Nike Alpha Lip Protector Football Mouthguard User Manual

Model: 1066740907

INTRODUCTION

The Nike Alpha Lip Protector Football Mouthguard is engineered to provide essential protection and comfort for athletes during football activities. Its design focuses on shock absorption and ease of use, ensuring peace of mind on the field. This manual outlines the proper setup, operation, and care for your mouthguard.

SETUP

The Nike Alpha Lip Protector Mouthguard is designed for immediate use without the need for boiling or molding. It provides an instant fit.

1. **Unpack:** Carefully remove the mouthguard from its packaging.
2. **Insert:** Place the mouthguard into your mouth, ensuring it covers your upper teeth and protects your lips.
3. **Tether Attachment:** The mouthguard includes a quick-release tether. This tether can be attached to your helmet's facemask for convenience, or it can be removed if not desired. To attach, simply loop the tether through the designated hole on the mouthguard and secure it to your helmet.

OPERATING INSTRUCTIONS

Once properly inserted, the mouthguard provides continuous protection. Its features are designed to enhance your performance and safety.

- **Lip Protection:** The integrated lip protector design absorbs shock, safeguarding your lips from impacts.
- **Breathing Channels:** O-Flow breathing channels are incorporated to maximize oxygen intake, aiding in sustained performance during intense activity.
- **Communication:** The quick-release tether allows for rapid removal of the mouthguard when clear communication is necessary on the field, and easy re-insertion when play resumes.

MAINTENANCE

Proper care and maintenance will extend the life of your mouthguard and ensure hygienic use.

- **Cleaning:** After each use, rinse the mouthguard thoroughly with cool water. For a more thorough cleaning, use a mild soap and water solution or a mouthguard cleaning tablet. Ensure all residue is removed.
- **Drying:** Allow the mouthguard to air dry completely before storing.
- **Storage:** Store the mouthguard in a clean, ventilated case to prevent bacterial growth and damage. Avoid storing in direct sunlight or extreme temperatures.

TROUBLESHOOTING

If you encounter any issues with your Nike Alpha Lip Protector Football Mouthguard, consider the following:

- **Discomfort:** Ensure the mouthguard is correctly positioned. While designed for an instant fit, slight adjustments in placement can improve comfort.
- **Difficulty Breathing:** Verify that the O-Flow breathing channels are clear and unobstructed.
- **Loose Fit:** If the mouthguard feels loose, inspect it for any signs of damage or wear. Replace if necessary.

SPECIFICATIONS

Attribute	Detail
Product Dimensions	3 x 3 x 3 inches
Item Weight	1.76 ounces
Item Model Number	1066740907
Manufacturer	Nike
Material	Ethylene Vinyl Acetate (EVA)
Color	Black/White
Sport	Football
Model Name	N1003405-010
