Bestier Trapezoid

Bestier Nightstand with Drawer and Shelf (Model: Trapezoid)

Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bestier Nightstand with Drawer and Shelf. Designed for small spaces, this modern side table features a smooth-gliding drawer, an open shelf, and a sturdy structure made of scratch-resistant, heat-resistant, and waterproof veneered MDF with reinforced metal legs. Please read these instructions carefully before assembly and use to ensure proper function and longevity of your product.

SAFETY INFORMATION

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all parts are securely fastened before use. Do not overtighten screws.
- Keep small parts away from children during assembly.
- Do not stand or sit on the nightstand.
- Distribute weight evenly on the tabletop and shelves. The tabletop load bearing capacity is up to 40 lbs.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact Bestier customer service.

- Tabletop Panel
- Side Panels (2)
- Bottom Shelf Panel
- Drawer Front Panel
- Drawer Side Panels (2)
- Drawer Back Panel
- Drawer Bottom Panel
- Metal Legs (4)

- Drawer Handle
- Hardware Pack (screws, cam locks, dowels, drawer slides, etc.)
- Assembly Tool (Allen wrench)

ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have one person for assembly.

Step 1: Attach Drawer Slides to Side Panels

Identify the two side panels. Attach the drawer slides to the designated pre-drilled holes on the inner sides of these panels using the provided screws. Ensure the slides are oriented correctly for smooth drawer operation.

Step 2: Assemble the Main Frame

Connect the side panels to the tabletop panel and the bottom shelf panel using cam locks and dowels. Ensure all connections are snug and secure. The trapezoid design of the side panels should be oriented as shown in the product images for stability.

Step 3: Attach Metal Legs

Secure the four metal legs to the bottom of the main frame using the provided screws. Ensure the legs are firmly attached and stable.

Step 4: Assemble the Drawer

Connect the drawer side panels, back panel, and bottom panel to the drawer front panel. Attach the remaining drawer slides to the sides of the assembled drawer. Finally, attach the drawer handle to the front panel.

Step 5: Insert the Drawer

Carefully align the drawer slides on the drawer with the slides on the main frame and gently push the drawer into place until it clicks securely.

OPERATING INSTRUCTIONS

Using the Drawer

The nightstand features a smooth-gliding drawer. To open, gently pull the handle. To close, push the drawer firmly until it is fully recessed. Avoid forcing the drawer if it encounters resistance.

Utilizing the Open Shelf

The open shelf below the drawer provides additional storage or display space. It is suitable for books, magazines, small decorative items, or electronic devices. Ensure items placed on the shelf do not exceed its weight capacity or obstruct the drawer's movement.

MAINTENANCE AND CARE

- Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- Spills:** Immediately wipe up any spills to prevent water damage to the veneered MDF. The material is water-resistant but not waterproof for prolonged exposure.
- Heat Protection:** While the surface is heat-resistant, it is recommended to use coasters under hot items to prevent potential damage.
- Stability Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary, but do not overtighten.
- Placement:** Avoid placing the nightstand in direct sunlight or near heat sources to prevent warping or fading.

Image: Icons illustrating key features: anti-scratching, waterproof, easy assembly, and heat resistant, emphasizing the durability and convenience of the nightstand.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Nightstand is wobbly	Loose fasteners or uneven floor.	Ensure all screws are tightened. Adjust leg levelers if present, or place shims under legs on uneven surfaces.
Drawer does not slide smoothly	Drawer slides misaligned or obstructed.	Check that drawer slides are correctly installed and free of debris. Ensure the drawer is not overloaded.
Parts missing or damaged	Manufacturing defect or shipping damage.	Contact Bestier customer service immediately for replacement parts.

SPECIFICATIONS

Image: A detailed diagram illustrating the dimensions of the Bestier Nightstand, including height, width, and depth of the overall unit, drawer, and shelf.

Brand: Bestier

Model Name: Trapezoid

Product Dimensions (Overall): 14.6"D x 17.13"W x 24.02"H

Item Weight: 18.52 Pounds

Frame Material: Manufactured Wood, Steel, Particle Board/Chipboard

Top Material Type: Engineered Wood

Color: Black

Number of Drawers: 1

Tabletop Load Bearing Capacity: Up to 40 lbs

Assembly Required: Yes (Includes all assembly tools)
