Operating Instructions

LED Mirror Operation:

The intelligent touch LED mirror features a touch-sensitive button. Long press the button to adjust the brightness gradually. Short press the button to cycle through three different light colors: warm, white, and cold white. This allows you to customize your lighting for various makeup applications or ambient preferences.

Storage Usage:

Utilize the 4 desktop storage shelves for frequently used items like perfumes, brushes, or decorative crafts. The 5 drawers provide concealed storage for a wide range of cosmetics, jewelry, and other personal items, helping to keep your space organized and clutter-free.

Maintenance

To maintain the quality and appearance of your Homsee Vanity Desk Set, wipe surfaces with a dry cloth. Avoid

using harsh chemicals or abrasive cleaners, which can damage the melamine coating and mirror surface. Regularly check and tighten any loose screws to ensure stability.

Troubleshooting

- **LED Mirror Not Lighting Up:** Ensure the power cable is securely plugged into both the vanity and a working electrical outlet. Check if the touch sensor is clean and unobstructed.
- **Drawers Sticking or Not Closing Properly:** Verify that the drawer slides are correctly installed and aligned. Ensure no items inside the drawer are obstructing its movement.
- **Vanity Wobbling:** Check all assembly screws and ensure they are tightened securely. Make sure the vanity is placed on a flat, even surface.
