Yaheetech Kitchen Cart Instruction Manual

Model: YT-00105540-01 | Brand: Yaheetech

1. SAFETY INFORMATION

Always be aware of the weight capacities of the countertop, cabinets, and shelves. Do not sit or stand on the countertop. Use caution when moving on uneven surfaces to prevent tipping. Ensure all components are securely fastened before use. Regularly check for loose screws or connections and tighten as necessary.

2. PRODUCT OVERVIEW AND FEATURES

The Yaheetech Kitchen Cart is designed to provide versatile storage and workspace in your kitchen. It features a durable stainless steel top and multiple storage compartments.

Figure 2.1: Overall view of the Yaheetech Kitchen Cart.

Key Features:

- **Stainless Steel Countertop:** Provides a durable and easy-to-clean work surface.
- **Utility Drawer:** Convenient storage for cutlery and small kitchen tools.
- **Wine Rack:** Dedicated slots for storing wine bottles.
- **Spice Rack:** Side-mounted rack for easy access to spices.
- **Towel Bar:** Integrated bar for hanging kitchen towels.
- **Open Shelves:** Two open shelves for additional storage or display.
- **Two-Tier Cabinet:** Enclosed storage space with adjustable shelving.
- **Caster Wheels:** Four multi-directional wheels for easy mobility, two with locking mechanisms.

Stainless Steel Top
for toasters,coffee makers,etc

Open shelves
for wine and food

Drawer
for cutlery

Cabinet
for small appliances pots,pans,etc

3. SETUP AND ASSEMBLY

The Yaheetech Kitchen Cart requires assembly. A detailed step-by-step installation manual is included with your product, along with all necessary numbered parts and hardware. An Allen Key is provided for your convenience.

For optimal assembly, it is recommended to follow the instructions carefully. While assembly is designed to be straightforward, having a second person may assist in certain steps.

You can also refer to the official installation manual PDF available [here](#).

4. OPERATING INSTRUCTIONS

Mobility:

The kitchen cart is equipped with four durable industrial caster wheels, allowing for effortless movement across various floor surfaces. Two of these casters feature locking mechanisms to secure the cart in place when desired. To lock, press down on the lever on the caster. To unlock, lift the lever.

Durable Industrial Casters

Four multi-directional heavy industrial casters, easy to move

Two of the casters have brakes for easy parking

Figure 4.1: Illustration of the multi-directional casters and their locking function.

Storage Utilization:

- **Drawer:** Pull the handle to open the top utility drawer for storing cutlery, napkins, or other small items.
- **Cabinet:** Open the two cabinet doors to access the two-tier storage space. The internal shelf height is adjustable to accommodate items of various sizes.
- **Open Shelves:** Utilize the open shelves for frequently used items, decorative pieces, or additional storage. The wine rack is integrated above the open shelves.
- **Spice Rack & Towel Bar:** These side attachments provide convenient access to spices and a place to hang kitchen towels.

Height-Adjustable Shelf

three heights for you to choose

5. MAINTENANCE

To maintain the appearance and longevity of your Yaheetech Kitchen Cart, follow these simple care instructions:

- **Cleaning:** Wipe the stainless steel countertop and all other surfaces with a damp cloth. For stubborn stains, use a mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining, especially on the engineered wood components.
- **Hardware:** Periodically check and tighten all screws and hardware to ensure the cart remains stable and secure.
- **Weight Capacity:** Do not exceed the maximum weight recommendation for any part of the cart to prevent damage.

Figure 5.1: Cleaning the stainless steel countertop with a damp cloth.

6. TROUBLESHOOTING

If you encounter any issues with your kitchen cart, consider the following common solutions:

- **Wobbly or Unstable:** Ensure all screws and fasteners are securely tightened. Check that the cart is on a level surface. Adjust the locking casters if they are uneven.
- **Drawers or Doors Not Aligning:** Recheck the assembly of the drawer slides and door hinges. Minor adjustments to hinge screws can often correct alignment issues.
- **Difficulty Moving:** Ensure the locking casters are disengaged. Clean any debris from the wheels.

For persistent issues not covered here, please contact Yaheetech customer support.

7. SPECIFICATIONS

Attribute	Detail
Product Dimensions	18"D x 51"W x 36"H
Shelf Type	Adjustable shelf
Frame Material	Engineered Wood
Brand	Yaheetech
Color	Black
Furniture Finish	Natural/Unfinished
Style	Modern
Maximum Weight Recommendation	175 Pounds
Item Weight	73.8 pounds
Country of Origin	China
Assembly Required	Yes
Number of Shelves	4

8. WARRANTY AND SUPPORT

Yaheetech stands behind the quality of its products. For specific warranty details, please refer to the documentation included with your purchase or visit the official Yaheetech website.

For customer support, technical assistance, or to inquire about replacement parts, please contact Yaheetech directly through their official channels or the retailer from whom you purchased the product.
