# Downy Light Laundry Aroma Booster User Manual

**BRAND: DOWNY**

**Model: 10030772004477**

## 1. INTRODUCTION

The Downy Light Laundry Aroma Booster in Ocean Mist scent provides a long-lasting, light aroma for your laundry. These small, lightly scented beads are designed to enhance freshness without heavy perfumes, dyes, or phosphates. They are suitable for use with all colors and fabrics and are safe for all washing machines.

## 2. SAFETY INFORMATION

Please read and follow all instructions carefully before use. Keep this product out of reach of children and pets. Do not ingest. In case of ingestion, seek medical attention immediately. Avoid contact with eyes. If contact occurs, rinse thoroughly with water for several minutes. If irritation persists, consult a doctor.

Store in a cool, dry place, away from direct sunlight and heat. Ensure the container is tightly closed when not in use to maintain product integrity.

**Figure 2.1:** Product formulation details. This image emphasizes that the product contains no heavy perfumes, dyes, or parabens, contributing to its light aroma profile.

### 3. SETUP AND FIRST USE

The Downy Light Laundry Aroma Booster is designed for simple integration into your laundry routine. No complex setup is required.

#### 3.1 Preparing for Use

1. Ensure your washing machine is empty before adding the beads.
2. Open the Downy Light Laundry Aroma Booster container.
3. Measure the desired amount of beads using the cap. A good starting point is half a capful.

also available in  
shea blossom, woodland rain, white lavender

## 4. OPERATING INSTRUCTIONS

Using Downy Light Laundry Aroma Booster is straightforward and enhances the freshness of your clothes.

### 4.1 Standard Use

- **Step 1: Add Beads.** Toss the measured Downy Light Laundry Aroma Booster beads directly into the empty washer drum.
- **Step 2: Add Laundry.** Place your clothes into the washing machine on top of the beads.
- **Step 3: Add Detergent.** Add your usual laundry detergent as you normally would.
- **Step 4: Wash.** Start your washing cycle. The beads will dissolve during the wash, infusing your laundry with a light, long-lasting scent.

### 4.2 Adjusting Freshness Level

You can adjust the amount of beads used to achieve your desired level of freshness. For a lighter scent, use less than half a cap. For a stronger, yet still light, scent, use a full cap or slightly more.

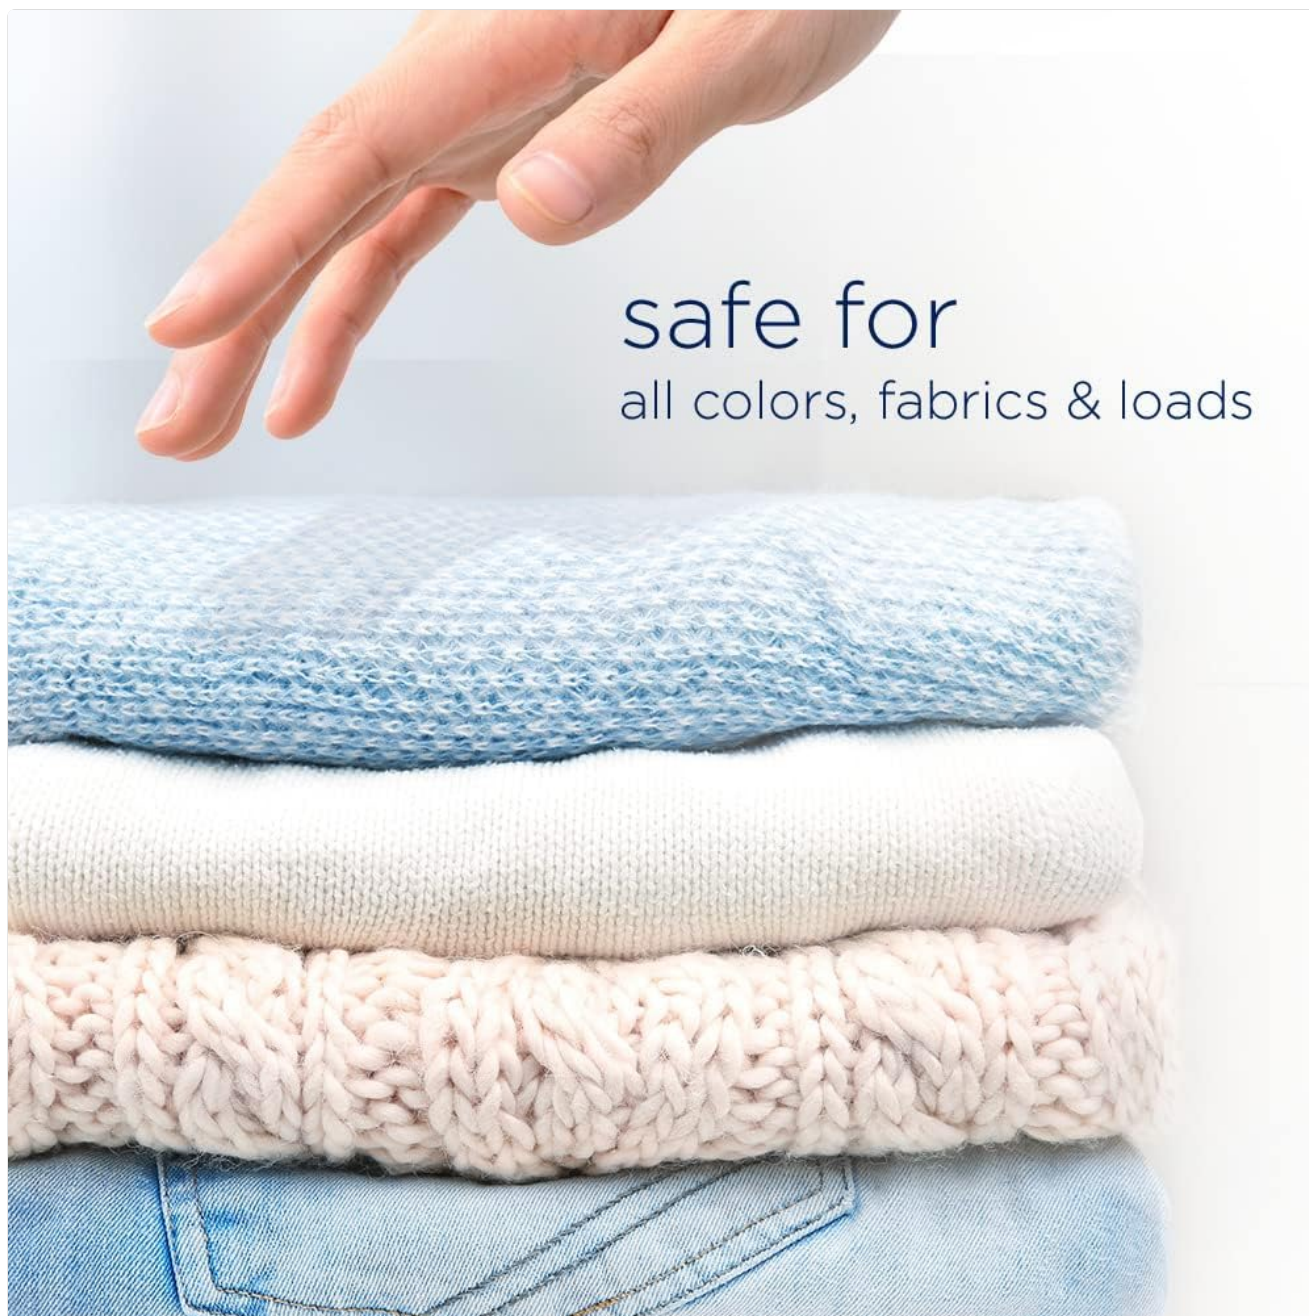

### 4.3 Compatibility

This product is safe for use with all colors and fabrics. It is compatible with all types of washing machines, including standard and high-efficiency (HE) models.

**Figure 4.1:** Enjoying long-lasting freshness. This image depicts the result of using the product, highlighting the 4x longer-lasting light freshness it provides.

**Figure 4.2:** Safe for all laundry. This image shows a stack of diverse fabrics, illustrating that the product is safe for all colors, fabrics, and loads.

## 5. CARE AND STORAGE

Proper care and storage will ensure the longevity and effectiveness of your Downy Light Laundry Aroma Booster.

- **Storage:** Store the container in a cool, dry place, away from direct sunlight and moisture.
- **Container Integrity:** Always ensure the cap is securely closed after each use to prevent the beads from absorbing moisture or losing their scent.
- **Handling:** Handle the container with clean, dry hands to avoid contamination.

## 6. TROUBLESHOOTING

If you encounter any issues with your Downy Light Laundry Aroma Booster, consider the following common solutions:

- **Scent Not Strong Enough:** If the scent is too subtle, try increasing the amount of beads used in the next wash cycle.
- **Beads Not Dissolving:** Ensure the beads are added directly to the washer drum before clothes. Using very cold water or an extremely short cycle might sometimes affect dissolution; ensure adequate water temperature and cycle length.
- **Residue on Clothes:** This is rare. If observed, ensure beads are added directly to the drum and not to the dispenser drawer. Also, ensure you are not overloading the washing machine, which can prevent proper dissolution and rinsing.

For persistent issues not covered here, please refer to the manufacturer's website or contact customer support.

## 7. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Downy
Model Number	10030772004477
ASIN	B09BD9FXGH
Scent	Ocean Mist
