

KEMEI KM-2031

KEMEI KM-2031 Rechargeable Electric Foil Shaver User Manual

Model: KM-2031

1. INTRODUCTION

Thank you for choosing the KEMEI KM-2031 Rechargeable Electric Foil Shaver. This manual provides important information regarding the safe operation, maintenance, and care of your new shaver. Please read these instructions thoroughly before first use and keep them for future reference.

2. SAFETY INSTRUCTIONS

- **Warning:** Risk of cuts from the blades. Skin irritation may occur from improper use.
- Do not use near water or while charging.
- Clean the shaver after each use to prevent bacterial growth.
- Keep the appliance dry.
- Do not disassemble the shaver beyond what is described in this manual.
- Keep out of reach of children.

3. PACKAGE CONTENTS

The KEMEI KM-2031 shaver package includes the following items:

- KEMEI KM-2031 Electric Foil Shaver
- Foil guard

- USB charge cable (power adapter not included)
- Cleaning brush
- Operating instructions (this manual)
- Replacement shaver head and blade
- Velvet fabric pouch for travel

5. CHARGING

The shaver is powered by a rechargeable lithium battery. Before first use, ensure the shaver is fully charged.

Charging Instructions:

1. Connect the micro USB cable to the charging port on the shaver.
2. Plug the other end of the USB cable into a 5V 1A USB power adapter (not included) or a compatible USB port (e.g., computer, power bank).
3. The charging indicator light will illuminate during charging.
4. A full charge takes approximately 2 hours.
5. Once fully charged, the shaver provides up to 60 minutes of continuous use.

- USB charging
- 600 mAh lithium battery
- Charge for 2 hour
- Use for 60 minutes

6. OPERATION

The KEMEI KM-2031 supports both dry and wet shaving. For best results, ensure your skin is clean and dry for dry shaving, or use shaving cream/gel for wet shaving.

General Shaving:

1. Press the On/Off switch to activate the shaver.
2. Hold the shaver at a right angle to your skin and move it against the direction of hair growth.
3. Stretch your skin with your free hand to ensure a smooth surface for shaving.
4. For longer hair (e.g., beard or mustache), use the pop-up trimmer first before using the foil shaver for a closer finish.

Using the Pop-Up Trimmer:

The pop-up trimmer is located on the back of the shaver. Slide the switch to extend the trimmer. Use it to trim sideburns, mustaches, or longer beard hair that is too long for the foil shaver to cut directly.

7. CLEANING AND MAINTENANCE

Regular cleaning ensures optimal performance and extends the life of your shaver. The KEMEI KM-2031 is IPX4 waterproof, allowing for easy cleaning.

Cleaning Steps:

1. Turn off the shaver and disconnect it from any charging cable.
2. Gently pull the shaver head directly upwards to remove it.
3. Tap out any loose hair from the shaver head and the main body.
4. Use the provided cleaning brush to remove stubborn hair particles from the blades and foil.
5. Rinse the shaver head and blades under running water. The shaver body can also be rinsed, but avoid submerging it completely.

6. Allow all parts to air dry completely before reassembling or storing.
7. Periodically apply a drop of lubricating oil (not included) to the blades for smooth operation.

Pull the Head Directly

8. TROUBLESHOOTING

If you encounter any issues with your KEMEI KM-2031 shaver, please refer to the following common solutions:

- **Shaver not turning on:** Ensure the shaver is fully charged. If the battery is low, connect it to the charger.
- **Poor shaving performance:** Clean the shaver head and blades thoroughly. If the blades are dull, replace them with the spare set provided. Ensure hair is trimmed short with the pop-up trimmer before using the foil shaver for a close shave.
- **Excessive noise or vibration:** Check if the shaver head is properly attached. Clean any hair buildup that might be obstructing the blades.
- **Charging issue:** Verify that the USB cable and power adapter are working correctly. Ensure the charging port is clean and free of debris.

If the problem persists, please contact KEMEI customer support for further assistance.

9. SPECIFICATIONS

Feature	Detail
Model Number	KM-2031
Power Source	Battery Powered (Rechargeable)
Battery Type	1 CR5 battery (included)
Charging Time	Approx. 2 hours
Continuous Use Time	Up to 60 minutes
Motor Speed	Up to 7500 RPM
Input Voltage	5V 1A
Product Dimensions	2.36 x 1.38 x 4.92 inches
Item Weight	6.14 ounces
Waterproof Rating	IPX4

Product: shaver
