## LOKEME PWC0002-gray

# LOKEME Portable Closet Instruction Manual

Model: PWC0002-gray | Brand: LOKEME

## 1. INTRODUCTION

Thank you for choosing the LOKEME Portable Closet. This 67-inch wardrobe closet is designed to provide extra and large storage space for your garments, offering a sturdy and easy-to-assemble solution for organizing your clothes and accessories. Its robust construction ensures long-term storage needs are met, keeping your items protected from dust and moisture.

**BEFORE**  
*ALL IN A MESS*

**AFTER**  
*CLEAN AND  
BEAUTIFUL*

## 2. COMPONENTS

Before assembly, please ensure all components are present and undamaged. The LOKEME Portable Closet is

constructed from durable non-woven fabric, sturdy metal tubes, and strengthened plastic connectors.

- **Non-woven Fabric Cover:** Sturdy, breathable, and designed to protect clothing from dust and moisture.
- **25mm Steel Tubes:** Provides the main structural support, designed for strength and durability.
- **Strengthened Plastic Connectors:** Used to join the steel tubes, ensuring a stable frame.
- **Hanging Rods (x4):** For hanging tops, coats, and sweaters.
- **Storage Shelves:** For folded items, handbags, hats, quilts, and storage boxes.

### 3. SETUP (ASSEMBLY INSTRUCTIONS)

The LOKEME Portable Closet is designed for quick and easy assembly without requiring extra tools. A detailed manual is included with your product. Follow the steps carefully to ensure proper and sturdy construction. Some users have found that a mallet (often included) can be helpful to firmly secure connections.

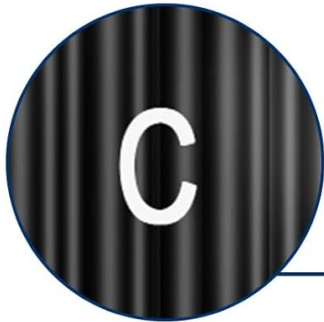

1. **Unpack and Identify:** Lay out all components and identify them using the provided parts list in your manual. Each part is numbered for easy identification.
2. **Assemble Base Frame:** Connect the shortest steel tubes with plastic connectors to form the base rectangular sections.
3. **Build Upwards:** Insert vertical tubes into the base connectors. Continue adding horizontal tubes and connectors to build the frame upwards, section by section.
4. **Install Shelves:** Place the PP resin sheets onto the designated shelf frames. Ensure they are securely fitted.
5. **Attach Hanging Rods:** Insert the hanging rods into their respective connectors at the top sections of the frame.
6. **Apply Cover:** Once the frame is fully assembled and stable, carefully drape the non-woven fabric cover

over the structure. Ensure the cover aligns correctly with the frame.

7. **Secure Cover:** Zip up the front panels of the cover. The cover features T-shaped zippers for easy access.

#### 4. OPERATING INSTRUCTIONS

The LOKEME Portable Closet offers versatile storage options:

- **Accessing Contents:** Use the T-shaped zippers on the front cover to open and close the closet. The cover can be fully zipped down for complete enclosure or rolled up and secured with the attached ties for open access.
- **Hanging Clothes:** Utilize the four hanging rods for items like shirts, dresses, coats, and trousers. Each hanging rod can support up to approximately 75 pounds.
- **Shelf Storage:** The various shelves are ideal for folded clothing, handbags, hats, and other accessories. Each shelf can hold up to approximately 25 pounds.
- **Top Storage:** The top of the closet can be used for larger items such as suitcases, bags, or storage

boxes.

- **Bottom Space:** The space at the bottom of the closet is suitable for shoes or smaller storage bins.

# VERSATILE STYLE

Suitable for every style and scene

## 5. MAINTENANCE

To maintain the longevity and appearance of your LOKEME Portable Closet:

- **Cleaning:** Wipe the non-woven fabric cover and plastic shelves with a dry cloth to remove dust and dirt. For tougher spots, a slightly damp cloth can be used, followed by immediate drying.
- **Avoid Overloading:** Do not exceed the recommended weight capacities for the hanging rods (approx. 75 lbs) and shelves (approx. 25 lbs) to prevent damage to the frame.
- **Regular Checks:** Periodically check all plastic connectors to ensure they remain firmly attached to the steel tubes. Re-secure any loose connections.
