## 2. IMPORTANT SAFETY INSTRUCTIONS

To ensure safe operation and prevent injury or damage, always follow these precautions:

- Do not use the blanket with infants, children, incapacitated persons, or anyone insensitive to heat.
- Ensure the heating wire is evenly distributed and not bunched or folded during use to prevent overheating.
- The blanket features a multi-layer coil structure for protection against short circuits and overheating.
- Always disconnect the controller from the blanket before washing.
- Do not iron, dry clean, or bleach the blanket.
- Keep the controller dry and away from water.
