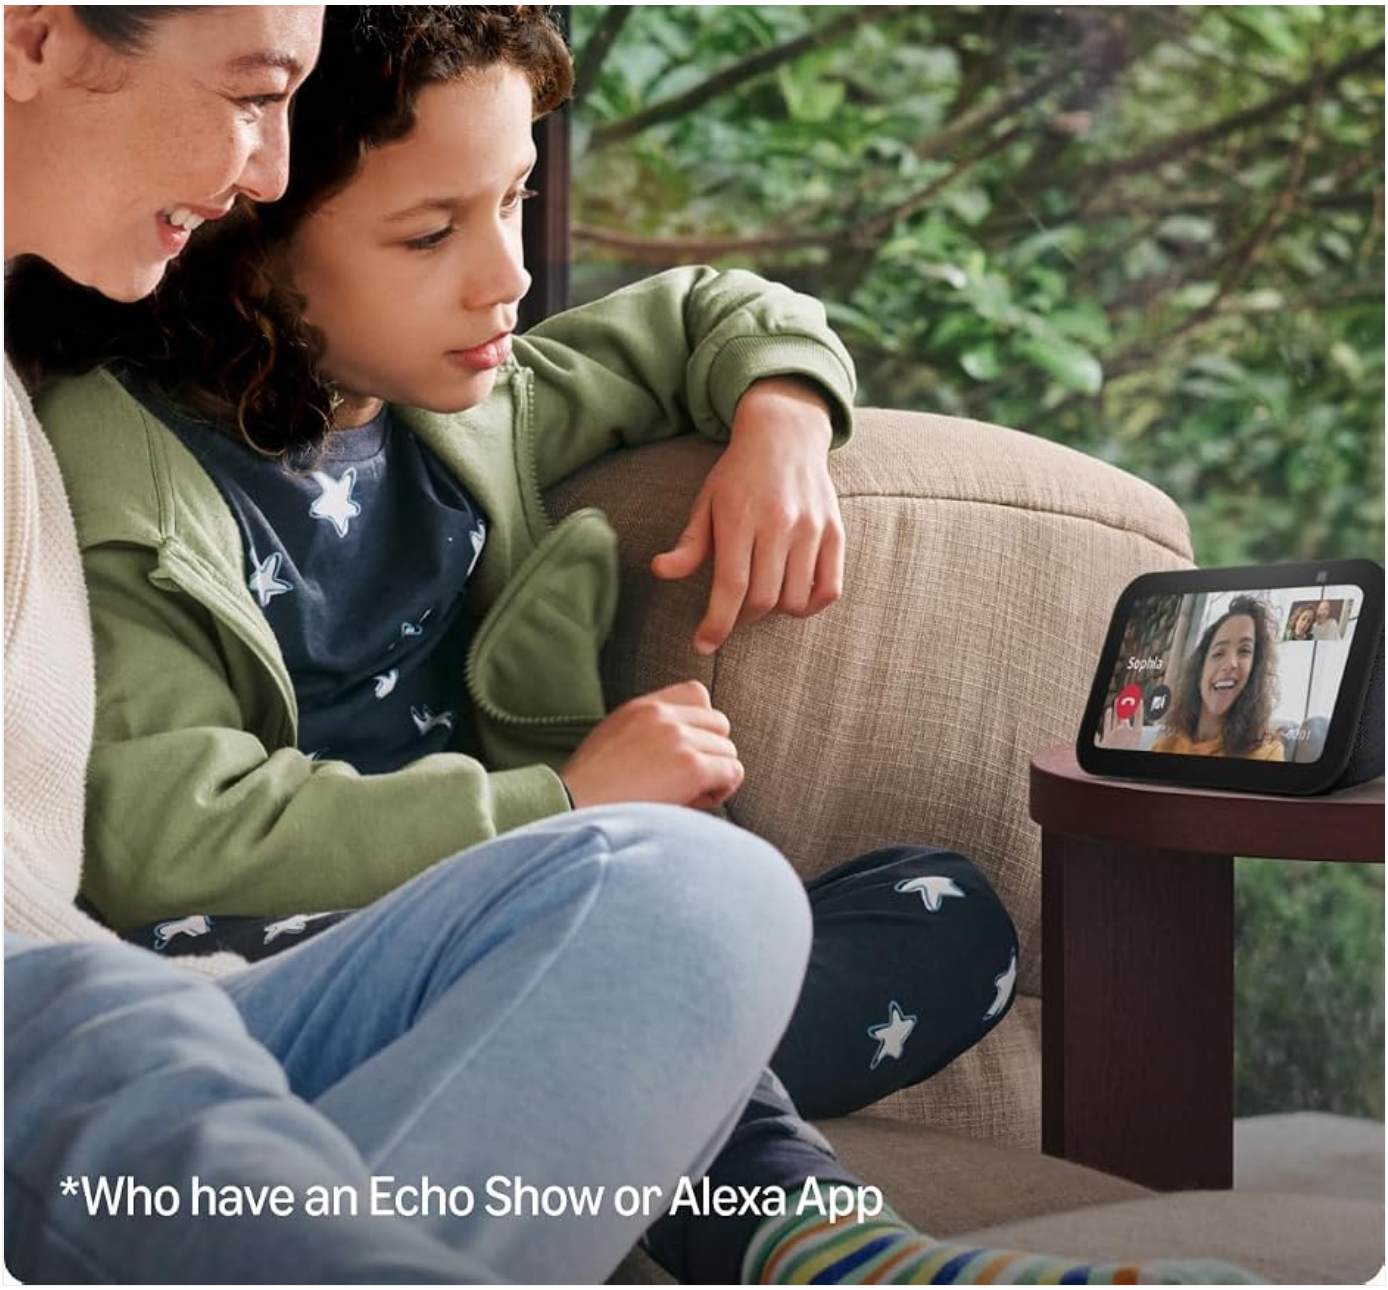

Image: A family engaged in a video call using the Echo Show 5, positioned on a side table.

4.7. Daily Management

Use Alexa to set reminders, create shopping lists, add items to to-do lists, set alarms, and check weather forecasts and calendars.

5. Maintenance and Care

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and exterior. Do not use abrasive cleaners or sprays.
- **Software Updates:** Your Echo Show 5 will automatically receive software updates. Ensure it is connected to Wi-Fi for these updates.
- **Storage:** When not in use for extended periods, store the device in a cool, dry place.

6. Troubleshooting

- **Device Not Responding:** Try unplugging the power adapter, waiting a few seconds, and plugging it back in.
- **Wi-Fi Connectivity Issues:** Ensure your Wi-Fi router is working correctly and the Echo Show 5 is within range. Re-

enter Wi-Fi credentials if necessary.

- **Alexa Not Hearing You:** Speak clearly and ensure there are no obstructions near the microphones. Check if the microphone is muted (indicated by a red light).
- **Screen Issues:** If the screen is unresponsive, try restarting the device.
- **Camera Not Working:** Ensure the built-in camera shutter is open.

For further assistance, refer to the customer support details provided in this manual or visit the Amazon support website.
