SETUP (ASSEMBLY INSTRUCTIONS)

Assembly is required and typically takes approximately 15 minutes. Necessary tools are provided. Follow these steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent scratches.
2. **Assemble the Table:** Attach the four table legs to the underside of the table top using the provided screws and Allen wrench. Ensure the leg stabilizer bar is also attached between the legs for added stability. Finger-tighten all screws initially.
3. **Assemble the Chairs:** The chair bases come pre-assembled. Attach the backrests to the chair seats using the provided screws and Allen wrench. The backrests are detachable, allowing for two different styles of chairs. Finger-tighten all screws initially.
4. **Final Tightening:** Once all components are in place, fully tighten all screws on both the table and chairs using the Allen wrench. Do not overtighten.

TROUBLESHOOTING

If you encounter any issues with your Aiho Bar Table and Chairs Set, consider the following:

- **Wobbling:** Ensure all screws are fully tightened. Check that the floor surface is even. Adjustable feet may be present on the legs to compensate for uneven surfaces.
- **Difficulty Assembling:** Re-read the assembly instructions carefully. Ensure all parts are oriented correctly before tightening screws. Do not force components together.
- **Damaged Parts:** If any parts are damaged upon arrival, do not proceed with assembly. Contact customer support for assistance.
