nanoblock NBDB-008

nanoblock Dragon Ball Z Son Gohan Building Kit Instruction Manual

1. Product Overview

About Son Gohan

The nanoblock Son Gohan Character Collection Series Building Kit allows you to construct a detailed miniature model of Son Gohan, the eldest son of Goku and Chi-Chi from Dragon Ball Z. This kit is designed for enthusiasts who enjoy intricate building challenges and features approximately 100 pieces, resulting in a model that stands around 2.0 inches tall. It is considered an entry-level kit, suitable for builders aged 8 and up.

2. Safety Information

WARNING: CHOKING HAZARD - Small Parts.
This product contains very small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly, especially for younger builders. Keep all components away from infants and pets to prevent accidental ingestion.

3. Package Contents

Your nanoblock Son Gohan Building Kit package should contain the following items:

- nanoblock - Son Gohan [Dragon Ball Z] building blocks (approximately 100 pieces)
- Detailed step-by-step instruction manual

4. Assembly Instructions

General Assembly Tips

- **Small Parts:** nanoblocks are miniature building blocks, with some pieces as small as 4mm x 4mm x 5mm. Handle them carefully to avoid losing any components.
- **Detailed Instructions:** All nanoblock sets come with comprehensive, step-by-step instructions. Follow them closely for the best building experience.
- **Difficulty Level:** This model is rated at a Level 2 difficulty on a scale of 1 to 5 (1 being easiest). It is suitable for ages 8 and up.
- **Patience is Key:** Building nanoblock models requires precision and patience. Take your time and enjoy the process.

Item Weight	0.88 ounces

Item Model Number	NBDB-008
Manufacturer Recommended Age	13 years and up (Difficulty Level 2 for ages 8+)
Manufacturer	Kawada

6. Maintenance

To maintain the appearance of your nanoblock model, gently dust it with a soft brush or cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the blocks. If necessary, a slightly damp cloth can be used for cleaning, ensuring the model is thoroughly dried afterward.

7. Troubleshooting

Missing Pieces

In the rare event of missing pieces, please contact the authorized distributor for support. Ensure you have the product box with the official warning label, as this is proof of an officially licensed product.

Difficulty in Assembly

If you encounter difficulty during assembly, re-examine the instruction manual carefully. Sometimes, a small block might be misplaced, affecting subsequent steps. Ensure all blocks are firmly pressed into place. For complex sections, consider taking a short break and returning to the build with fresh eyes.

8. Warranty and Support

This nanoblock product is officially licensed. For product support assistance within the United States, please refer to the contact information provided by the authorized U.S. Retailers. The product box will feature a Bluefin warning label, which serves as proof of purchase from an authorized distributor and entitles you to product support.
For further inquiries or support, please visit the official nanoblock website or contact your retailer.
