**Atomi Smart 1599448**

# Atomi Smart WiFi LED Wall Sconce Lights Instruction Manual

Model: 1599448

## Introduction

Thank you for choosing Atomi Smart WiFi LED Wall Sconce Lights. This 2-pack of 1200-lumen, dimmable, color-changing lights is designed to enhance your indoor or outdoor ambiance with smart control and durable construction. This manual provides essential information for setup, operation, and maintenance to ensure optimal performance.

## What's Included

- 2 x Atomi Smart WiFi LED Wall Sconce Lights
- Installation Hardware (screws, wire nuts)
- Instruction Manual

## Setup & Installation

### 1. Pre-Installation Considerations

Ensure power is turned off at the circuit breaker before beginning installation. These lights are designed for wall-mount installation and require AC power. An IP65 rating ensures suitability for all-weather outdoor use.

### 2. Physical Installation

Mount the sconce lights securely to a standard electrical junction box. Connect the wiring (live, neutral, ground) according to local electrical codes. The lights are pre-wired for ease of installation.

### 3. App Connection (Atomi Smart App)

Download the free Atomi Smart App from your device's app store. Follow the in-app instructions to connect your lights to your 2.4GHz Wi-Fi network. Note: 5GHz networks are not supported for initial setup.

## Operating Instructions

### 1. Atomi Smart App Control

The Atomi Smart App allows comprehensive control over your wall sconce lights:

- **On/Off:** Toggle power remotely.
- **Color Changing:** Select from over 16 million color options to create desired ambiance.
- **Tunable White:** Adjust white light from warm (2000K) to cool (6500K).

- **Brightness & Saturation:** Fine-tune light intensity and color vibrancy.
- **Scenes & Effects:** Utilize pre-built scene modes for holidays, events, or create custom effects.
- **Scheduling:** Set daily or weekly schedules for automated on/off times.
- **Countdown Timer:** Set a timer for lights to turn off after a specified duration.
- **Grouping:** Link multiple Atomi Smart devices to control them simultaneously.

## 2. Voice Control

The Atomi Smart Wall Sconce Lights are compatible with Amazon Alexa and Google Assistant-enabled devices. Use simple voice commands to control your lights, such as:

- "Alexa, turn on the patio lights."
- "Hey Google, set the wall sconces to blue."
- "Alexa, dim the outdoor lights to 50%."

## Maintenance

The Atomi Smart Wall Sconce Lights are designed for durability with premium aluminum construction and an IP65 all-weather rating. To maintain their appearance and performance:

- **Cleaning:** Wipe the exterior with a soft, damp cloth. Avoid abrasive cleaners or solvents.
- **Inspection:** Periodically check for any loose connections or damage to the wiring or housing.
- **Bulb Replacement:** No bulb replacement is necessary as these lights feature integrated LEDs designed for long-term use (up to 50,000 hours).

## Troubleshooting

| Problem | Possible Cause | Solution |
|---|---|---|
| Lights not turning on. | No power, loose wiring, app connection issue. | Check circuit breaker. Ensure all wiring connections are secure. Verify app connection and light status. |
| Cannot connect to Wi-Fi. | Incorrect Wi-Fi band (2.4GHz required), weak signal, incorrect password. | Ensure your router is broadcasting a 2.4GHz network. Move closer to the router. Double-check Wi-Fi password. |
| Voice control not working. | Incorrect device linking, voice assistant not configured. | Verify lights are correctly linked in your Amazon Alexa or Google Assistant app. Ensure proper voice commands are used. |
| Lights flickering or inconsistent color. | Unstable power supply, app glitch. | Check power source stability. Restart the Atomi Smart app or re-pair the lights if necessary. |

## Specifications

| Feature | Detail |
|---|---|
| Brand | Atomi Smart |
| Model Number | 1599448 |
| Light Source Type | LED (RGB-CCT) |
| Brightness | 1200 Lumens |
