# Dannilong Modern Enclosed Ceiling Fan Instruction Manual

Model: f9930192-0446-45b9-9850-d167e7adbca4

Brand: Dannilong

## 1. INTRODUCTION

This manual provides detailed instructions for the safe installation, operation, and maintenance of your Dannilong Modern Enclosed Ceiling Fan. This industrial/rustic caged ceiling fan features 8 ABS blades hidden within a protective cage, enhancing safety compared to traditional open-blade fans. It includes a light kit with 5 E12 bulb bases. Please read this manual thoroughly before beginning installation or operation to ensure proper function and safety.

## 2. SAFETY INFORMATION

Always follow basic safety precautions when installing and operating electrical appliances to reduce the risk of fire, electric shock, and personal injury.

- Ensure the power is turned off at the circuit breaker before installation or maintenance.
- All wiring must be in accordance with national and local electrical codes. If you are unsure, consult a qualified electrician.
- The mounting structure must be capable of supporting the weight of the fan (approximately 10 pounds).
- Do not insert objects into the fan blades or light cage while the fan is operating.
- Use only E12 base bulbs as specified.
- This fan is designed for indoor use only.

### 3. PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- Fan light boom
- Hanging Cover
- Mounting screws
- Remote Control
- Five E12 bulbs (included)

### 4. PRODUCT SPECIFICATIONS

Feature	Specification
Brand	Dannilong
Model Name	f9930192-0446-45b9-9850-d167e7adbca4
Color	Stripped (Black Caged)
Product Dimensions	20"D x 20"W x 18"H
Item Weight	10 Pounds
Power Source	Corded Electric
Voltage	120 Volts (AC)
Number of Blades	8 (ABS fan blades)
Speed Settings	3 RPM (3 Power Levels)
Switch Type	Remote Control
Special Feature	Timer (8H Intelligent Timing)
Indoor/Outdoor Usage	Indoor
Assembly Required	Yes
UPC	767155917736

## 5. INSTALLATION GUIDE

Installation of this ceiling fan requires electrical wiring knowledge. It is highly recommended to consult a qualified electrician for installation to ensure safety and compliance with local electrical codes. A detailed installation manual in PDF format is available for download: [Download Installation Manual \(PDF\)](#).

### Key Components for Installation:

- **Caged Design:** The outer metal cage protects the internal fan blades and houses the light bulbs.
- **Ceiling Plate:** This component mounts directly to your ceiling junction box, providing a secure base for the fan.
- **Motor:** The central unit that drives the fan blades.
- **Light Frame:** The internal structure holding the E12 bulb sockets.

## 6. OPERATION GUIDE

Your Dannilong ceiling fan is operated via the included remote control, offering convenient control over fan speeds and lighting.

### Fan Speed Control:

The fan features 3 distinct speed settings:

- **Gear 1 (Gentle):** Provides a soft and delicate airflow, ideal for subtle air circulation.
- **Gear 2 (Comfortable):** Offers a soft yet strong breeze, suitable for comfortable cooling.
- **Gear 3 (Cool):** Delivers a strong, instantly refreshing breeze for maximum cooling.

### Intelligent Timing Function:

Utilize the 8-hour intelligent timing function to set the fan to automatically turn off after a specified duration. This feature helps conserve energy and provides convenience for overnight use.

## Light Control:

The remote control also allows you to turn the light kit on and off independently of the fan.

## 7. CARE AND MAINTENANCE

Regular cleaning and proper maintenance will ensure the longevity and optimal performance of your ceiling fan.

- **Cleaning:** Before cleaning, ensure the power is turned off at the circuit breaker. Use a soft, damp cloth to wipe down the fan's exterior. Do not use abrasive cleaners or solvents, as they may damage the finish.
- **Bulb Replacement:** Ensure the power is off before replacing bulbs. This fan uses E12 base bulbs. Replace all five bulbs as needed.
- **Motor Lubrication:** The fan motor is permanently lubricated and does not require additional oiling.

## 8. TROUBLESHOOTING

If you encounter issues with your fan, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fan does not start	No power to the fan; Loose wire connections; Remote control battery low/dead.	Check circuit breaker; Verify all wire connections are secure; Replace remote control battery.
Light does not work	Bulbs are loose or burned out; Incorrect bulb type; Loose wire connection to light kit.	Tighten or replace bulbs; Ensure E12 bulbs are used; Check light kit wiring.
Remote control not working	Battery low/dead; Remote not paired (if applicable); Obstruction between remote and receiver.	Replace battery; Refer to installation manual for pairing instructions; Remove obstructions.
Excessive noise	Loose mounting screws; Unbalanced blades; Obstruction in fan cage.	Tighten all mounting screws; Ensure blades are securely attached; Remove any obstructions.

## 9. WARRANTY AND SUPPORT

This Dannilong ceiling fan comes with a 30-day unsatisfied replacement warranty. For any issues or support inquiries, please contact Dannilong customer service through the retailer where the product was purchased or visit the official Dannilong store on Amazon: [Dannilong Store](#).
