SETUP

Charging the Headphones

Before first use, fully charge the headphones. Connect the supplied charging cable to the charging port on the headphones and the other end to a USB power source (e.g., computer USB port, wall adapter). The LED indicator will show charging status.

- Charging Time: Approximately 2-3 hours for a full charge.

- Battery Life: Up to 20 hours of music/talk time, 1000 hours standby.

Long Battery Life

BT5 has the amazing battery life and enables you to enjoy music for a long time.15-20 hours of listening and talking time, 1000 hours of long standby.

Talk time

Image: Bluedio BT5 headphones with icons indicating 15-20 hours of music time, 1000 hours of standby time, and 15-20 hours of talk time, highlighting the long battery life.

Bluetooth Pairing

1. Ensure the headphones are turned off.
2. Press and hold the **MF button** until the LED indicator flashes blue and red alternately, indicating pairing mode.
3. On your device (smartphone, tablet, PC), enable Bluetooth and search for available devices.
4. Select "Bluedio BT5" from the list of devices.

5. Once successfully paired, the LED indicator will flash blue slowly.

The headphones will automatically connect to the last paired device when turned on, if Bluetooth is enabled on the device and it is within range.

Wired Connection (Optional)

If the battery is depleted or you prefer a wired connection, you can use a 3.5mm audio cable (not included) to connect the headphones to your audio device. Insert one end into the audio jack on the headphones and the other end into your device's audio output.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Press and hold the **MF button** for approximately 3 seconds until you hear "Power On" and the blue LED flashes.
- **Power Off:** Press and hold the **MF button** for approximately 5 seconds until you hear "Power Off" and the red LED flashes briefly before turning off.

Music Playback

- **Play/Pause:** Short press the **MF button**.
- **Volume Up:** Short press the **Volume +** button.
- **Volume Down:** Short press the **Volume -** button.
- **Next Track:** Long press the **Volume +** button.
- **Previous Track:** Long press the **Volume -** button.

Call Management

- **Answer/End Call:** Short press the **MF button**.
- **Reject Call:** Long press the **MF button** for 2 seconds.
- **Redial Last Number:** Double-press the **MF button**.

Voice Assistant

- **Activate Voice Assistant:** Triple-press the **MF button** to activate your device's voice assistant (e.g., Siri, Google Assistant).

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headphones. Do not use abrasive cleaners or solvents.
- **Storage:** Store the headphones in a cool, dry place away from extreme temperatures and direct sunlight. The headphones are lightweight and retractable for space-saving storage.

Lightweight and Retractable
