Bytech BYMCLB102BK

BYTECH BYMCLB102BK Multi Color Pendant Light User Manual

Model: BYMCLB102BK

1. PRODUCT OVERVIEW

The BYTECH BYMCLB102BK Multi Color Pendant Light is a portable and lightweight lighting solution designed for indoor use. It features multiple color options, adjustable brightness, and a timer function, all controllable via a wireless remote.

Image 1.1: Product packaging highlighting features such as 12 color changes, portability, hanging capability, adjustable brightness, wireless remote, and timer. It also lists contents: 1 Multicolor Pendant Light and 1 Wireless Remote.

2. SAFETY INFORMATION

- Read all instructions before use and retain for future reference.
- This product is intended for indoor use only. Do not expose to water or high humidity.
- Do not attempt to disassemble or modify the light. This may void the warranty and pose a safety risk.
- Keep out of reach of children.
- Ensure batteries are inserted correctly into the remote control, observing polarity.
- Do not mix old and new batteries, or different types of batteries.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- 1 x BYTECH Multi Color Pendant Light
- 1 x Wireless Remote Control
- *Note: 3x AAA batteries for the remote control are not included.*

4. SETUP

4.1 Remote Control Battery Installation

1. Locate the battery compartment on the back of the wireless remote control.
2. Open the battery compartment cover.
3. Insert 3 AAA batteries, ensuring correct polarity (+/-).
4. Close the battery compartment cover securely.

4.2 Hanging the Pendant Light

The pendant light is designed to be hung. Use the integrated loop or hook to secure it to a suitable fixture or surface. Ensure the hanging point can safely support the weight of the light.

Image 1.2: Side view of the product packaging illustrating key features with icons: 'Changes up to 12 Colors', 'Hang It', 'Adjustable Brightness', and 'Timer'.

5. OPERATING INSTRUCTIONS

Use the wireless remote control to operate the pendant light.

5.1 Power On/Off

- Press the **ON/OFF** button on the remote to turn the light on or off.

5.2 Changing Colors

- Press the **COLOR** button to cycle through the available 12 multi-color options.

5.3 Adjusting Brightness

- Use the **BRIGHTNESS +** and **BRIGHTNESS -** buttons to increase or decrease the light intensity.

5.4 Timer Function

- Press the **TIMER** button to activate the timer function. The light will automatically turn off after a preset duration (refer to remote markings for specific timer options, if any).

6. MAINTENANCE

6.1 Cleaning

- Ensure the light is off before cleaning.
- Wipe the surface of the pendant light and remote control with a soft, dry cloth.
- Do not use abrasive cleaners, solvents, or harsh chemicals.

6.2 Remote Control Battery Replacement

- If the remote control's range decreases or it stops responding, replace the AAA batteries as described in Section 4.1.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on.	Remote batteries are dead or incorrectly inserted.	Replace remote batteries or check polarity.
Remote control not responding.	Out of range; Obstruction between remote and light; Low remote battery.	Move closer to the light; Remove obstructions; Replace remote batteries.
Light colors are not changing.	Remote button not pressed correctly.	Ensure the COLOR button is pressed firmly.
