

Good Earth Lighting FL1059-NK3-15LF1

Good Earth Lighting Legacy LED Flush Mount Instruction Manual

Model: FL1059-NK3-15LF1

PRODUCT OVERVIEW

The Good Earth Lighting Legacy 15-inch LED Flush Mount fixture is designed to provide efficient and stylish illumination for various indoor spaces. This second-generation model features a satin nickel finish with a frosted opal glass diffuser, offering 1500 lumens of 3000K bright white light. It is dimmable and boasts a long-lasting integrated LED light source with a 50,000-hour rated lamp life.

SETUP AND INSTALLATION

Before beginning installation, ensure the power is turned off at the circuit breaker. This fixture is designed for flush mount installation on ceilings.

Included Components:

- Mounting Hardware
- LED Flush Mount Fixture

Installation Steps:

1. **Prepare Wiring:** Carefully pull the electrical wires from the junction box.
2. **Mount Bracket:** Secure the mounting bracket to the junction box using the provided screws.
3. **Connect Wires:** Connect the fixture's wires to the household electrical wires according to local electrical codes (typically black to black, white to white, and ground to ground). Use wire nuts to secure connections.
4. **Attach Fixture:** Align the fixture with the mounting bracket and secure it in place using the provided screws or twist-lock mechanism.
5. **Install Diffuser:** Place the frosted opal glass diffuser onto the fixture and secure it.
6. **Restore Power:** Turn the power back on at the circuit breaker.

OPERATING INSTRUCTIONS

The Good Earth Lighting Legacy LED Flush Mount is designed for simple operation and enhanced functionality.

Power On/Off:

Operate the light fixture using a standard wall switch connected to the electrical circuit. The fixture will turn on or off with the switch.

Dimmable Functionality:

This fixture is dimmable between 15% to 100% brightness. For optimal performance, use with compatible forward phase electronic (TRIAC) dimmers. Tested compatible dimmers include:

- Lutron Diva CL: DVWCL-153P or DVCL-153P

- Lutron Lumea CL: LGCL-153P
- Lutron Toggler CL: TGCL-153P8

Note: This list does not imply any guarantee or warranty of compatibility with a particular application. Dimmers not listed do not imply non-compatibility.

Light Characteristics:

- **Brightness:** 1500 Lumens
- **Color Temperature:** 3000K (Bright White)
- **Rated Lamp Life:** 50,000 hours

MAINTENANCE

The Good Earth Lighting Legacy LED Flush Mount is designed for minimal maintenance due to its integrated LED technology.

Cleaning:

- Ensure the fixture is turned off and cool before cleaning.
- Wipe the exterior surfaces with a soft, damp cloth.
- Do not use abrasive cleaners or solvents, as they may damage the finish or diffuser.

LED Light Source:

The LED lights are integrated into the fixture and are rated for a 50,000-hour lamp life, meaning they never need replacing

under normal use conditions.

TROUBLESHOOTING

If you encounter issues with your Good Earth Lighting Legacy LED Flush Mount, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Light does not turn on.	No power to the fixture.	Check circuit breaker.
	Loose wire connections.	Verify all wire connections are secure.
	Faulty wall switch.	Test the wall switch.
Light flickers or dims inconsistently.	Incompatible dimmer switch.	Ensure a compatible TRIAC dimmer is used (refer to Operating Instructions).
	Loose wire connections.	Check and secure all wire connections.
Light output is lower than expected.	Dimmer setting is too low.	Adjust the dimmer to a higher setting.

If these steps do not resolve the issue, please contact Good Earth Lighting customer support.
