› Svinkal Portable Magnetic USB Clip on Fan - TF29B 5000mAh Instruction Manual

## Svinkal TF29B

# Svinkal Portable Magnetic USB Clip on Fan - TF29B 5000mAh Instruction Manual

Model: TF29B

Brand: Svinkal

## 1. INTRODUCTION

Thank you for choosing the Svinkal Portable Magnetic USB Clip on Fan. This manual provides essential information for the safe and efficient operation of your new fan. Please read it thoroughly before use and retain it for future reference.

## 2. WHAT'S IN THE BOX

- 1 x Svinkal Portable Magnetic USB Clip on Fan
- 1 x USB Charging Cable
- 1 x Instruction Manual

## 3. PRODUCT FEATURES

- **High-Capacity Battery:** Integrated 5000mAh rechargeable lithium-ion battery provides extended operation.
- **Powerful Airflow:** Equipped with a brushless motor and aerodynamically improved fan blades for strong, quiet airflow.
- **Adjustable Speeds:** Three distinct speed settings (Low, Medium, High) to suit various cooling needs.
- **Quiet Operation:** Operates with a low noise level, ranging from 35-60 dB depending on the speed setting.
- **Versatile Mounting:** Features a strong clip, a powerful magnetic base for metal surfaces, and a bottom slot for wall mounting.
- **Flexible Adjustment:** Offers 360° horizontal and 360° vertical rotation for precise airflow direction.
- **Compact and Portable:** Designed for easy storage and transport, ideal for various indoor and outdoor settings.
- **Battery Indicator:** Visual indicators for current battery level.
- **Timer Function:** Allows setting the fan to operate for a specific duration.

## 4. SETUP

1. **Unpacking:** Carefully remove all components from the packaging. Retain packaging for storage or if return is necessary.
2. **Initial Charge:** Before first use, fully charge the fan using the provided USB charging cable. Connect the USB-C end to the fan's input port and the USB-A end to a compatible power adapter (5V 2A adapter recommended, not included), power bank, PC, or car charger. The charging indicator lights will show the charging status.
3. **Attachment:**
  - **Clip-on:** Use the integrated clip to securely attach the fan to desks, shelves, strollers, or other suitable surfaces.
  - **Magnetic Mount:** The powerful magnetic base allows for secure attachment to any metal surface.
  - **Tabletop:** The fan can stand independently on its base for use on flat surfaces.
  - **Wall Mount:** Utilize the bottom slot for easy wall mounting with standard screws or hooks (not included).

## 5. OPERATING INSTRUCTIONS

### 5.1 Power On/Off and Speed Adjustment

1. **Power On:** Locate the power button on the back of the fan. Press it once to turn the fan on to the lowest speed setting.
2. **Adjust Speed:** Press the power button repeatedly to cycle through the speed settings: Low → Medium → High.
3. **Power Off:** After the highest speed, pressing the button again will turn the fan off.

### 5.2 Directional Adjustment

The fan head can be manually adjusted 360° horizontally and 360° vertically. Gently pivot the fan head to direct airflow precisely where needed.

# Clip On Fan

7.08in

2.16in

4.52in

Image: The fan head can be manually rotated 360 degrees horizontally and vertically to direct airflow.

## 5.3 Timer Function

Some models may include a timer function. Refer to the specific controls on your fan for setting a 2-hour or 4-hour automatic shut-off.

## 6. CHARGING THE FAN

The fan is equipped with a 5000mAh rechargeable battery. To charge, connect the provided USB charging cable to the fan's USB-C input port and a compatible 5V 2A power source. Charging indicators will illuminate to show the battery status. A full charge typically takes approximately 4 hours with a 10W fast charge adapter.

## 10W FAST CHARGE

Approximately fully charged in 4 hours  
(5V 2A Adapter Required)

Power adapter  
(Not included)

Power bank  
supply

PC

Car charger

Image: The fan can be charged via USB-C from various power sources including a power adapter, power bank, PC, or car charger.

Video: A short preview demonstrating the 5000mAh charging capability of the portable clip-on fan.

## 7. BATTERY LIFE

The 5000mAh battery provides the following approximate working hours on a full charge:

- Low Speed: Up to 20 hours
- Medium Speed: Up to 12 hours
- High Speed: Up to 6 hours

Image: Battery life indications for the fan at different speed settings.

## 8. MAINTENANCE

To ensure optimal performance and longevity of your fan, follow these maintenance guidelines:

- **Cleaning:** Disconnect the fan from any power source before cleaning. Use a soft, dry cloth to wipe the exterior surfaces. For the fan blades, carefully remove the front grille (if detachable) and wipe the blades with a damp cloth. Ensure all parts are completely dry before reassembling and using.
- **Storage:** When not in use for extended periods, store the fan in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Avoid Water:** Do not immerse the fan in water or other liquids.

## 9. SAFETY INFORMATION

- Do not put fingers or any objects into the fan grille when the fan is operating.
- Keep the fan away from water and moisture.

- Do not attempt to disassemble or repair the fan yourself. Contact customer service for assistance.
- Keep out of reach of children. Children under 6 years old should be assisted by a guardian.
- Use only the provided charging cable and a compatible power adapter.

## 10. SPECIFICATIONS

Feature	Detail
Brand	Svinkal
Model	TF29B
Color	Black
Electric Fan Design	Table Fan
Power Source	Battery Powered
Battery Capacity	5000mAh Lithium Ion (included)
Product Dimensions	6.3"D x 2.85"W x 7.2"H
Item Weight	0.85 lbs (13.1 ounces)
Special Features	Clip-on, Magnetic Mount, Tabletop
Noise Level	35-60 Decibels
Number of Blades	5
Speed Settings	3 (2.7m/s, 3.8m/s, 5.2m/s)
Rotation	360° Horizontal, 360° Vertical
Input Port	USB-C
Charging Time	Approx. 4 hours (with 5V 2A adapter)
Working Hours	20h (Low), 12h (Mid), 6h (High)
Motor Type	Brushless
Certifications	CE, FCC, RoHS, TUV, UL

## 11. TROUBLESHOOTING

- **Fan not turning on:** Ensure the battery is charged. Connect the fan to a power source and try again.
- **Weak airflow:** Check the fan speed setting and increase if necessary. Ensure the fan grille is not obstructed by dust or debris.
- **Fan making unusual noise:** Turn off the fan and check for any obstructions in the blades. If the noise persists, contact customer support.
- **Charging issues:** Ensure the USB cable is securely connected to both the fan and the power adapter. Try a different USB port or power adapter.

## 12. WARRANTY AND SUPPORT

Svinkal is committed to providing quality products and excellent customer service. If you have any questions, concerns, or require assistance with your fan, please contact our customer service team. We aim to reply within 24 hours to provide you with satisfactory service.

Please refer to your purchase documentation for specific warranty details.
