

HJhomeheart HJ-DANCE-1BK-DO-MS

HJhomeheart Full Size Metal Platform Bed Frame

MODEL: HJ-DANCE-1BK-DO-MS

1. Introduction and Safety Information

Thank you for choosing the HJhomeheart Full Size Metal Platform Bed Frame. This manual provides essential instructions for safe assembly, proper use, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Important Safety Warnings:

- **Adult Assembly Required:** This product should be assembled by adults. Keep children away from the assembly area.
- **Check All Parts:** Before assembly, ensure all parts are present and undamaged. Do not proceed with assembly if any parts are missing or broken.
- **Use Correct Tools:** Only use the tools specified in the assembly instructions.
- **Tighten All Fasteners:** Ensure all bolts, screws, and connectors are securely tightened before use. Periodically check and re-tighten as needed.
- **Weight Limit:** Do not exceed the maximum recommended weight of 217.72 kg (480 lbs) for this bed frame.
- **Level Surface:** Assemble and use the bed frame on a flat, level surface to prevent instability.
- **No Jumping:** Do not jump on the bed frame.

2. Package Contents

Please verify that all components listed in your product's specific parts list (usually found on a separate sheet or within the packaging) are present before starting assembly. The HJhomeheart Full Size Metal Platform Bed Frame includes:

- Metal Headboard

- Metal Footboard
- Side Rails
- Metal Slats
- Support Legs
- Hardware Pack (bolts, washers, nuts, Allen wrench)

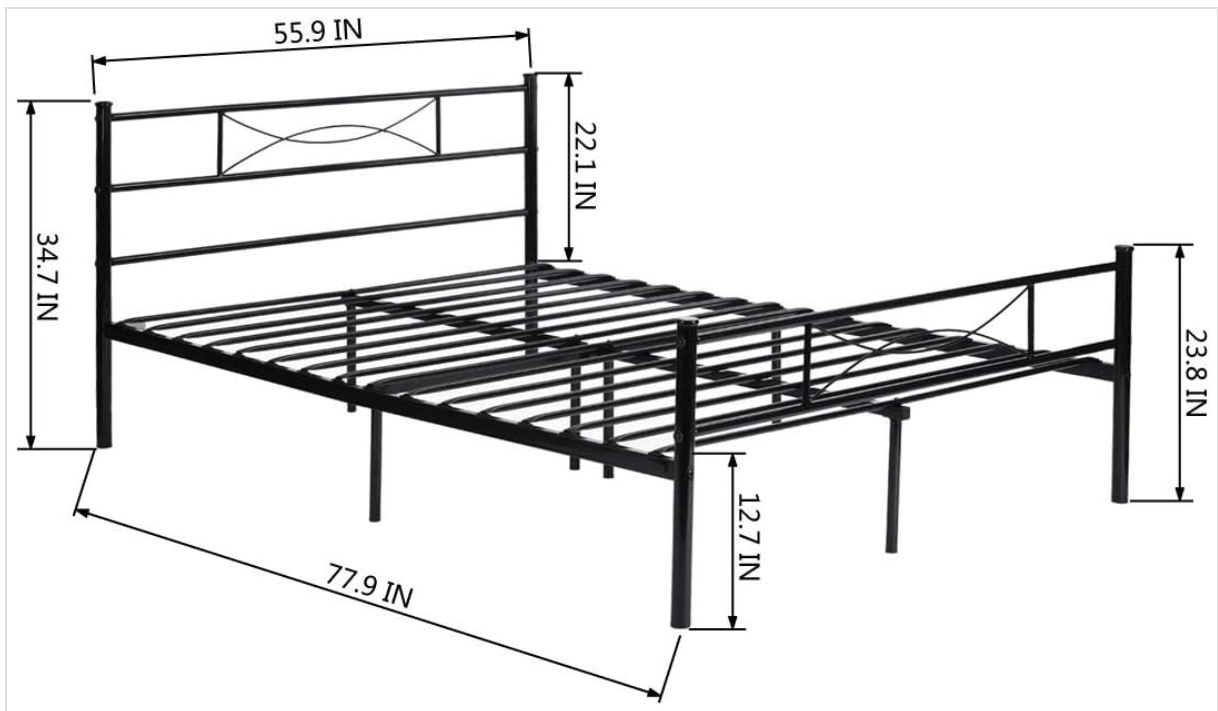

HJhomeheart Full Size Metal Platform Bed Frame fully assembled without a mattress, showcasing the metal slat foundation. This image illustrates the complete frame structure and slat system.

3. Setup and Assembly

Assembly of the HJhomeheart bed frame is designed to be straightforward. Follow the detailed step-by-step instructions provided in your product's assembly guide. The general process involves:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface (e.g., a carpet or blanket) to prevent scratches.
2. **Attach Side Rails:** Connect the side rails to the headboard and footboard using the provided bolts and Allen wrench. Do not fully tighten bolts until all major components are connected.
3. **Install Support Legs:** Attach any central support legs to the frame as indicated in the instructions. Ensure the rubber protection pads on each leg are properly seated to protect your floor and reduce noise.
4. **Place Slats:** Position the metal slats across the frame. Secure them according to the instructions, typically by snapping them into place or fastening them with screws.
5. **Final Tightening:** Once all components are in place and aligned, systematically tighten all bolts and screws until secure. Do not overtighten.

This diagram provides key measurements for the HJhomeheart Full Size Metal Platform Bed Frame, including length, width, height of the headboard, footboard, and under-bed clearance. All dimensions are in inches.

4. Operating and Usage

The HJhomeheart Full Size Metal Platform Bed Frame is designed for use with a full-size mattress directly on its metal slat foundation. A box spring is not required.

- **Mattress Placement:** Carefully place your full-size mattress onto the assembled metal slat foundation. Ensure it is centered and sits securely within the frame.
- **Under-Bed Storage:** The frame provides approximately 12.5 inches of clearance underneath, offering ample space for storage bins, luggage, or other items to help keep your room organized.
- **Weight Capacity:** The bed frame is designed to support a maximum weight of 217.72 kg (480 lbs), including the mattress and occupants.

This image displays the fully assembled HJhomeheart Full Size Metal Platform Bed Frame, featuring its black finish, headboard, and footboard design. The bed is shown with a mattress and bedding, illustrating its appearance in a bedroom setting.

5. Maintenance

To ensure the longevity and appearance of your HJhomeheart bed frame, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Regular Checks:** Periodically inspect all bolts and connections to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Floor Protection:** Ensure the rubber protection pads on the support legs are intact and in place to prevent floor scratches and reduce noise.

6. Troubleshooting

If you encounter any issues with your bed frame, refer to the following common troubleshooting tips:

- **Squeaking Noises:** If the bed frame develops squeaking noises, first check that all bolts and screws

are securely tightened. Loose connections are a common cause of noise. Also, ensure the rubber protection pads on the legs are properly positioned and not worn.

- **Instability/Wobbling:** Ensure the bed frame is placed on a level surface. Verify that all connections are fully tightened. If the issue persists, disassemble and reassemble, paying close attention to each connection point.
- **Damaged Parts:** If any part is damaged or missing upon arrival, do not proceed with assembly. Contact customer support for replacement parts.

7. Specifications

Brand	HJhomeheart
Model Number	HJ-DANCE-1BK-DO-MS
Size	Full
Colour	Black
Material	Metal
Style	Platform
Finish Type	Powder Coated
Special Features	No Box Spring Needed, Squeak Resistant
Maximum Weight Recommendation	217.72 kg (480 lbs)
Item Weight	18.5 kg
Dimensions (Approximate)	77.32 x 56.38 x 35.43 inches (L x W x H)
Under-Bed Clearance	12.5 inches
