

Doubc C8X

Doubc C8X Wireless Earbuds User Manual

Brand: Doubc | Model: C8X

INTRODUCTION

This manual provides comprehensive instructions for the setup, operation, and maintenance of your Doubc C8X Wireless Earbuds. Designed for comfort and high-fidelity audio, these earbuds offer a seamless listening experience for various activities. Please read this manual thoroughly to ensure optimal performance and longevity of your device.

Image: Overview of the C8X True Wireless Earbuds, highlighting key features like Bluetooth 5.0, IPX7 Waterproofing, Super Stereo Sound, Crystal Clear Call, 48H Playtime, and Touch Control.

WHAT'S IN THE BOX

Verify that all components are present in your package:

- Doubc C8X Wireless Earbuds (Left and Right)
- Charging Case
- USB-C Charging Cable

- User Manual
- Multiple Eartip Sizes (Small, Medium, Large)

BLUETOOTH 5.0 & ONE STEP PAIRING

Automatically pair with the last paired device when opening the case

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge both the earbuds and the charging case. The charging case features a smart LED display that shows the battery percentage from 1% to 100%, reminding you when it needs to be charged to prevent unexpected shutdowns.

- **Earbuds Charging:** Place the earbuds into the charging case. They will automatically begin charging. The LED indicators on the earbuds will show charging status. A full charge for the earbuds typically takes 1-2 hours, providing up to 8 hours of listening time on a single charge.
- **Case Charging:** Connect the provided USB-C cable to the charging port on the back of the case and plug the other end into a compatible USB power source. The LED display will show the charging progress. The case takes approximately 1.5 hours to fully charge. A fully charged case provides up to 48 hours of total playtime for

the earbuds.

48H Ultra-long Playtime

This wireless earbuds let you freely enjoy music, movies, games or phone calls without any distraction or interruption.

-  **8HRS** on a single charge
-  **48HRS** with charging case
-  **1-2HRS** quick charge

Image: Close-up of the charging case's smart LED display showing battery percentage and the fast Type-C charging port.

2. Powering On/Off

- **Automatic Power On:** Open the lid of the charging case. The earbuds will automatically power on, and the red and blue indicator lights will flash.
- **Automatic Power Off:** Place the earbuds back into the charging case and close the lid. The earbuds will automatically power off and begin charging.
- **Manual Power On:** Long press the touch control area on both earbuds for 3 seconds.
- **Manual Power Off:** Long press the touch control area on both earbuds for 5 seconds.

Super lightweight, smaller than coin, easy to carry

Image: Visual guide demonstrating how to boot up, use, and shut down the earbuds by interacting with the charging case.

3. Pairing

The earbuds support one-step pairing and will automatically connect to the last paired device when removed from the charging case. For first-time pairing or pairing with a new device:

1. Ensure the earbuds are charged and powered on.
2. Open the Bluetooth settings on your device (smartphone, tablet, laptop).
3. Search for “C8X” in the list of available devices and select it to connect.
4. Once connected, a voice prompt will confirm successful pairing.

OPERATING THE EARBUDS

1. Touch Controls

The Doubc C8X earbuds feature intuitive touch controls for managing audio playback and calls:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the Right earbud.
- **Previous Track:** Double tap on the Left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Long press on either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud.

2. Wearing Instructions

For optimal sound quality and a secure fit, choose the eartip size that best suits your ears. The earbuds are ergonomically designed to fit snugly and stay secured in the ear canal, making them suitable for various activities including workouts and running.

- Gently insert the earbud into your ear canal.
- Rotate it slightly until it feels secure and comfortable.
- Test the fit by gently shaking your head. If the earbud feels loose, try a different eartip size.

FULL DAY PLAY

Up to 8 hours of listening from a single charging.

3. Mono/Binaural Mode

The Doubc C8X earbuds can be used in either mono (single earbud) or binaural (both earbuds) mode:

- **Mono Mode:** Use a single earbud for calls or listening while remaining aware of your surroundings. This is ideal for driving or working.
- **Binaural Mode:** Use both earbuds for a full stereo sound experience, perfect for music and immersive audio.

MONO/BINAURAL MODE

Mono mode for working/driving

Fit various of all activities,
more convenience.

Binaural mode to enjoy stereo sound

MAINTENANCE

Proper care ensures the longevity and performance of your Doubc C8X earbuds:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Eartips:** Remove and clean the silicone eartips periodically with water and mild soap. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, always store the earbuds in their charging case to protect them from dust, damage, and to keep them charged.
- **Water Resistance:** The earbuds are IPX7 waterproof, meaning they can resist the penetration from splashes and water. However, they are not designed for swimming or prolonged submersion. Ensure the charging port is dry before charging.

IPX7 WATERPROOF

Resist all the penetration from splash and water

TROUBLESHOOTING

If you encounter any issues with your Doubc C8X Wireless Earbuds, refer to the following common problems and solutions:

- **No Sound from One Earbud:** Ensure both earbuds are properly charged. Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid and try again. Check your device's Bluetooth settings to ensure both earbuds are connected.
- **Earbuds Not Pairing:** Make sure Bluetooth is enabled on your device. Ensure the earbuds are powered on and in pairing mode (flashing red and blue lights). If issues persist, try forgetting the device in your Bluetooth settings and re-pairing.
- **Charging Issues:** Verify the USB-C cable is securely connected to both the charging case and the power source. Check if the charging port is clean and free of debris. Ensure the power source is functioning correctly.
- **Low Volume/Poor Sound Quality:** Adjust the volume on both your device and the earbuds. Ensure the eartips are properly seated in your ear canal to create a good seal. Try different eartip sizes for a better fit.
- **Earbuds Keep Disconnecting:** Ensure the earbuds are within the effective Bluetooth range of your device.

(typically 10 meters/33 feet). Avoid obstacles or strong electromagnetic interference.
