Cherry DW 9100 Slim

CHERRY DW 9100 Slim Wireless Keyboard and Mouse Set User Manual

Model: DW 9100 Slim (JD-9100US-2)

1. INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your CHERRY DW 9100 Slim Wireless Keyboard and Mouse Set. This rechargeable desktop set offers both 2.4 GHz wireless and Bluetooth connectivity, featuring a slim design and silent keystroke SX Scissor Mechanism for comfortable and efficient use in various environments.

Image 1.1: The CHERRY DW 9100 Slim Wireless Keyboard and Mouse Set, including the USB nano receiver.

2. PACKAGE CONTENTS

Please check the package contents upon unboxing to ensure all components are present:

- CHERRY DW 9100 Slim Wireless Keyboard
- CHERRY DW 9100 Slim Wireless Mouse
- USB Nano Receiver
- USB-C Charging Cable
- User Manual (this document)

3. SETUP

3.1 Charging the Devices

Both the keyboard and mouse are equipped with rechargeable lithium batteries.

1. Connect the supplied USB-C charging cable to the USB-C port on the keyboard and mouse.
2. Connect the other end of the cable to a powered USB port (e.g., computer, USB wall adapter).
3. The status LED on each device will indicate the charging status. A full charge is indicated when the LED changes color or turns off (refer to Section 4.3 for LED indicators).

3.2 Connecting via 2.4 GHz Wireless

For a stable and fast wireless connection, use the included USB nano receiver.

1. Locate the USB nano receiver.
2. Plug the USB nano receiver into an available USB port on your computer.
3. On both the keyboard and mouse, locate the connectivity switch. Set the switch to the **2.4 GHz** position (often indicated by a receiver icon or "RF").
4. The devices should automatically connect to your computer.

3.3 Connecting via Bluetooth

The set supports Bluetooth connectivity for devices that have Bluetooth capabilities.

1. On both the keyboard and mouse, locate the connectivity switch. Set the switch to the **Bluetooth** position (often indicated by a Bluetooth icon).
2. On your computer or device, open the Bluetooth settings.
3. Initiate the pairing process on your device. The keyboard and mouse should appear in the list of discoverable devices (e.g., "CHERRY DW 9100 Keyboard", "CHERRY DW 9100 Mouse").
4. Select each device to pair them. Follow any on-screen prompts, such as entering a pairing code for the keyboard.

Note: The keyboard and mouse can be paired with multiple Bluetooth devices. Use the connectivity switch to toggle between paired devices or 2.4 GHz mode.

4. OPERATING INSTRUCTIONS

4.1 Keyboard Functions

The CHERRY DW 9100 Slim Keyboard features a full-size layout with an SX Scissor Mechanism for silent and precise keystrokes.

- **Standard Keys:** All standard alphanumeric and symbol keys function as expected.
- **Function Keys (F1-F12):** These keys may have secondary functions (e.g., media control, volume, brightness) accessible by pressing the **Fn** key simultaneously. Refer to your operating system's settings for specific function key behavior.
- **Numeric Keypad:** Provides dedicated number entry.

Image 4.1: Side profile of the CHERRY DW 9100 Slim Keyboard, highlighting its thin design.

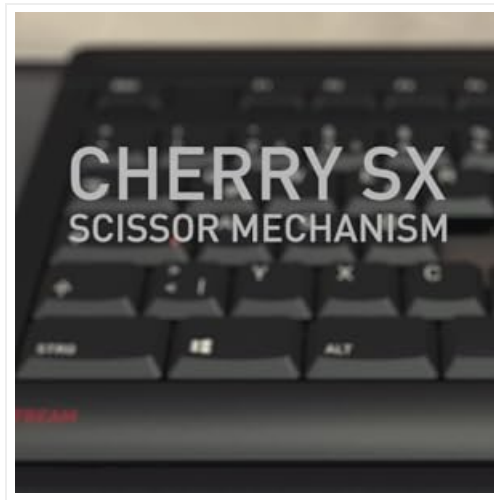

Image 4.2: Visual representation of the CHERRY SX Scissor Mechanism, responsible for silent and precise keystrokes.

4.2 Mouse Functions

The CHERRY DW 9100 Slim Mouse features 6 buttons and a scroll wheel for versatile navigation.

- **Left/Right Click:** Standard mouse buttons.
- **Scroll Wheel:** For vertical scrolling and as a middle click button.
- **Side Buttons:** Typically used for forward/backward navigation in web browsers.
- **DPI Switch:** A button, usually near the scroll wheel, allows adjustment of the mouse's sensitivity (DPI - Dots Per Inch). Pressing this button cycles through different DPI settings, indicated by the mouse's status LED.

Image 4.3: Top view of the CHERRY DW 9100 Slim Mouse, showing the left/right click buttons, scroll wheel, and DPI switch.

Image 4.4: Side view of the CHERRY DW 9100 Slim Mouse, illustrating the ergonomic design and side buttons.

4.3 Status LEDs

Both the keyboard and mouse feature status LEDs to provide information on battery level, charging status, and mouse resolution.

- **Low Battery:** The LED will flash or illuminate in a specific color (e.g., red) when the battery level is low, indicating that charging is required.
- **Charging:** The LED will illuminate while charging and typically change color or turn off when fully charged.
- **Mouse Resolution (DPI):** When adjusting the DPI, the mouse LED may briefly flash to indicate the current setting.

5. MAINTENANCE

5.1 Cleaning

To maintain the performance and appearance of your devices:

- Disconnect the devices from your computer before cleaning.
- Use a soft, lint-free cloth slightly dampened with water or a mild cleaning solution.
- Avoid using harsh chemicals, abrasive cleaners, or solvents, as these can damage the surfaces.
- For the keyboard, use compressed air to remove dust and debris from between the keys.

5.2 Battery Care

The integrated lithium batteries are designed for long-term use.

- Recharge the devices when the low battery indicator appears.
- Avoid fully discharging the batteries frequently to prolong their lifespan.
- If storing the devices for an extended period, charge them to approximately 50% before storage.

6. TROUBLESHOOTING

If you encounter issues with your CHERRY DW 9100 Slim set, refer to the following common solutions:

6.1 Connectivity Issues

- **No Connection (2.4 GHz):**

- Ensure the USB nano receiver is securely plugged into a working USB port.
- Verify the keyboard and mouse connectivity switches are set to the **2.4 GHz** position.
- Try plugging the receiver into a different USB port.
- Ensure the devices are sufficiently charged.

- **No Connection (Bluetooth):**

- Ensure the keyboard and mouse connectivity switches are set to the **Bluetooth** position.
- Confirm Bluetooth is enabled on your computer/device.
- Remove previous pairings from your device's Bluetooth settings and attempt to re-pair.
- Ensure the devices are sufficiently charged.

6.2 Power and Charging Issues

- **Devices Not Charging:**

- Check that the USB-C charging cable is properly connected to both the device and the power source.
- Try a different USB-C cable or a different USB power source.
- Ensure the power source is active.

- **Short Battery Life:**

- Ensure devices are fully charged before use.
- Battery life can vary based on usage patterns.

6.3 Mouse Tracking Issues

- **Inaccurate or No Tracking:**

- Ensure the mouse sensor is clean and free of debris.
- Use the mouse on a suitable surface (e.g., mouse pad). Highly reflective or transparent surfaces may cause issues.
- Adjust the DPI setting using the DPI switch on the mouse.

7. SPECIFICATIONS

Feature	Detail
Model Number	JD-9100US-2
Product Dimensions	17.32 x 5.12 x 0.59 inches
Item Weight	2.35 pounds
Batteries	Rechargeable Lithium (USB-C)
Connectivity Technology	Bluetooth, 2.4 GHz Radio Frequency (USB)
Special Feature	Rechargeable, Silent Keystroke (SX Scissor Mechanism)
Compatible Devices	Personal Computer
Manufacturer	CHERRY

Note on Batteries: The product description indicates USB-C rechargeable lithium batteries. The specification "1 AA batteries required."

(included)" in the source data appears to be a discrepancy. Please rely on the USB-C rechargeable feature for this model.

8. WARRANTY AND SUPPORT

CHERRY products are manufactured to high-quality standards. For detailed warranty information, including terms and conditions, please refer to the official CHERRY website or the warranty card included with your product.

For technical support, troubleshooting assistance beyond this manual, or to inquire about replacement parts, please visit the official CHERRY support portal or contact their customer service directly.

- **Official CHERRY Website:** www.cherry.de/en/ (or regional equivalent)
- **Customer Support:** Refer to the website for contact details.

CHERRY DW 9100 SLIM

Rechargeable wireless desktop

"Open calculator".

The wireless computer mouse, which matches the keyboard perfectly in terms of appearance, also has numerous features. It fits ideally in the user's hand thanks to its rubber-coated side parts and a compact design. The resolution can be set in three stages at the touch of a button: 1000, 3000 or 2400 dpi. A two-color status LED provides the user with information on the battery status, the charging status. The selected resolution on the connection status at all times. An extra-durable mouse wheel with optical scanning and a magnetic storage feature for the USB receiver are further details that ensure nothing is left to be desired.

Rechargeable designer desktop with many extra features

The CHERRY DW 9100 SLIM desktop set stands out due to its innovative functions, excellent workmanship and very flat design. You can connect the wireless mouse and keyboard with the 2.4-GHz wireless USB receiver supplied or via Bluetooth®. You can switch connection types in an instant using a switch on the wireless mouse or keyboard. This allows e.g. a laptop to be connected via Bluetooth® 4.2 and a PC to be additionally connected via a wireless connection to be operated with the same desktop set. The data is transferred using AES-128 encryption in both cases. The range of up to 10 meters is also sufficient for e.g. multimedia applications on televisions.

The CHERRY DW 9100 SLIM set features rechargeable lithium batteries that last for weeks of work. You can then conveniently charge the wireless mouse and keyboard using the USB-C cable included, even while you are working. To ensure that the rechargeable batteries are still charged after a holiday, the wireless keyboard and mouse can be switched off completely with a switch.

The keyboard contains an integrated metal plate, lending it an optimal sturdiness and stability. If you prefer a steeper angle while typing, you can adjust the wireless keyboard using the removable magnetic strip. High stability is ensured by the metal plate, which prevents bending and bounding when typing.

The use of high-quality scissor mechanisms with a low key stroke ensures an ideal typing experience. Status LEDs integrated directly in each key provide information on whether the CAPS LOCK, SCROLL and NUM keys are activated. In addition, these keys flash to warn that the battery charging status is low. The 6 additional keys have proved to be extremely convenient and practical: "Windows lock", "Open browser", "Quitter", "Quitter", "Mute" and "Mute".

CHERRY DW 9100 SLIM
Rechargeable designer desktop with many extra features

Models may vary from the image shown

The CHERRY DW 9100 SLIM set features rechargeable lithium batteries that last for weeks of work. You can then conveniently charge the wireless mouse and keyboard using the USB-C cable included, even while you are working. To ensure that the rechargeable batteries are still charged after a holiday, the wireless keyboard and mouse can be switched off completely with a switch.

The keyboard contains an integrated metal plate, lending it an optimal stiffness and stability. If you prefer a steeper angle while typing, you can adjust the wireless keyboard using the removable magnetic strip. High stability is ensured by the metal plate, which prevents bending and bending when typing.

The use of high-quality scissor mechanisms with a low key stroke ensures an ideal typing experience. Status LEDs integrated directly in each key provide information on whether the CAPS LOCK, SCROLL and NUM keys are activated. In addition, these keys flash to warn that the battery charging status is low. The additional keys have proved to be extremely convenient and practical: "Window lock", "Open browser", "Quoter", "Louder", "Mute" and "Open calculator".

The wireless computer mouse, which matches the keyboard perfectly in terms of appearance, also has numerous features. It fits easily in the user's hand thanks to its rubber-coated side parts and a compact design. The resolution can be set in three stages at the touch of a button: 1000, 1600 or 2400 dpi. A two-color status LED provides the user with information on the battery status, the charging status at all times. An extra-durable mouse wheel with optical scanning and a magnetic storage feature for the USB receiver are further details that ensure nothing is left to be desired.

Regardless of mobile working, in the office or home office, the DW 9100 SLIM Desktop is your constant, stylish companion. The choice of Bluetooth® or wireless connection means you are flexibly equipped for all eventualities.

FUNCTION AND PERFORMANCE

- Connection either via Bluetooth or 2.4 GHz wireless
- AES-128 encryption for mouse and keyboard
- Rechargeable lithium batteries in the mouse and keyboard
- Can be recharged at any USB socket
- Status LEDs show the residual battery charge, charging status and mouse resolution
- Status LEDs show the CAPS LOCK, NUM and SCROLL keys

CHERRY DW 9100 SLIM
Wiederaufladbares Design-Desktop mit vielen Extras

Models may vary from the image shown

Das CHERRY DW 9100 SLIM Desktop-Set begeistert durch innovative Funktionen, herausragende Verarbeitung und ein flaches Design. Verbinden Sie die Funkmaus und Tastatur wahlweise mit dem beiliegenden 2,4-GHz-Funk-USB-Empfänger oder per Bluetooth®. Durch einen Schalter an der Wireless Maus bzw. Tastatur wechseln Sie blitzschnell zwischen diesen Verbindungsmethoden. So lässt sich z. B. von Notebook per Bluetooth® 6.2 und zusätzlich im PC über Funk mit dem gleichen Desktop bedienen. Die Übertragung der Daten erfolgt in beiden Fällen mit einer AES-128-Verschlüsselung. Die Reichweite von bis zu 10 Metern ist dabei z. B. auch für Multimedia-Anwendungen am Fernseher ausreichend.

Das CHERRY DW 9100 SLIM Set verfügt über wiederaufladbare Lithium-Akkus, die wochenlanges Arbeiten ermöglichen. Danach laden Sie die Funkmaus und Tastatur bequem über das beiliegende USB-C-Kabel, auch während des Arbeitens. Damit die Akkus auch nach dem Urlaub noch geladen sind, lassen sich die drahtlose Tastatur und Maus über einen Schalter komplett ausschalten.

Die Tastatur enthält eine eingebaute Metallplatte, die Ihr maximale Standsfestigkeit und Stabilität verleiht. Falls Sie beim Tippen einen idealen Winkel bevorzugen, können Sie die Funktastatur mit der abnehmbaren Magnet-Leiste entsprechend anpassen. Auch damit sorgt die Metall-Platte für eine hohe Stabilität und trägt Durchdringen und Fließen beim Schreiben vor.

Das optimale Schreibgefühl wird durch die Verwendung von hochwertiger Scherelemente mit geringem Tastenhub erreicht. Eingebaute Status-LEDs direkt in den jeweiligen Tasten geben Auskunft, wenn die Hasterleiste, die Rollen-Taste oder die Num-Lock-Taste aktiviert ist. Zusätzlich geben diese Tasten über ein Blinken eine Warnung, wenn der Batteriestatus niedrig ist. Über die komfortablen und preisgünstigen Tasten, die die 4 zusätzlichen Tasten: Window Lock, Browser öffnen, Leiser, Louder, Stumm und Taschenrechner öffnen.

Optimal, perfekt dazu passend, wartet auch die kabellose Computer Maus mit zahlreichen Features auf. Geringe Seitenhöhe und eine kompakte Form bewirken ein ideales Handgefühl. Die Auflösung lässt sich 3-fach pro Knopfdruck einstellen: 1000, 1600 oder 2400 dpi. Eine zweifarbige Status-LED gibt Ihnen dabei jederzeit Auskunft über den Batteriestatus, den Ladestatus, die gewählte Auflösung oder den Verbindungstatus. Ein extra langgestrecktes Mausrad und eine magnetische Verankerung für den USB-Empfänger sind weitere Details, die keine Wünsche offenlassen.

Egal ob für mobiles Arbeiten, im Office oder Home Office: Das DW 9100 SLIM Desktop-Set ist immer Ihr ständiger Begleiter. Mit wahlweise Bluetooth® oder Funk-Verbindung bleiben Sie flexibel und sind für alle Eventualitäten gerüstet.

FUNCTION UND LEISTUNG

- Wahlweise Verbindung über Bluetooth oder über 2,4 GHz Funk
- AES-128-Verschlüsselung für Maus und Tastatur
- Wiederaufladbare Lithium-Akkus in Maus und Tastatur
- An jeder USB-Buchse aufladbar
- Status-LEDs zeigen niedrigen Batteriestand, Ladestatus und Maus-Auflösung an

CHERRY DW 9100 SLIM

Rechargeable designer desktop with many extra features

Mouse key cover from the image shown

The CHERRY DW 9100 SLIM desktop set stands out due to its innovative functions, excellent workmanship and very flat design. You can connect the wireless mouse and keyboard with the 2.4-GHz wireless USB receiver supplied or via Bluetooth®. You can switch connection types in or instant using a switch on the wireless mouse or keyboard. This allows e.g. a laptop to be connected via Bluetooth® 4.2 and a PC to be additionally connected via a wireless connection to be operated with the same desktop set. The data is transferred using AES-128 encryption in both cases. The range of up to 10 meters is also sufficient for e.g. multimedia applications on televisions.

The CHERRY DW 9100 SLIM set features rechargeable lithium batteries that last for weeks of work. You can then conveniently charge the wireless mouse and keyboard using the USB-C cable included, even while you are working. To ensure that the rechargeable batteries are still charged after a holiday, the wireless keyboard and mouse can be switched off completely with a switch.

The keyboard contains an integrated metal plate, lending it an optimal sturdiness and stability. If you prefer a sharper angle while typing, you can adjust the wireless keyboard using the removable magnetic strip. High stability is ensured by the metal plate, which prevents bending and bounding when typing.

The use of high-quality scissor mechanisms with a low key stroke ensures an ideal typing experience. Status LEDs integrated directly in each key provide information on whether the CAPS LOCK, SCROLL and NUM keys are activated. In addition, these keys flash to warn that the battery charging status is low. The 4 additional keys have proved to be extremely convenient and practical: "Windows lock", "Open browser", "Quiet", "Loud", "Mute" and "Open calculator".

The wireless computer mouse, which matches the keyboard perfectly in terms of appearance, also has numerous features. It fits ideally in the user's hand thanks to its rubber-coated side parts and a three-stage at the touch of a button: 100%, 100% or 200% dpi. A two-color status LED provides the user with information on the battery status, the charging status, the selected resolution or the connection status at all times. An extra-durable mouse wheel with optical scanning and a magnetic storage feature for the USB receiver are further details that ensure nothing is left to be desired.

Regardless of mobile working in the office or home office, the DW 9100 SLIM Desktop is your constant, stylish companion. The choice of Bluetooth® or wireless connection means you are fully equipped for all eventualities.

FUNCTION AND PERFORMANCE

- Connection either via Bluetooth or 2.4 GHz wireless
- AES-128 encryption for mouse and keyboard
- Rechargeable lithium batteries in the mouse and keyboard
- Can be recharged at any USB socket
- Status LEDs show low residual battery charge, charging status and mouse resolution
- Status LEDs show low residual battery charge, charging status and mouse resolution
- Status LEDs show low residual battery charge, charging status and mouse resolution

CHERRY DW 9100 SLIM

Wiederaufladbares Design-Desktop mit vielen Extras

Mouse key cover from the image shown

Das CHERRY DW 9100 SLIM Desktop-Set begeistert durch innovative Funktionen, herausragende Verarbeitung und eine flache Design. Verbinden Sie die Funkmaus und Tastatur wahlweise mit dem beiliegenden 2.4-GHz Funk-USB-Empfänger oder per Bluetooth®. Durch einen Schalter an der Wireless Maus bzw. Tastatur wechseln Sie blitzschnell zwischen diesen Verbindungsmethoden. So lässt sich z. B. ein Notebook per Bluetooth® 4.2 und zusätzlich ein PC über Funk mit dem gleichen Desktop bedienen. Die Übertragung der Daten erfolgt in beiden Fällen mit einer AES-128 Verschlüsselung. Die Reichweite von bis zu 10 Metern ist dabei z. B. auch für Multimediale Anwendungen am Fernseher ausreichend.

Das CHERRY DW 9100 SLIM Set verfügt über wiederaufladbare Lithium-Akkus, die wochenlanges Arbeiten ermöglichen. Danach laden Sie die Funkmaus und Tastatur bequem über das beiliegende USB-C-Kabel, auch während des Arbeitens. Damit die Akkus auch nach dem Urlaub noch geladen sind, lassen sich die drahtlose Tastatur und Maus über einen Schalter komplett ausschalten.

Die Tastatur enthält eine eingebaute Metallplatte, die für maximale Stabilität und Stabilität verleiht. Falls Sie beim Tippen einen störenden Winkel bevorzugen, können Sie die Funktastatur mit der abnehmbaren Magnet-Leiste entsprechend einstellen. Auch dem ergibt die Metall-Platte für eine hohe Stabilität und beugt Durchbiegen und Profilen beim Schreiben vor.

Das optimale Schreibgefühl wird durch die Verwendung von hochwertiger Scherenmechanik mit geringen Tastenhub erreicht. Eingebaute Status LEDs direkt in den jeweiligen Tasten geben Auskunft, wenn die Hochstufleiste, die Rollen-Taste oder die Num-Lock-Taste aktiviert ist. Zusätzlich geben diese Tasten über ein Blinken eine Warnung, wenn der Batteriestand niedrig ist. Überaus komfortabel und preisgünstig erkennen sich die 4 zusätzlichen Tasten: Windows Lock, Browser öffnen, Lauter, Lauter, Stumm und Taschenrechner öffnen.

Optisch, perfekt dazu passend, wartet auch die kabellose Computer Maus mit zahlreichen Features auf. Gummierete Seitenränder und eine kompakte Form bewirken ein ideales Handgefühl. Die Auflösung lässt sich 3-stufig per Knopfdruck einstellen: 100%, 100% oder 200%. Eine zweifarbige Status-LED gibt Ihnen dabei jederzeit Auskunft über den Batteriestatus, den Ladezustand, die gewählte Auflösung oder den Verbindungsstatus. Ein extra leuchtendes Mausrad und eine magnetische Verankerung für den USB-Empfänger sind weitere Details, die keine Wünsche offenlassen.

Egal ob für mobiles Arbeiten, im Office oder Home Office: Das DW 9100 SLIM Desktop ist immer Ihr ständiger Begleiter. Mit wahlweise Bluetooth® oder Funk-Verbindung bleiben Sie flexibel und sind für alle Eventualitäten gerüstet.

typing

The use of high-quality scissor mechanisms with a low key stroke ensures an ideal typing experience. Status LEDs integrated directly in each key provide information on whether the CAPS LOCK, SCROLL and NUM keys are activated. In addition, these keys flash to warn that the battery charging status is low. The additional keys have proved to be extremely convenient and practical: "Windows lock", "Open browser", "Quoter", "Loudst", "Mute" and "Open calculator".

The wireless computer mouse, which matches the keyboard perfectly in terms of appearance, also has numerous features. It fits ideally in the user's hand thanks to its rubber-coated side parts and a compact design. The resolution can be set in three stages at the touch of a button: 1000, 1600 or 2000 dpi. A two-color status LED provides the user with information on the battery status, the charging status at all times. An extra-durable mouse wheel with optical scanning and a magnetic storage feature for the USB receiver are further details that ensure nothing is left to be desired.

Regardless for mobile working, in the office or home office, the DW 9100 SLIM Desktop is your constant, stylish companion. The choice of Bluetooth® or wireless connection means you are flexibly equipped for all eventualities.

The CHERRY DW 9100 SLIM desktop set stands out due to its innovative functions, excellent workmanship and very flat design. You can connect the wireless mouse and keyboard with the 2.4-GHz wireless USB receiver supplied or via Bluetooth®. You can switch connection types in no instant using a switch on the wireless mouse or keyboard. This allows e.g. a laptop to be connected via Bluetooth® 4.2 and a PC to be additionally connected via a wireless connection to be operated with the same desktop set. The data is transferred using AES-128 encryption in both cases. The range of up to 10 meters is also sufficient for e.g. multimedia applications on televisions.

The CHERRY DW 9100 SLIM set features rechargeable lithium batteries that last for weeks of work. You can then conveniently charge the wireless mouse and keyboard using the USB-C cable included, even while you are working. To ensure that the rechargeable batteries are still charged after a holiday, the wireless keyboard and mouse can be switched off completely with a switch.

The keyboard contains an integrated metal plate, lending it an optimal sturdiness and stability. If you prefer a steeper angle while typing, you can adjust the wireless keyboard using the removable magnetic strip. High stability is ensured by the metal plate, which prevents bending and bounding when

CHERRY DW 9100 SLIM, bezprzewodowa klawiatura i mysz, układ francuski, klawiatura AZERTY, akumulatory, mechanizm nożycowy SX, ciche naciskanie klawiszy, czarno-brązowy

Indeks: 652172 Producent: Cherry Europe GmbH Kod producenta: JD-9100FR-2

Cena: 476.45 zł

Opis

CHERRY DW 9100 SLIM, bezprzewodowa klawiatura i mysz, układ francuski, klawiatura AZERTY, akumulatory, mechanizm nożycowy SX, ciche naciskanie klawiszy, czarno-brązowy
Producent: Cherry Europe GmbH

Przebudowany Klawiatura i mysz bezprzewodową CHERRY DW 9100 SLIM z francuskim układem klawiszy AZERTY. Produkt cechuje się nowoczesną technologią Bluetooth oraz nat 2.4 GHz z szyfrowaniem AES-128. Klawiatura i mysz posiadają akumulatory litowe USB-C, dzięki LED informujące o stanie baterii i przemyśle mechanizm nożycowy. System redukuje dyktando w klawiaturze zapewnia maksymalną ciszę.

Klawiatura i mysz CHERRY DW 9100 SLIM to doskonałe rozwiązanie dla osób wymagających funkcjonalności. Dzięki cichemu naciskaniu klawiszy oraz czarno-brązowej wykończeniu, produkt doskonale sprawdzi się zarówno w domu, jak i w biurze. Waga klawiatury wynosi 792 gramy, co pozwala na łatwe przenoszenie i użytkowanie. Ponadto, funkcja automatycznego wygaszania ekranu, co umożliwia jego energooszczędność.

CHERRY DW 9100 SLIM to nie tylko stylowy, ale także funkcjonalny sprzęt, który zapewni poczucie nowej jakości wyprodukowanych urządzeń. Dzięki zastosowaniu najnowszych technologii i wysokiej jakości materiałów, klawiatura i mysz gwarantują komfortowe i wydajne użytkowanie. Wybierz CHERRY DW 9100 SLIM i ciesz się wygodą oraz niezawodnością w każdej chwili!

- Opcjonalne połączenie przez Bluetooth lub przez nat 2.4 GHz - także z szyfrowaniem AES-128
- Akumulatory litowe USB-C w myszy i klawiaturze
- Dzięki LED można łatwo sprawdzić stan baterii, która ładowna i niedługo doładować myszy
- Przewidywany mechanizm nożycowy zapewniający doskonałe wykończenie urządzenia
- System redukuje dyktando w klawiaturze dla maksymalnej ciszy
- Technologia Bluetooth, Bluetooth, 100
- Waga produktu: 792 gramy
- Nazwa modelu: CHERRY DW 9100 SLIM

CHERRY DW 9100 SLIM

Rechargeable designer desktop with many extra features

features

The low-voltage audio control mechanisms with a low static current are also typical experience Status LEDs integrated directly in each key provide information on whether the Caps Lock, SCROLL and NUM keys are activated. In addition, these keys also serve as touch-sensitive battery charge indicators. The additional keys provide a further 26 to extremely compact, "woodstock look" ("open browser", "Quicker", "Lander", "Male" and "Super")

The wireless computer mouse, which matches the keyboard perfectly in terms of appearance, also has numerous features. It is ideal in the user's hand thanks to its rubber-coated side parts and a compact design. The resolution can be set in three steps. The mouse also has a scroll wheel and a 3MB app. A two-color status LED provides the user with information on the battery level. The Cherry SLIM app, the selected resolution for the connection and the battery status can be controlled via the app with special signaling and a magnetic storage housing. The SLIM app has further features that ensure nothing is left to be desired.

Regardless for the mobile working, in the office or home office. The Cherry DW 9100 SLIM Desktop is your smart, elegant companion. The Cherry of Business or wireless connection comes your are flexibly equipped at all occasions!

FUNCTION AND PERFORMANCE

- Connection either via Bluetooth or 2.4 GHz
- AES-128 encryption for mouse and keyboard
- Rechargeable lithium battery in the mouse and keyboard
- Can be recharged at any USB socket
- Status LEDs show residual battery charge, Caps Lock, SCROLL and NUM keys
- SCROLL keys for the CAPS LOCK, Lander and Super

Watch your Cherry DW 9100 SLIM desktop

The CHERRY DW 9100 SLIM desktop set stands out due to its innovative functions, excellent workmanship and a modern design. It can be connected to the wireless mouse and keyboard with the 2.4-GHz wireless connection and the Cherry SLIM app. You can switch connection between in a instant using a switch on the mouse and keyboard. The SLIM app allows e.g. a laptop to be connected via Bluetooth. A 2.4 GHz PC to be connected via Bluetooth. The wireless connection can be operated with the same device. The data is transferred using AES-128 encryption in both cases. The range of up to 10 meters is also sufficient for e.g. multimedia applications.

The CHERRY DW 9100 SLIM set features rechargeable lithium battery that lasts weeks of work. You can then conveniently charge mouse and keyboard using the USB-C cable included, even when you are working. To ensure that the rechargeable batteries are still charged after a holiday, the wireless keyboard and mouse can be switched off completely with a switch.

The keyboard contains an integrated metal plate, lending it an optimal structural stability. If you prefer a stronger grip while typing, you can adjust the wireless keyboard using the removable magnetic strip. High stability is ensured by the metal plate, which prevents bending and sounding when

CHERRY DW 9100 SLIM
Wiederaufladbares Design-Desktop mit vielen Extras

CHERRY

der abnehmbaren Magnet-Leiste entsprechend anpassen. Auch dann sorgt die Metall-Platte für eine hohe Stabilität und beugt Durchbiegen und Pressen beim Schreiben vor.

Das optimale Schreibgefühl wird durch die Verwendung von hochwertiger Scherelemente mit geringen Tastenhub erreicht. Eingebaute Status-LEDs leuchten in den jeweiligen Tasten-geheim. Auswärtig, wenn die Tastenleiste, die Tasten-Taste oder die Maus-Lock-Taste aktiviert ist. Zusätzlich geben diese Tasten über ein Blinken eine Warnung, wenn der Batteriestatus niedrig ist. Überaus komfortabel und preisgünstig erweisen sich die 6 zusätzlichen Tasten: Windows-Lock, Browser-Offen, Lauter, Lauter, Stumm und Taschenrechner-Offen.

Optisch, perfekt dazu passend, wartet auch die kabellose Computer-Maus mit zahlreichen Features auf. Gummierete Seitenfläche und eine kompakte Form bewirken ein ideales Handgefühl. Die Auflösung lässt sich 3-fach pro Knopfdruck einstellen: 1000, 1600 oder 2400 dpi. Eine zweifarbige Status-LED gibt Ihnen dabei jederzeit Auskunft über den Batteriestatus, den Ladestatus, die gewählte Auflösung oder den Verbindungsstatus. Ein extra langgestrecktes Mausrad und eine magnetische Verriegelungsfunktion für den USB-Receiver und weitere Details, die keine Wünsche offenlassen.

Egal ob für mobiles Arbeiten, im Office oder Home Office: Das DW 9100 SLIM Desktop ist immer Ihr ständiger Begleiter. Mit wahlweise Bluetooth® oder Funk-Verbindung. Mit der Tastatur und Maus für alle Eventualitäten gerüstet.

FUNKTION UND LEISTUNG

- Wahlweise Verbindung über Bluetooth oder über 2,4 GHz Funk
- AES-128 Verschlüsselung für Maus und Tastatur
- Wiederaufladbare Lithium-Akku in Maus und Tastatur
- An jeder USB-Buchse aufladbar
- Status-LEDs zeigen niedrigen Batteriestand, Ladestatus und Maus-Auflösung an
