V-Moda HEXM-PR-BK

V-MODA Hexamove Pro Wireless Earbuds User Manual

Model: HEXM-PR-BK

INTRODUCTION

The V-MODA Hexamove Pro are true wireless earbuds designed to offer a customizable audio experience and fit. They feature vibrant and precise sound, adjustable via the V-MODA app's EQ tool. The modular design allows for a secure and comfortable fit throughout the day, with multiple wearing options including ear hooks, sport fins, and various fittings. The earbuds provide 6 hours of playback on a single charge, with an additional 18 hours available from the charging case, totaling 24 hours of listening time. They are also IPX4 rated for resistance against sweat, water, and dust, ensuring durability for active lifestyles.

WHAT'S IN THE BOX

Your V-MODA Hexamove Pro package includes the following components:

- V-MODA Hexamove Pro Wireless Earbuds

- Charging Case
- USB Charging Cable
- Multiple sets of ear hooks, sport fins, and ear tips for customizable fit
- Three sets of decorative shields (model color, Silver, and Bronze)
- Neck strap and stabilizer

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge your Hexamove Pro earbuds and charging case. Place the earbuds into the charging case. Connect the provided USB charging cable to the case and a power source. The earbuds offer 6 hours of playback on a single charge, with the charging case providing an additional 18 hours, for a total of 24 hours of battery life.

2. Bluetooth Pairing

1. Ensure the earbuds are charged and removed from the charging case.
2. Open the Bluetooth settings on your device (smartphone, tablet, computer).
3. Select 'V-MODA Hexamove Pro' from the list of available devices.
4. Once connected, you will hear an audio confirmation.

The Hexamove Pro uses Bluetooth 5.0 for stable and hassle-free connectivity.

3. Customizing Your Fit

The Hexamove Pro offers a modular design for optimal comfort and security. Experiment with the included ear hooks, sport fins, and various sizes of ear tips to find the most secure and comfortable fit for your ears. For activities requiring extra stability, attach the neck strap.

4. Changing Decorative Shields

The earbuds come with three sets of slide-and-lock shields (matching your model's color, Silver, and Bronze) that can be easily interchanged to suit your personal style.

OPERATING THE EARBUDS

Touch-Gyro Sensors

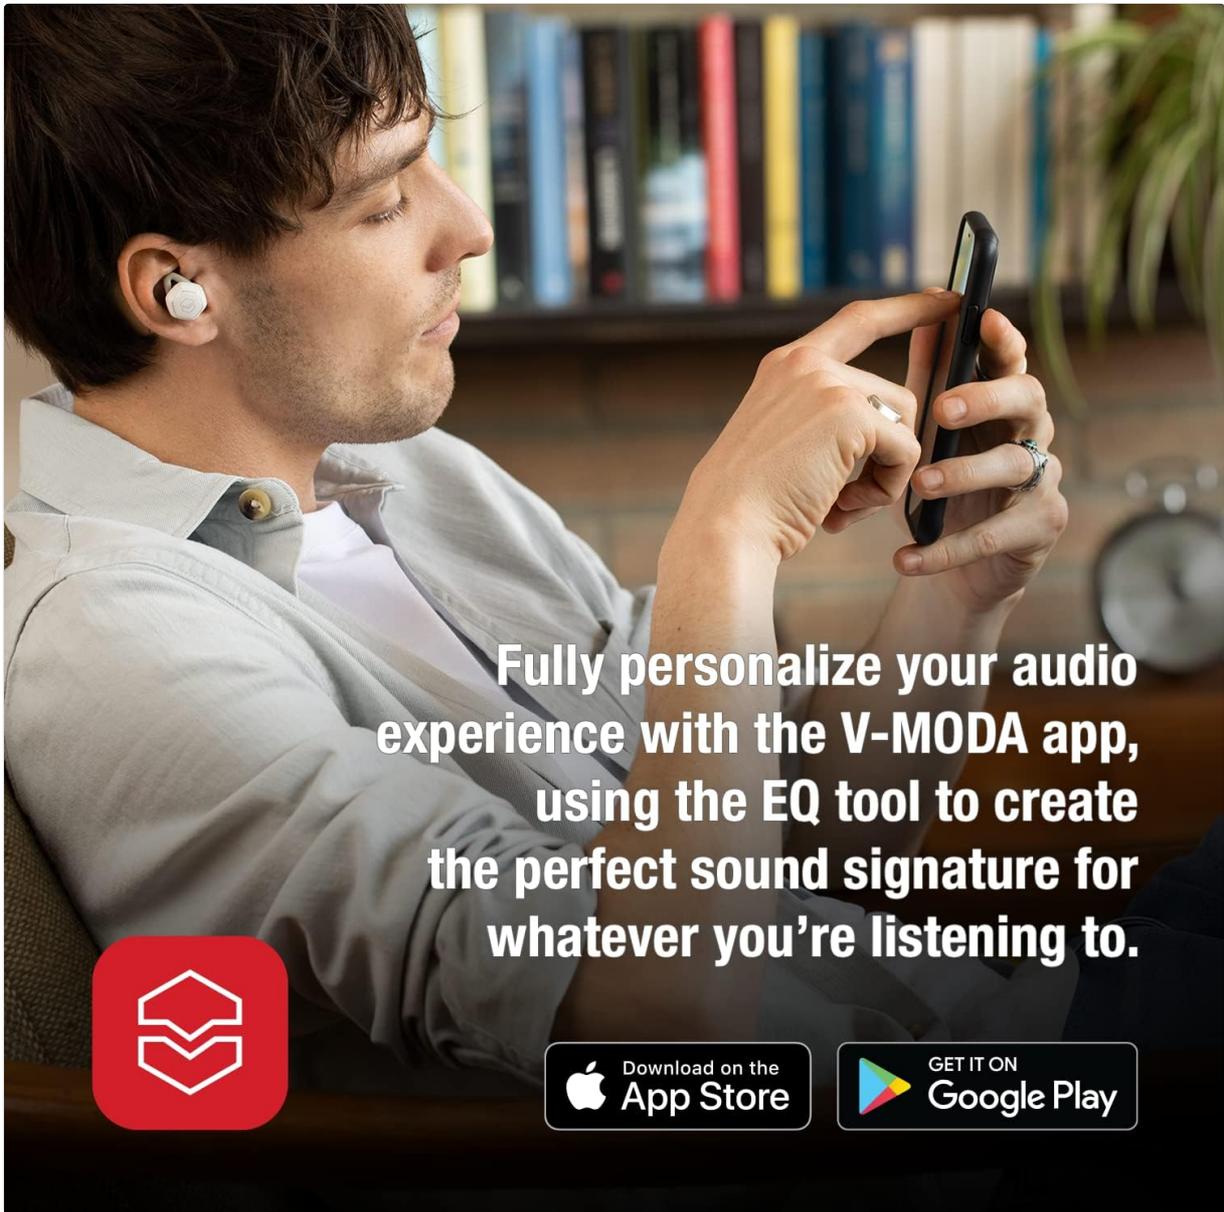

The Hexamove Pro earbuds feature touch-gyro sensors for intuitive control of your audio and calls. Specific gestures allow you to:

- Control music playback (play, pause, skip tracks)
- Answer or end calls
- Access your device's voice assistant

Refer to the quick start guide for detailed touch control commands.

V-MODA App for Sound Customization

Enhance your listening experience by downloading the V-MODA app. The app includes an EQ tool that allows you to personalize your sound signature, adjusting bass, mids, and highs to your preference.

Fully personalize your audio experience with the V-MODA app, using the EQ tool to create the perfect sound signature for whatever you're listening to.

MAINTENANCE

To ensure the longevity and optimal performance of your Hexamove Pro earbuds:

- Regularly clean the earbuds and charging case with a soft, dry cloth.
- Avoid using abrasive materials or harsh chemicals.
- The earbuds are IPX4 rated, meaning they are resistant to sweat, light splashes of water, and dust. However, they are not waterproof and should not be submerged in water.
- Ensure the charging contacts on both the earbuds and the case are clean and dry before charging.

TROUBLESHOOTING

If you encounter issues with your V-MODA Hexamove Pro earbuds, try the following solutions:

No Sound or Intermittent Audio

- Ensure earbuds are fully charged.
- Verify Bluetooth connection to your device. Try disconnecting and re-pairing.
- Check the volume levels on both your device and the earbuds.
- Clean any debris from the earbud nozzles and charging contacts.

Charging Issues

- Ensure the charging cable is securely connected to both the case and the power source.
- Confirm the earbuds are correctly seated in the charging case and making proper contact with the charging pins.
- Try a different USB cable or power adapter.

App Functionality Problems

- Ensure your V-MODA app is updated to the latest version.
- Check that your earbuds' firmware is up to date via the app.
- Restart your device and the app.

Earbud Reset

If issues persist, a factory reset may resolve them. Refer to the V-MODA support website or the app for specific reset instructions for the Hexamove Pro.
